## 1. INTRODUCTION AND GENERAL INFORMATION

*This section of the IFB includes a brief introduction and background information about the intended services for which the requirements herein are written. The contents of this section are intended for informational purposes and do not require a response.*

### 1.1 Purpose:

1.1.1 The Missouri Department of Corrections (hereinafter referred to as the Department) is accepting competitive, sealed bids to establish a contract for the purchase of alarm clocks for resale in the offender canteens at twenty-two (22) institutions in accordance with the requirements and provisions stated herein.

### 1.2 Questions Regarding the IFB:

1.2.1 It is the bidder's responsibility to ask questions, request changes or clarifications, or otherwise advise the Department if the bidder believes that any language, specifications or requirements are: (1) ambiguous, (2) contradictory or arbitrary, or both, (3) violate any state or federal law or regulation, (4) restrict or limit the requirements to a single source, or (5) restrict or limit the bidder's ability to submit a bid.

- a. Except as may be otherwise stated herein, the bidder and the bidder's agents (including subcontractors, employees, consultants, or anyone else acting on their behalf) must direct all of their questions or comments regarding the IFB, the solicitation process, the evaluation, etc., to the Buyer of Record indicated on the first page of this IFB. Inappropriate contacts to other personnel are grounds for suspension and/or exclusion from specific procurements. Bidders and their agents who have questions regarding this matter should contact the Buyer of Record.
- b. All questions and issues should be submitted at least ten (10) working days prior to the due date of the bid. If not received prior to ten (10) working days before the bid due date, the Department may not be able to fully research and consider the respective questions or issues. Questions and issues relating to the IFB, including questions related to the competitive procurement process, must be directed to the Buyer of Record. It is preferred that questions be e-mailed to the Buyer of Record at [Diana.Fredrick@doc.mo.gov](mailto:Diana.Fredrick@doc.mo.gov).
- c. The Department will attempt to ensure that a bidder receives an adequate and prompt response to questions, if applicable. Upon the Department's consideration of questions and issues, if the Department determines that changes are necessary, the resulting changes will be included in a subsequently issued IFB amendment(s); absence of such response indicates that the questions and issues were considered but deemed unnecessary for an IFB amendment as the questions and issues did not provide further clarity to the IFB. All bidders will be advised of any change to the IFB's language, specifications, or requirements by a formal amendment to the IFB.

NOTE: The only official position of the Department shall be that which is contained in the IFB and any amendments thereto.

### 1.3 General Information:

1.3.1 Terms and Conditions - It is recommended that all bidders review the Terms and Conditions governing this solicitation in its entirety, giving particular emphasis to examining those sections related to:

- Open Competition
- Submission of Bids
- Preparation of Bids
- Evaluation and Award

**1.4 Background Information:**

- 1.4.1 The Department operates offender canteens within the correctional institutions for offenders to purchase approved food, clothing, appliances and other items. By departmental policy, the selection of items approved and available for purchase in the canteens is decided upon by committee. The committee is tasked with standardizing an approved list in order to provide uniformity in product and pricing in the canteens. Items on the approved list are competitively bid in order to obtain the best possible pricing for the Department. Once contracted, only contracted items are allowed to be sold in the canteens.
- 1.4.2 The estimated population for all correctional institutions is 33,449.
- 1.4.3 The estimated annual gross sales for the item listed on **Exhibit A, Pricing Page** are \$8,700.00.
- 1.4.4 **Funds** – Expenditures from general revenue funds are not included in this contract.

- 2.6.2 All payment terms shall be as stated in the terms and conditions of this contract. Payments will be processed based on final delivery, inspection, and acceptance of services rendered.
- 2.6.3 The contractor shall accurately invoice per the price indicated on **Exhibit A, Pricing Page**.
- 2.6.4 The Department may choose to use the state purchasing card (Visa) in place of a purchase order to make purchases under this contract. Unless exception to this condition is indicated on **Exhibit A, Pricing Page**, the contractor agrees to accept the state purchasing card as an acceptable form of payment and may not charge any additional fees related to the use of a purchasing card such as service fees, merchant fees, and/or handling charges.
  - a. If the Department issues a purchase order, an itemized invoice shall be emailed to [DOC.CanteenPayables@doc.mo.gov](mailto:DOC.CanteenPayables@doc.mo.gov) or mailed to:  
  
Attn: Offender Financial Services – Accounts Payable  
Missouri Department of Corrections  
PO Box 1609  
Jefferson City, MO 65102
- 2.6.5 Each invoice submitted must be specific to one purchase order number. The purchase order number must be referenced on the invoice and the invoice must be itemized in accordance with the item listed on the purchase

order. Failure to comply with this requirement may delay processing of invoices for payment. Emailed invoices should contain the purchase order number in the subject line.

a. If the state purchasing card (Visa) is used for payment, an itemized invoice reflecting the charged amount must be faxed or emailed to the institution within one business day. The state purchasing card shall not be charged until all goods/services have been received and accepted.

2.6.6 The contractor's invoice should include any discount for prompt payment as indicated on **Exhibit A, Pricing Page**.

2.6.7 If the contractor maintains an e-commerce web application that enables Department staff to view and print invoices and invoice history, the contractor shall indicate on **Exhibit A, Pricing Page** the web site address where the Department staff may access invoices. Upon award of a contract, the contractor shall provide the Department with a customer number in order for Department staff to access invoices and invoice history.

2.6.8 The Department does not pay state or federal sales tax. The Department shall not make additional payments or pay add-on charges.

2.6.9 Other than the payments and reimbursements specified above, no other payments or reimbursements shall be made to the contractor for any reason whatsoever, including, but not limited to taxes, shipping charges, insurance, interest, penalties, termination payments, attorney fees, liquidated damages, etc.

2.7.1 There shall be no minimum order requirements for the line item except the smallest unit of order (case).

**END OF SECTION 2: PERFORMANCE REQUIREMENTS**

### 3. GENERAL CONTRACTUAL REQUIREMENTS

*This section of the IFB includes the general contractual requirements and provisions that shall govern the contract after IFB award. The contents of this section include mandatory provisions that must be adhered to by the Department and the contractor unless changed by a contract amendment. Response to this section by the bidder is not necessary as all provisions are mandatory.*

#### 3.1 Contractual Requirements:

- 3.1.1 Contract - A binding contract shall consist of: (1) the IFB and any amendments thereto, (2) the contractor's response (bid) to the IFB, (3) clarification of the response (bid), if any, and (4) the Department's acceptance of the response (bid) by "notice of award". All exhibits included in the IFB shall be incorporated into the contract by reference.
- a. A notice of award issued by the Department does not constitute an authorization for shipment of equipment or supplies or a directive to proceed with services. Before providing equipment, supplies and/or services for the Department, the contractor must receive a properly authorized purchase order or other form of authorization given to the contractor at the discretion of the Department.
  - b. The contract expresses the complete agreement of the parties and performance shall be governed solely by the specifications and requirements contained therein.
  - c. Any change to the contract, whether by modification and/or supplementation, must be accomplished by a formal contract amendment signed and approved by and between the duly authorized representative of the contractor and the Department prior to the effective date of such modification. The contractor expressly and explicitly understands and agrees that no other method and/or no other document, including correspondence, acts, and oral communications by or from any person, shall be used or construed as an amendment or modification to the contract.
- 3.1.2 Contract Period - The original contract period shall be as stated on page one (1) of the IFB or the Notice of Award. The contract shall not bind, nor purport to bind, the Department for any contractual commitment in excess of the original contract period. The Department shall have the right, at its sole option, to renew the contract for three (3) additional twelve (12) month periods or any portion thereof. In the event the Department exercises such right, all terms and conditions, requirements, and specifications of the contract shall remain the same and apply during the renewal period pursuant to applicable option clauses of this document.
- 3.1.3 Renewal Periods - If the Department exercises its option for renewal, the contractor shall agree that the prices for the renewal period shall not exceed the maximum percentage increase or be less than the minimum percentage decrease quoted for the applicable renewal period as stated on **Exhibit A, Pricing Page**, of the contract.
- a. As stated on **Exhibit A, Pricing Page**, all increases or decreases shall be calculated against the **ORIGINAL** contract price and **NOT** against the previous year's price. If a price increase or decrease was allowed as outlined in section 3.2 of this IFB, the increase/decrease will be added/subtracted after the calculation of the renewal price has been determined.
 

**EXAMPLE:** Original Contract Price = \$1.00, Maximum Increase = 2%, Economic Adjustment = 5%

Renewal Period Increase -  $\$1.00 \times 2\% = \$1.02$

Economic Adjustment -  $\$1.00 \times 5\% = \$1.05$

Renewal Period Price =  $\$1.07 (\$1.02 + \$0.05)$
  - b. If renewal percentages are not provided, the price during the renewal period shall be the same as during the original contract period.
  - c. In addition, the contractor shall understand and agree that any renewal period increases specified in the contract are not automatic. At the time of contract renewal, if the state determines funding does not permit

the specified renewal pricing increase or even a portion thereof, the renewal pricing shall remain the same as during the previous contract period. If such action is rejected by the contractor, the contract may be terminated, and a new procurement process may be conducted. The contractor shall also understand and agree the state may determine funding limitations necessitate a decrease in the contractor's pricing for the renewal period(s). If such action is necessary and the contractor rejects the decrease, the contract may be terminated, and a new procurement process may be conducted.

- 3.1.4 **Contract Price** – The price shall be as stated on **Exhibit A, Pricing Page**. The Department shall not pay, nor be liable, for any other costs including, but not limited to, taxes, insurance, interest, penalties, termination payments, attorney fees, liquidated damages, etc.
- a. Prices shall include all packing, handling, shipping and freight charges FOB Destination, Freight Prepaid and Allowed. The Department shall not make additional payments or pay add-on charges for freight or shipping unless specifically described and priced in the bid, or as otherwise specifically stated and allowed by the IFB.
- 3.1.5 **Termination** - The Department reserves the right to terminate the contract at any time, for the convenience of the State of Missouri, without penalty or recourse, by giving written notice to the contractor at least thirty (30) calendar days prior to the effective date of such termination. The contractor shall be entitled to receive compensation for services and/or supplies delivered to and accepted by the Department pursuant to the contract prior to the effective date of termination.
- 3.1.6 **Contractor Liability** - The contractor shall be responsible for any and all personal injury (including death) or property damage as a result of the contractor's negligence involving any equipment or service provided under the terms and conditions, requirements and specifications of the contract. In addition, the contractor assumes the obligation to save the State of Missouri, including its agencies, employees, and assignees, from every expense, liability, or payment arising out of such negligent act.
- a. The contractor also agrees to hold the State of Missouri, including its agencies, employees, and assignees, harmless for any negligent act or omission committed by any subcontractor or other person employed by or under the supervision of the contractor under the terms of the contract.
- b. The contractor shall not be responsible for any injury or damage occurring as a result of any negligent act or omission committed by the State of Missouri, including its agencies, employees, and assignees.
- 3.1.7 **Insurance** - The contractor shall understand and agree that the State of Missouri cannot save and hold harmless and/or indemnify the contractor or employees against any liability incurred or arising as a result of any activity of the contractor or any activity of the contractor's employees related to the contractor's performance under the contract. Therefore, the contractor must acquire and maintain adequate liability insurance in the form(s) and amount(s) sufficient to protect the State of Missouri, its agencies, its employees, its clients, and the general public against any such loss, damage and/or expense related to his/her performance under the contract. General and other non-professional liability insurance shall include an endorsement that adds the State of Missouri as an additional insured. Self-insurance coverage or another alternative risk financing mechanism may be utilized provided that such coverage is verifiable and irrevocably reliable and the State of Missouri is protected as an additional insured.
- a. In the event the insurance coverage is canceled, the Department must be notified within thirty (30) calendar days.
- 3.1.8 **Contractor's Employees** - The contractor and all of the contractor's employees and agents providing services in any Department of Corrections institution must be at least eighteen (18) years of age. A Missouri Uniform Law Enforcement System (MULES) check or other background investigation shall be required on the contractor, the contractor's employees and agents before they are allowed entry into the institution. The contractor, its employees and agents understand and agree that the Department may complete criminal background records checks annually for the contractor and the contractor's employees and agents that have the potential to have contact with offenders.

- a. The institution shall have the right to deny access into the institution for the contractor and any of the contractor's employees and agents for any reason, at the discretion of the institution.
  - b. The contractor, its employees and agents under active federal or state felony or misdemeanor supervision must receive written division director approval prior to providing services pursuant to a Department contract. Similarly, contractors/employees/agents with prior felony convictions and not under active supervision must receive written division director approval in advance.
  - c. The contractor, its employees and agents shall at all times observe and comply with all applicable state statutes, Department rules, regulations, guidelines, internal management policies and procedures, and general orders of the Department that are applicable, regarding operations and activities in and about all Department property. Furthermore, the contractor, its employees and agents, shall not obstruct the Department or any of its designated officials from performing their duties in response to court orders or in the maintenance of a secure and safe correctional environment. The contractor shall comply with the Department's policies and procedures relating to employee conduct.
    - (1) The Department has a zero tolerance policy for any form of sexual misconduct to include staff/contractor/volunteer on offender, or offender on offender, sexual harassment, sexual assault, sexual abuse and consensual sex.
      - a. Any contractor or contractor's employee or agent who witnesses any form of sexual misconduct must immediately report it to the warden of the institution. If a contractor or contractor's employee or agent fails to report or knowingly condones sexual harassment or sexual contact with or between offenders, the Department may cancel the contract, or at the Department's sole discretion, require the contractor to remove the employee/agent from providing services under the contract.
    - (2) Any contractor or contractor's employee or agent who engages in sexual abuse shall be prohibited from entering the institution and shall be reported to law enforcement agencies and licensing bodies, as appropriate.
  - d. The contractor, its employees and agents shall not interact with the offenders except as is necessary to perform the requirements of the contract. The contractor, its employees and agents shall not give anything to nor accept anything from the offenders except in the normal performance of the contract.
  - e. If any contractor or contractor's employee or agent is denied access into the institution for any reason or is denied approval to provide service to the Department for any reason stated herein, it shall not relieve the contractor of any requirements of the contract. If the contractor is unable to perform the requirements of the contract for any reason, the contractor shall be considered in breach.
- 3.1.9 Subcontractors - Any subcontracts for the products/services described herein must include appropriate provisions and contractual obligations to ensure the successful fulfillment of all contractual obligations agreed to by the contractor and the Department and to ensure that the Department is indemnified, saved, and held harmless from and against any and all claims of damage, loss, and cost (including attorney fees) of any kind related to a subcontract in those matters described in the contract between the Department and the contractor.
- a. The contractor shall expressly understand and agree that he/she shall assume and be solely responsible for all legal and financial responsibilities related to the execution of a subcontract.
  - b. The contractor shall agree and understand that utilization of a subcontractor to provide any of the products/services in the contract shall in no way relieve the contractor of the responsibility for providing the products/services as described and set forth herein.

**3.1.10 Participation by Other Organizations:** The contractor must comply with any Organization for the Blind/Sheltered Workshop and/or Service-Disabled Veteran Business Enterprise (SDVE) participation levels committed to in the contractor's awarded bid.

- a. The contractor shall prepare and submit to the Department a report detailing all payments made by the contractor to Organizations for the Blind/Sheltered Workshops and/or SDVEs participating in the contract for the reporting period. The contractor must submit the report on a monthly basis, unless otherwise determined by the Department.
- b. The Department will monitor the contractor's compliance in meeting the Organizations for the Blind/Sheltered Workshop and SDVE participation levels committed to in the contractor's awarded bid. If the contractor's payments to the participating entities are less than the amount committed, the state may cancel the contract and/or suspend or debar the contractor from participating in future state procurements, or retain payments to the contractor in an amount equal to the value of the participation commitment less actual payments made by the contractor to the participating entity. If the Department determines that the contractor becomes compliant with the commitment, any funds retained as stated above, will be released.
- c. If a participating entity fails to retain the required certification or is unable to satisfactorily perform, the contractor must obtain other organizations for the blind/sheltered workshops or other SDVEs to fulfill the participation requirements committed to in the contractor's awarded bid.
  - 1) The contractor must obtain the written approval of the Department for any new entities. This approval shall not be arbitrarily withheld.
  - 2) If the contractor cannot obtain a replacement entity, the contractor must submit documentation to the Department detailing all efforts made to secure a replacement. The Department shall have sole discretion in determining if the actions taken by the contractor constitute a good faith effort to secure the required participation and whether the contract will be amended to change the contractor's participation commitment.
- d. No later than 30 days after the effective date of the first renewal period, the contractor must submit an affidavit to the Department. The affidavit must be signed by the director or manager of the participating Organizations for the Blind/Sheltered Workshop verifying provision of products and/or services and compliance of all contractor payments made to the Organizations for the Blind/Sheltered Workshops. The contractor may use the affidavit available on the Office of Administration, Division of Purchasing website listed below, or another affidavit providing the same information.

**3.1.11 Contractor Status -** The contractor is an independent contractor and shall not represent the contractor or the contractor's employees to be employees of the State of Missouri or a Department of the State of Missouri. The contractor shall assume all legal and financial responsibility for salaries, taxes, FICA, employee fringe benefits, workers compensation, employee insurance, minimum wage requirements, overtime, etc., and agrees to indemnify, save, and hold the State of Missouri, its officers, agents, and employees, harmless from and against, any and all loss; cost (including attorney fees); and damage of any kind related to such matters.

**3.1.12 Coordination -** The contractor shall fully coordinate all contract activities with those activities of the Department. As the work of the contractor progresses, advice and information on matters covered by the contract shall be made available by the contractor to the Department or the Department throughout the effective period of the contract.

**3.1.13 Order Quantities -** The quantity indicated in this IFB is an estimate that pertains to the total aggregate quantity that may be ordered throughout the stated contract period. The estimate does not indicate single order amounts unless otherwise stated. The Department makes no guarantees about single order quantities or total aggregate order quantities.

- 3.1.14 Substitution of Products - Following award of the contract, no substitution of an awarded item will be permitted except in the case of natural disaster, item discontinuation by the manufacturer or supplier, or the inability of a manufacturer or supplier to ship. The contractor must provide documentation from the manufacturer or supplier to substantiate the occurrence of any of these aforementioned situations.
- a. The contractor shall be obligated to obtain a substitution to replace an awarded item that meets or exceeds the specifications of the item that was originally awarded at no additional cost to the Department. Substitutions must be approved in advance by a formal contract amendment.
  - b. At minimum, samples for substitution will be evaluated for meeting the required specifications and to determine overall acceptability. Other considerations may include packaging and the condition of the packaging materials the samples are contained in. If sample testing indicates that the product does not meet the required specifications, or is found otherwise unacceptable, it will not be considered for substitution.
  - c. The Department reserves the right to allow the contractor to substitute any new item offered by the contractor on all unshipped and future orders if quality is equal to or greater than the item under contract and if the price is equal to or less than the contract price. The Department shall be the final authority as to the acceptability of the proposed substitution.
- 3.1.15 Item Changes - The contractor must **immediately notify** the Department prior to the discontinuation of any item, change in packaging, size, or labeling (i.e. **UPC**) of an awarded item. The contractor must accept orders for items which are to be discontinued for a full thirty (30) days following notice to the Department of such discontinuation.
- a. No changes shall be made on any item awarded to the contractor without written approval by a formal contract amendment. The contractor must submit documentation from the manufacturer or supplier to verify any change.
- 3.1.16 Replacement of Defective/Damaged Product - The contractor shall be responsible for replacing any item received that is defective or in damaged condition at no cost to the Department. This includes all shipping costs for returning damaged or defective items to the contractor for replacement.
- 3.1.17 Delivery Performance - The contractor and/or the contractor's subcontractor(s) shall deliver products in accordance with the contracted delivery requirements stated herein to the Department.
- a. Delays in Delivery Performance - If at any time the contractor should encounter conditions impeding delivery of an awarded item(s), the contractor shall immediately notify the Department's Purchasing Section in writing of the fact of delay, its likely duration, and its cause(s). As soon as practical after the receipt of the contractor's notice, the Department shall evaluate the situation and may, at its sole discretion, extend the contractor's time for delivery.
  - b. A delay by the contractor in the performance of its delivery obligations shall render the contractor liable for additional costs incurred by the Department to obtain product from other sources unless an extension of time is agreed upon pursuant to 3.1.17 a.
- 3.1.18 Item Selection and Sales Performance - The selection of allowable items to be sold in the offender canteens is decided upon by a committee. If at any time during the contract period the committee decides to remove an awarded item(s) from the allowable list, the Department shall have the right to cancel that item(s) from the contract. All other specifications, terms and conditions of the contract, including the pricing on all non-affected awarded items shall remain the same.
- a. The purpose of items selected for resale is to maximize sales potential for the benefit of the offender Canteen Fund. Therefore, if an item shows an overall trend of a decrease in sales volume, the Department reserves the right to discontinue that item without penalty.

- b. Full cases of any cancelled or discontinued item(s) will be returned for full credit at no cost to the Department.
- 3.1.19 Contractor Sample Assurance - The contractor shall agree that product provided under contract shall conform to all mandatory specifications, terms, conditions and requirements stated herein. Furthermore, if the product has been sample-tested, the contractor shall agree that the same product submitted for sample-testing and which passed sample-testing shall be provided to the Department for the duration of the contract. No substitutions of product shall be made without the prior written approval of the Department. Only substitutes that are equivalent or better than the product(s) originally contracted for, and equal to or less in price, shall be considered for approval.
- 3.1.20 Property of State - All documents, data, reports, supplies, equipment, and accomplishments prepared, furnished, or completed by the contractor pursuant to the terms of the contract shall become the property of the State of Missouri. Upon expiration, termination, or cancellation of the contract, said items shall become the property of the State of Missouri.
- 3.1.21 Confidentiality:
- a. The contractor shall agree and understand that all discussions with the contractor and all information gained by the contractor as a result of the contractor's performance under the contract shall be confidential and that no reports, documentation, or material prepared as required by the contract shall be released to the public without the prior written consent of the Department.
  - b. If required by the Department, the contractor and any required contractor personnel must sign specific documents regarding confidentiality, security, or other similar documents upon request. Failure of the contractor and any required personnel to sign such documents shall be considered a breach of contract and subject to the cancellation provisions of this document.
- 3.1.22 Point of Contact - The contractor shall function as the single point of contact for all contract activities regardless of any subcontract arrangement for any product or service. This shall include assuming responsibilities and liabilities for any and all problems relating to all materials, equipment and services provided.
- 3.2 Economic Adjustment Clause:**
- 3.2.1 In the event that the contractor's cost for the items covered in this IFB and resulting contract should increase more than 5% during the period of time in which the contract is in effect, the contractor may, upon submission of written proof of such increase and approval by the Department, be entitled to an adjustment in price accomplished by a formal contract amendment signed and approved by and between the duly authorized representative of the contractor and the Department. All prices shall remain firm for the first six (6) months of this contract.
- 3.2.2 Whenever possible, the contractor must submit a written request for price increases thirty (30) days prior to the effective date of increase to the Department's Purchasing Section. **Requests and documentation must be submitted via US Mail.** If the manufacturer provides a percentage increase, the claim for such adjustment must include a certification from the manufacturer or supplier verifying the contractor's cost at the time of the bid award, the new cost, and the effective date of the increase. If the manufacturer provides an actual dollar amount of increase, the claim for such adjustment must include a certification from the manufacturer or supplier verifying the increase and the effective date of the increase. Supporting documentation must clearly establish the increase is to all customers and not to the Department or this contract alone. Supporting documentation will be returned to the contractor once the Department's Purchasing Section has verified its validity and shall not become part of the contract record.
- 3.2.3 The increase will be allowed only on the cost of the item(s) to the contractor. No increase or change in the contractor's overhead, transportation costs, profit or other factors will be approved. The Department reserves the right to ask for invoices, published price lists, or any other evidence establishing the contractor's costs to support the increase. Failure to supply any requested documentation will be grounds to deny adjustment in price.

- 3.2.4 After receipt of the required documentation, and in the event a price change is authorized thereafter, no additional adjustments will be allowed for a term of six (6) months.
- 3.2.5 The Department further reserves the right to reject any proposed price increase, cancel the item(s) from the contract, and re-bid the item(s) if determined to be in the best interest of the Department.
- 3.2.6 The contractor shall neither delay nor stop deliveries pending price changes.
- 3.2.7 If a price increase is allowed through a formal contract amendment, no price increase shall be billed to the Department before the effective date of the increase. Billed price changes will only be accepted for payment on purchase orders dated *on or after* the effective price change date. Purchase orders dated *prior* to the effective price change date shall be billed at the contract price in existence before the amended price change regardless of when delivery is accepted.
- 3.2.8 In the event the contractor's costs should decrease by more than 5% during the period of time that the contract is in effect, the contractor shall pass any manufacturer's price decrease to the Department and such decreases shall become effective immediately upon notification by the contractor of the amount of the decrease. The contractor shall notify the Department of any such decrease.

**END OF SECTION THREE: GENERAL CONTRACTUAL REQUIREMENTS**

#### 4. BID SUBMISSION, EVALUATION AND AWARD INFORMATION

##### 4.1 Submission of Bids:

4.1.1 The bidder should include the original bid, completed exhibits, forms, and other information concerning the bid, including completed Pricing Page(s), with the bid.

- a. Bids must be signed and returned with all necessary attachments to the Purchasing Section by the bid date and time as stated on the first page of this IFB. Specifically, **any** form containing a signature line such as page 1 of the original IFB and any amendments thereafter, **Exhibit A, Pricing Page**, etc., shall be manually signed and returned as part of the bid.
- b. Recycled Products - The Department recognizes the limited nature of our resources and the leadership role of government agencies in regard to the environment. Accordingly, the bidder is requested to print the bid double-sided using recycled paper, if possible, and minimize or eliminate the use of non-recyclable materials such as plastic report covers, plastic dividers, vinyl sleeves, and binding. Lengthy bids may be submitted in a notebook or binder.

4.1.2 Submission of Samples – If requested, bidders must submit one (1) sample of the product bid.

- a. It is requested that bidders do not submit more than one sample. Samples should be sent in a separate package from the bid. Samples must be received no later than five (5) calendar days after the bid opening. Do not include a copy of **Exhibit A, Pricing Page** with the samples.
- b. At a minimum, sample products will be evaluated for meeting the required specifications as outlined herein to determine overall acceptability. Other considerations may include packaging and the condition of the packaging materials the sample products are contained in. If sample testing indicates that a sample product does not meet the required specifications or is found otherwise unacceptable, the award for that sample product shall not be made.
- c. The sample product(s) submitted must be the exact item bid, and it must conform to the mandatory IFB specifications. If awarded a contract, the bidder hereby agrees that the product provided under contract shall be the same as submitted for sample testing for the duration of the contract.
  - (1) All sample products must be of the brand name and finished packaging that the bidder is bidding and meet the labeling requirements for resale as defined herein. Special run or mock-up samples will not be accepted.
- d. All sample products submitted should be clearly labeled with the bidder's company name, contact name, **Exhibit A, Pricing Page** item number and IFB number.
- e. The sample of the awarded item will not be returned. Non-awarded samples not destroyed in testing shall be returned to the bidder at the bidder's request and expense. Bidders should submit their request to the Buyer of Record stated on the first page of this IFB within ten (10) days after the official bid opening. The request should include the bid name and number and the item(s) to be returned. A call tag must accompany the request. Samples not returned are donated to charity.

4.1.3 Open Records – Pursuant to section 610.021, RSMo, the bid shall be considered an open record after the contract is awarded. Therefore, the bidder is advised not to include any information that the bidder does not want to be viewed by the public, including personal identifying information such as social security numbers.

- a. In preparing a bid, the bidder should be mindful of document preparation efforts for imaging purposes and storage capacity that will be required to image the bids and should limit bid content to items that provide substance, quality of content, and clarity of information.

- b. Additionally, after a contract is executed, the contract(s) is scanned into the Department's imaging system. The scanned information will be available for viewing through the Internet at <http://doc.mo.gov/DHS/Contracts.php>.

4.1.4 Contact – Any and all communication from bidders regarding specifications, requirements, competitive bid process, etc. related to the bid document must be referred to the Buyer of Record identified on the first page of this document. Such communication should be received at least ten calendar days prior to the official bid opening date.

4.1.5 Compliance with Terms and Conditions – The bidder is cautioned when submitting pre-printed terms and conditions or other type material to make sure such documents do not contain other terms and conditions which conflict with those of the IFB and its contractual requirements. The bidder agrees that in the event of conflict between any of the bidder's terms and conditions and those contained in the IFB that the IFB shall govern. Taking exception to the Department's terms and conditions may render a bidder's bid non responsive and remove it from consideration for award.

#### 4.2 Evaluation and Award Process:

4.2.1 After determining that a bid satisfies the mandatory requirements stated in the IFB, the evaluator shall use objective analysis in conducting a comparative assessment of the bid(s). The contract shall be awarded to the lowest and best bidder.

4.2.2 Open Competition – With the exception of the brand Geneva Advance, any manufacturer's name, trade names, brand names, information and/or catalog numbers listed in a specification and/or requirement are for informational purposes only and are not intended to limit competition.

- a. The bidder may offer any brand of product that meets or exceeds the specifications. In addition to identifying the manufacturer's name and model number, the bidder must explain in detail how their product meets or exceed the specifications. Bids which do not comply with the requirement and the specifications are subject to rejection without clarification.

#### 4.3 Evaluation of Cost:

4.3.1 Pricing - The bidder must submit firm fixed pricing for the line item bidding on **Exhibit A, Pricing Page**. All pricing shall be quoted FOB Destination Freight Prepaid and Allowed.

- a. The bidder should complete the "Terms" and the "Bidder's Acceptance of the State Purchasing Card" sections on **Exhibit A, Pricing Page**.

4.3.2 Cost Evaluation - The objective evaluation of cost shall be based on the firm fixed pricing stated on **Exhibit A, Pricing Page** for each potential contract period. The evaluation shall include the original contract period plus the renewal periods. The estimated quantity shall be taken into consideration to compute the total price for the original contract period and renewal periods for each line item.

- a. For evaluation purposes only, the individual cost for the item will be calculated by dividing the firm fixed case price for the line item stated on **Exhibit A, Pricing Page** by the number of individual items per case to arrive at the individual item cost. The initial contract period cost for the line item will be calculated by multiplying the individual cost per item by the estimated quantity for the line item.
- b. A cost for each renewal period will be calculated in the same manner as indicated in paragraph 4.3.2 a. The total cost of the initial contract period and each renewal period for the line item will be added together to arrive at the total bid price for the line item.
- c. Cost evaluation points shall be determined from the result of the calculation stated above using the following formula:

<u>Lowest Responsive Bidder's Price</u> Compared Bidder's Price	x	Maximum Cost Evaluation Points (100)	=	Assigned Cost Points
--	---	---	---	-------------------------

- d. The bidder shall agree and understand that the quantities used in the evaluation of cost are provided solely to document how cost will be evaluated. The Department makes no guarantee regarding the accuracy of the quantities stated nor does the Department intend to imply that the figures used for the cost evaluation in any way reflect neither actual nor anticipated usage.

#### 4.4 Organizations for the Blind and Sheltered Workshop Preferences:

- 4.4.1 Pursuant to section 34.165, RSMo, and 1 CSR 40-1.050, a ten (10) bonus point preference shall be granted to bidders including products and/or services manufactured, produced or assembled by a qualified nonprofit organization for the blind established pursuant to 41 U.S.C. sections 46 to 48c or a sheltered workshop holding a certificate of approval from the Department of Elementary and Secondary Education pursuant to section 178.920, RSMo.
- 4.4.2 In order to qualify for the ten bonus points, the following conditions must be met and the following evidence must be provided:
- a. The bidder must either be an organization for the blind or sheltered workshop or must be proposing to utilize an organization for the blind/sheltered workshop as a subcontractor and/or supplier in an amount that must equal the greater of \$5,000 or 2% of the total dollar value of the contract for purchases not exceeding \$10 million.
  - b. The services performed or the products provided by an organization for the blind or sheltered workshop must provide a commercially useful function related to the delivery of the contractually-required service/product in a manner that will constitute an added value to the contract and shall be performed/provided exclusive to the performance of the contract. Therefore, if the services performed or the products provided by the organization for the blind or sheltered workshop is utilized, to any extent, in the bidder's obligations outside of the contract, it shall not be considered a valid added value to the contract and shall not qualify as participation in accordance with this clause.
  - c. If the bidder is proposing participation by an organization for the blind or sheltered workshop, in order to receive evaluation consideration for participation by the organization for the blind or sheltered workshop, the bidder must provide the following information with the bid:

4.5.1 Pursuant to section 34.074, RSMo, and 1 CSR 40-1.050, the Department has a goal of awarding three (3) percent of all contracts for the performance of any job or service to qualified service-disabled veteran business enterprises (SDVEs). A three (3) point bonus preference shall be granted to bidders including products and/or services manufactured, produced or assembled by a qualified SDVE.

- a. In order to qualify for the three bonus points, the following conditions must be met and the following evidence must be provided:
  - 1) The bidder must either be an SDVE or must be proposing to utilize an SDVE as a subcontractor and/or supplier that provides at least three percent (3%) of the total contract value.
  - 2) The services performed or the products provided by the SDVE must provide a commercially useful function related to the delivery of the contractually-required service/product in a manner that will constitute an added value to the contract and shall be performed/provided exclusive to the performance of the contract. Therefore, if the services performed or the products provided by the SDVE are utilized, to any extent, in the bidder's obligations outside of the contract, it shall not be considered a valid added value to the contract and shall not qualify as participation in accordance with this clause.
  - 3) In order to receive evaluation consideration for participation by the SDVE, the bidder must provide the following information with the bid:
    - ✓ Participation Commitment - The bidder must complete **Exhibit B**, Participation Commitment, by identifying each proposed SDVE, the committed percentage of participation for each SDVE, and the commercially useful products/services to be provided by the listed SDVE. If the bidder submitting the bid is a qualified SDVE, the bidder must be listed in the appropriate table on the Participation Commitment Form.
    - ✓ Documentation of Intent to Participate – The bidder must either provide a properly completed **Exhibit C**, Documentation of Intent to Participate Form, signed and dated no earlier than the IFB issuance date by each SDVE or must provide a recently dated letter of intent signed and dated no earlier than the IFB issuance date by the SDVE which: (1) must describe the products/services the SDVE will provide and (2) must include the SDV Documents described below as evidence that the SDVE is qualified, as defined herein.
    - ✓ Service-Disabled Veteran (SDV) Documents - If a participating organization is an SDVE, unless previously submitted within the past five (5) years to the DEPARTMENT or to the

Office of Administration, Division of Purchasing and Materials Management, the bidder **must** provide the following Service-Disabled Veteran (SDV) documents:

- a copy of the SDV's award letter from the Department of Veterans Affairs or a copy of the SDV's discharge paper (DD Form 214, Certificate of Release or Discharge from Active Duty); and
- a copy of the SDV's documentation certifying disability by the appropriate federal agency responsible for the administration of veterans' affairs.

NOTE: If the bidder submitting the bid is a qualified SDVE, the bidder must include the SDV Documents as evidence that the bidder qualifies as an SDVE. However, the bidder is not required to complete **Exhibit C, Documentation of Intent to Participate Form** or provide a recently dated letter of intent.

- b. Commitment – If awarded a contract, the SDVE participation committed to by the bidder on **Exhibit B, Participation Commitment** shall be interpreted as a contractual requirement.
- c. Definition - Qualified SDVE:
  - 1) SDVE is doing business as a Missouri firm, corporation or individual, or maintaining a Missouri office or place of business, not including an office of a registered agent;
  - 2) SDVE has not less than fifty-one percent (51%) of the business owned by one (1) or more service-disabled veterans (SDVs) or, in the case of any publicly-owned business, not less than fifty-one percent (51%) of the stock of which is owned by one (1) or more SDVs;
  - 3) SDVE has the management and daily business operations controlled by one (1) or more SDVs;

4.5.2 Bid Detail Requirements and Deviations - The bidder is cautioned when submitting pre-printed terms and conditions or other type material to make sure such documents do not contain other terms and conditions which conflict with those of the IFB and its contractual requirements. The bidder agrees that in the event of conflict between any of the bidder's terms and conditions and those contained in the IFB the IFB shall govern. Taking exception to the Department's terms and conditions may render a bidder's bid non responsive and remove it from consideration for award.

4.5.3 Preprinted Marketing Materials - The bidder may submit preprinted marketing materials with the bid; however, the bidder is advised that such brochures normally do not address the needs of the evaluators with respect to the technical evaluation process and the specific responses which have been requested of the bidder. The bidder is strongly discouraged from relying on such materials in presenting products and services for consideration by the Department.

- a. It is the bidder's responsibility to provide detailed information about how the item bid meets the specifications presented herein. If preprinted marketing materials do not specifically address each specification, the bidder should provide detailed information to assure that the product meets the Department's mandatory requirements. In the event this information is not submitted with the bid, the Buyer of Record may, but is not required to, seek written clarification from the bidder to provide assurance that the product bid meets specifications.

**4.6 Determination for Award:**

- 4.6.1 Only one award shall be made for the line item. The Department reserves the right to award to the bidder whose bid complies with all mandatory specifications and requirements and is the lowest and best bidder for the item.
- 4.6.2 Award shall be made to the bidder whose item meets specifications and who is the lowest responsive bidder. Other factors that affect the determination of the lowest priced responsive bidder include consideration of the Organization for the Blind/Sheltered Workshop and the Missouri Service-Disabled Veteran Business Preferences explained in the paragraphs that follow.
- 4.6.3 Determination of Lowest Priced Bidder including Consideration of Preferences - After completing the cost evaluation and determining preference bonus points, the bidder with the most points is considered the lowest bidder. Total points shall be computed for the total evaluated bid price as follows:

$$\text{Total Assigned Cost Points} + \text{earned preference points} = \text{Total Points}$$

- a. NOTE: The prompt payment discount terms on contracts will not be used in any cost calculation.

- 4.6.4 The Department reserves the right to reject any bid which is determined unacceptable for reasons which may include but are not necessarily limited to: 1) failure of the bidder to meet mandatory general performance specifications; and/or 2) failure of the bidder to meet mandatory technical specifications; and/or, 3) receipt of any information, from any source, regarding delivery of unsatisfactory product or service by the bidder within the past three years. As deemed in its best interests, the Department reserves the right to clarify any and all portions of any bidder's offer.

**4.7 Other Bid Submission Requirements:**

- 4.7.1 Business Compliance - The bidder must be in compliance with the laws regarding conducting business in the State of Missouri. - d. The Department monitors all procurement activities to detect any possibility of deliberate restraint of competition, collusion among bidders, price-fixing by bidders, or any other anticompetitive conduct by bidders which appears to violate state and federal antitrust laws. - f. Bidders must sign and return the IFB cover page or, if applicable, the cover page of the last amendment thereto in order to constitute acceptance by the bidder of all the IFB terms and conditions. - d. Awards shall be made to the bidder(s) whose bid (1) complies with all mandatory specifications and requirements of the IFB and (2) is the lowest and best bid, considering price, responsibility of the bidder, and all other evaluation criteria specified in the IFB and (3) complies with sections 34.010 and 34.070 RSMo and Executive Order 04-09.

- e. In the event all bidders fail to meet the same mandatory requirement in an IFB, the Department reserves the right, at its sole discretion, to waive that requirement for all bidders and to proceed with the evaluation. - g. When evaluating a bid, the Department reserves the right to consider relevant information and fact, whether gained from a bid, from a bidder, from a bidder's references, or from any other source.
- h. Any information submitted with the bid, regardless of the format or placement of such information, may be considered in making decisions related to the responsiveness and merit of a bid and the award of a contract.
- i. Any award of a contract shall be made by notification from the Department to the successful bidder. The Department reserves the right to make awards by item, group of items, or an all or none basis. The grouping of items awarded shall be determined by the Department based upon factors such as item similarity, location, administrative efficiency, or other considerations in the best interest of the State of Missouri.
- j. All bids and associated documentation submitted on or before the official opening date and time will be considered open records pursuant to section 610.021 RSMo.
- k. The Department maintains records of all bid file material for review. Bidders who include an e-mail address with their bid will be notified of the award results via e-mail if requested.
- l. The Department reserves the right to request clarification of any portion of the bidder's response in order to verify the intent of the bidder. The bidder is cautioned, however, that its response may be subject to acceptance or rejection without further clarification.
- m. Any bid award protest must be received within ten (10) business days after the date of award in accordance with the requirements of 1 CSR 40-1.050 (9).
- n. The final determination of contract award(s) shall be made by the Department.

#### 10. CONTRACT/PURCHASE ORDER

- a. By submitting a bid, the bidder agrees to furnish any and all equipment, supplies and/or services specified in the IFB, at the prices quoted, pursuant to all requirements and specifications contained therein.
- b. A binding contract shall consist of: (1) the IFB and any amendments thereto, (2) the contractor's response (bid) to the IFB, (3) clarification of the bid, if any, and (4) the Department's acceptance of the response (bid) by "notice of award" or by "purchase order." All Exhibits and Attachments included in the IFB shall be incorporated into the contract by reference.
- c. A notice of award issued by the Department does not constitute an authorization for shipment of equipment or supplies or a directive to proceed with services. Before providing equipment, supplies and/or services for the Department, the contractor must receive a properly authorized purchase order or other form of authorization given to the contractor at the discretion of the Department.
- d. The contract expresses the complete agreement of the parties and performance shall be governed solely by the specifications and requirements contained therein. Any change to the contract, whether by modification and/or supplementation, must be accomplished by a formal contract amendment signed and approved by and between the duly authorized representative of the contractor and the Department prior to the effective date of such modification. The contractor expressly and explicitly understands and agrees that no other method and/or no other document, including correspondence, acts, and oral communications by or from any person, shall be used or construed as an amendment or modification to the contract.

#### 11. INVOICING AND PAYMENT

- a. The State of Missouri does not pay state or federal taxes unless otherwise required under law or regulation.
- b. For each purchase order received, an invoice must be submitted that references the purchase order number and must be itemized in accordance with items listed on the purchase order. Failure to comply with this requirement may delay processing of invoices for payment.
- c. Payment for all equipment, supplies, and/or services required herein shall be made in arrears unless otherwise indicated in the IFB.
- d. The Department assumes no obligation for equipment, supplies, and/or services shipped or provided in excess of the quantity ordered. Any unauthorized quantity is subject to the Department's rejection and shall be returned to the contractor at the contractor's expense.
- e. All invoices for equipment, supplies, and/or services purchased by the Department shall be subject to late payment charges as provided in section 34.055 RSMo.
- f. The Department reserves the right to purchase goods and services using the state purchasing card.

#### 12. DELIVERY

- a. Time is of the essence. Deliveries of equipment, supplies, and/or services must be made no later than the time stated in the contract or within a reasonable period of time if a specific time is not stated.
- b. A Missouri Uniformed Law Enforcement System (MULES) background check may be required on the contractor's delivery driver prior to allowing a delivery vehicle entrance to certain institutions. A valid Missouri driver's license is required from the driver to perform the MULES background check. If the driver does not have a valid Missouri driver's license, their social security number

and date of birth are required. If a driver or carrier refuses to provide the appropriate information to conduct a MULES background check, or if information received from the background check prohibits the driver or carrier from entering the institution, the delivery will be refused. Additional delivery costs associated with re-deliveries or contracting with another carrier for delivery shall be the responsibility of the contractor.

- c. Unless a pallet exchange is requested at the time of delivery, all pallets used in the delivery of equipment and supplies shall become property of the Department.

### 13. INSPECTION AND ACCEPTANCE

- a. No equipment, supplies, and/or services received by the Department pursuant to a contract shall be deemed accepted until the Department has had reasonable opportunity to inspect said equipment, supplies, and/or services.
- b. All equipment, supplies, and/or services which do not comply with the specifications and/or requirements, or which are otherwise unacceptable or defective, may be rejected. In addition, all equipment, supplies, and/or services which are discovered to be defective, or which do not conform to any warranty of the contractor upon inspection (or at any later time if the defects contained were not reasonably ascertainable upon the initial inspection), may be rejected.
- c. The Department reserves the right to return any such rejected shipment at the contractor's expense for full credit or replacement and to specify a reasonable date by which replacements must be received.
- d. The Department's right to reject any unacceptable equipment, supplies, and/or services shall not exclude any other legal, equitable or contractual remedies the state may have.

### 14. WARRANTY

- a. The contractor expressly warrants that all equipment, supplies, and/or services provided shall: (1) conform to each and every specification, drawing, sample or other description which was furnished to or adopted by the Department, (2) be fit and sufficient for the purpose expressed in the IFB, (3) be merchantable, (4) be of good materials and workmanship, and (5) be free from defect.
- b. Such warranty shall survive delivery and shall not be deemed waived either by reason of the Department's acceptance of or payment for said equipment, supplies, and/or services.

### 15. CONFLICT OF INTEREST

- a. Elected or appointed officials or employees of the State of Missouri or any political subdivision thereof, serving in an executive or administrative capacity, must comply with sections 105.452 and 105.454 RSMo regarding conflict of interest.
- b. The contractor hereby covenants that at the time of the submission of the bid the contractor has no other contractual relationships which would create any actual or perceived conflict of interest. The contractor further agrees that during the term of the contract neither the contractor nor any of its employees shall acquire any other contractual relationships which create such a conflict.

### 16. CONTRACTOR STATUS

- a. The contractor represents itself to be an independent contractor offering such services to the general public and shall not represent itself to be an employee of the State of Missouri. Therefore, the contractor shall assume all legal and financial responsibility for taxes, FICA, employee fringe benefits, workers compensation, employee insurance, minimum wage requirements, overtime, etc., and agrees to indemnify, save, and hold the State of Missouri, its officers, agents, and employees, harmless from and against, any and all loss, costs (including attorney fees), and damage of any kind related to such matters.

### 17. REMEDIES AND RIGHTS

- a. No provision in the contract shall be construed, expressly or implied, as a waiver by the Department of any existing or future right and/or remedy available by law in the event of any claim by the Department of the contractor's default or breach of contract.
- b. The contractor agrees and understands that the contract shall constitute an assignment by the contractor to the Department of all rights, title and interest in and to all causes of action that the contractor may have under the antitrust laws of the United States or the Department for which causes of action have accrued or will accrue as the result of or in relation to the particular equipment, supplies, and/or services purchased or procured by the contractor in the fulfillment of the contract with the Department.

### 18. SEVERABILITY

- a. If any provision of this contract or the application thereof is held invalid, the invalidity shall not affect other provisions or applications of this contract which can be given effect without the invalid provisions or application, and to this end the provisions of this contract are declared to be severable.

**19. CANCELLATION OF CONTRACT**

- a. In the event of material breach of the contractual obligations by the contractor, the Department may cancel the contract. At its sole discretion, the Department may give the contractor an opportunity to cure the breach or to explain how the breach will be cured. The actual cure must be completed within no more than ten (10) working days from notification, or at a minimum, the contractor must provide the Department within ten (10) working days from notification a written plan detailing how the contractor intends to cure the breach.
- b. If the contractor fails to cure the breach, or if circumstances demand immediate action, the Department will issue a notice of cancellation terminating the contract immediately. If it is determined the Department improperly cancelled the contract, such cancellation shall serve as notice of termination for convenience in accordance with the contract.
- c. If the Department cancels the contract for breach, the Department reserves the right to obtain the equipment, supplies, and/or services to be provided pursuant to the contract from other sources and upon such terms and in such manner as the Department deems appropriate and charge the contractor for any additional costs incurred thereby.
- d. The contractor understands and agrees that if the funds required to fund the contract are appropriated by the General Assembly of the State of Missouri, the contract shall not be binding upon the Department for any contract period in which funds have not been appropriated, and the Department shall not be liable for any costs associated with termination caused by lack of appropriations.
- e. If the Department has reasonable cause to believe that the contractor has knowingly employed individuals who are not eligible to work in the United States in violation of federal law, the Department shall declare a breach and cancel the contract immediately without incurring any penalty.

**20. TERMINATION OF CONTRACT**

- a. The Department reserves the right to terminate the contract at any time for the convenience of the Department, without penalty or recourse, by giving notice to the contractor at least thirty (30) calendar days prior to the effective date of such termination. The contractor shall be entitled to receive just and equitable compensation for services and/or supplies or equipment delivered to and accepted by the Department pursuant to the contract prior to the effective date of termination.

**21. ASSIGNMENT OF CONTRACT**

- a. The contractor shall neither assign nor transfer any of the rights, interests, or obligations of the contract without the prior written consent of the Department.

**22. COMMUNICATIONS AND NOTICES**

- a. Any notice to the contractor shall be deemed sufficient when e-mailed to the contractor at the e-mail address indicated in the contract, or transmitted by facsimile to the facsimile number indicated in the contract, or deposited in the United States mail, postage prepaid, and addressed to the contractor at the address indicated in the contract, or hand-carried and presented to an authorized employee of the contractor.
- b. If the contractor desires to receive written notices at a different e-mail address, facsimile number, or USPS address than what is indicated in the contract, the contractor must submit this request in writing upon notice of award.

**23. FORCE MAJEURE**

- a. The contractor shall not be liable for any excess costs for delayed delivery of goods or services to the Department if the failure to perform the contract arises out of causes beyond the control of, and without the fault or negligence of, the contractor. Such causes may include, however are not restricted to: acts of God, fires, floods, epidemics, quarantine restrictions, strikes, and freight embargoes. In all cases, the failure to perform must be beyond the control of, and without the fault or negligence of, either the contractor or any subcontractor(s). The contractor shall take all possible steps to recover from any such occurrences.

**24. CONTRACT EXTENSION**

- a. In the event of an extended re-procurement effort and the contract's available renewal options have been exhausted, the Department reserves the right to extend the contract. If exercised, the extension shall be for a period of time as mutually agreed to by the Department and the contractor at the same terms, conditions, provisions, and pricing in order to complete the procurement process and transition to a new contract.

**25. INSURANCE**

- a. The State of Missouri cannot save and hold harmless and/or indemnify the contractor or its employees against any liability incurred or arising as a result of any activity of the contractor or the contractor's employees related to the contractor's performance under the contract. Therefore, the contractor must acquire and maintain adequate liability insurance in the form(s) and amount(s) sufficient to

protect the State of Missouri, its agencies, its employees, its clients, and the general public against any such loss, damage, and/or expense related to his/her performance under the contract.

## **26. BANKRUPTCY OR INSOLVENCY**

- a. Upon filing for any bankruptcy or insolvency proceeding by or against the contractor, whether voluntary or involuntary, or upon the appointment of a receiver, trustee, or assignee for the benefit of creditors, the contractor must notify the Department immediately.
- b. Upon learning of any such actions, the Department reserves the right, at its sole discretion, to either cancel the contract or affirm the contract and hold the contractor responsible for damages.

## **27. INVENTIONS, PATENTS AND COPYRIGHTS**

- a. The contractor shall defend, protect, and hold harmless the Department, its officers, agents, and employees against all suits of law or in equity resulting from patent and copyright infringement concerning the contractor's performance or products produced under the terms of the contract.

## **28. CONTRACTOR PROPERTY**

- a. Upon expiration, termination or cancellation of a contract, any contractor property left in the possession of the Department after forty-five (45) calendar days shall become property of the Department.

## **29. NON-DISCRIMINATION AND AFFIRMATIVE ACTION**

- a. In connection with the furnishing of equipment, supplies, and/or services under the contract, the contractor and all subcontractors shall agree not to discriminate against recipients of services or employees or applicants for employment on the basis of race, color, religion, national origin, sex, age, disability, or veteran status unless otherwise provided by law. If the contractor or subcontractor employs at least 50 persons, they shall have and maintain an affirmative action program which shall include:
  1. A written policy statement committing the organization to affirmative action and assigning management responsibilities and procedures for evaluation and dissemination;
  2. The identification of a person designated to handle affirmative action;
  3. The establishment of non-discriminatory selection standards, objective measures to analyze recruitment, an upward mobility system, a wage and salary structure, and standards applicable to layoff, recall, discharge, demotion, and discipline;
  4. The exclusion of discrimination from all collective bargaining agreements; and
  5. Performance of an internal audit of the reporting system to monitor execution and to provide for future planning.
- b. If discrimination by a contractor is found to exist, the Department shall take appropriate enforcement action which may include, but not necessarily be limited to, cancellation of the contract, suspension, or debarment by the Department until corrective action by the contractor is made and ensured, and referral to the Attorney General's Office, whichever enforcement action may be deemed most appropriate.

## **30. AMERICANS WITH DISABILITIES ACT**

- a. In connection with the furnishing of equipment, supplies, and/or services under the contract, the contractor and all subcontractors shall comply with all applicable requirements and provisions of the Americans with Disabilities Act (ADA).

## **31. FILING AND PAYMENT OF TAXES**

- a. The commissioner of administration and other agencies to which the state purchasing law applies shall not contract for goods or services with a vendor if the vendor or an affiliate of the vendor makes sales at retail of tangible personal property or for the purpose of storage, use, or consumption in this state but fails to collect and properly pay the tax as provided in chapter 144, RSMo. For the purposes of this section, "affiliate of the vendor" shall mean any person or entity that is controlled by or is under common control with the vendor, whether through stock ownership or otherwise. Therefore a bidder's failure to maintain compliance with chapter 144, RSMo may eliminate their bid from consideration for award.
