Tim,

In follow up to our prior conversation, Brushy Creek Chicken Chili with White Beans, scheduled to produce on June 3rd, has been postponed due to an issue with the supplier of the chicken. Our purchasing team is diligently working to source an alternative supply, but production of this item will remain suspended until then.

I'll be in touch with updates as soon they become available.

END OF EXHIBIT G

1. INTRODUCTION AND GENERAL INFORMATION

This section of the IFB includes a brief introduction and background information about the intended acquisitions and/or services for which the requirements herein are written. The contents of this section are intended for informational purposes and do not require a response.

1.1 Purpose:

1.1.1 This document constitutes an invitation for competitive, sealed bids from prospective vendors to establish a contract for the purchase of shelf stable entrees, meats, and fish for the Missouri Department of Corrections' (hereinafter referred to as the "Department") for resale in offender canteens at twenty-one (21) correctional institutions, in accordance with the requirements and provisions stated herein.

1.2 General Information:

1.2.1 IFB Questions - It is the vendor's responsibility to ask questions, request changes or clarifications, or otherwise advise the Department if the vendor believes that any language, specifications, or requirements are: (1) ambiguous, (2) contradictory or arbitrary, or both, (3) violate any state or federal law or regulation, (4) restrict or limit the requirements to a single source, or (5) restrict or limit the vendor's ability to submit a bid.

a. Except as may be otherwise stated herein, the vendor and the vendor's agents (including subcontractors, employees, consultants, or anyone else acting on their behalf) must direct all of their questions or comments regarding the IFB, the solicitation process, the evaluation, etc., to the buyer of record indicated on the first page of this IFB. Inappropriate contacts to other personnel are grounds for suspension and/or exclusion from specific procurements. Vendors and their agents who have questions regarding this matter should contact the buyer.

   1) The vendor may contact the Office of Equal Opportunity (OEO) regarding MBE/WBE certification or subcontracting with MBE/WBE companies.

b. All questions and issues should be submitted at least ten (10) calendar days prior to the due date of the bid. If not received prior to ten (10) calendar days before the bid due date, the Department may not be able to fully research and consider the respective questions or issues. Questions and issues relating to the IFB, including questions related to the competitive procurement process, must be directed to the Buyer of Record. It is preferred that questions be e-mailed to the Buyer of Record at Diana.fredrick@doc.mo.gov .

c. The Department will attempt to ensure that a vendor receives an adequate and prompt response to questions, if applicable. Upon the Department's consideration of questions and issues, if the Department determines that changes are necessary, the resulting changes will be included in a subsequently issued IFB amendment(s); absence of such response indicates that the questions and issues were considered but deemed unnecessary for IFB amendment as the questions and issues did not provide further clarity to the IFB. All vendors will be advised of any change to the IFB's language, specifications, or requirements by a formal amendment to the IFB.

NOTE: The only official position of the Department shall be that which is contained in the IFB and any amendments thereto.

1.3 Background Information:

1.3.1 The Department operates offender canteens within the correctional institutions for offenders to purchase approved food, clothing, appliances, and other items. By departmental policy, the selection of items

approved and available for purchase in the canteens is decided upon by committee. The committee is tasked with standardizing an approved list in order to provide uniformity in product and pricing in the canteens. Items on the approved list are competitively bid in order to obtain the best possible pricing for the Department. Once contracted, only contracted items are sold in the canteens.

1.3.2 The estimated population for all correctional institutions is 27,478.

1.3.3 The estimated annual gross sales for line items 1-3 and 8-14 listed on **EXHIBIT A,** Pricing Page is $400,000.00.

1.3.4 Expired and current contracts exist for the items being obtained via this IFB. The contract numbers and expiration dates are as follows. This contract is being established to replace the expired contracts, and the existing contracts when they expire.

CONTRACT NUMBER	CURRENT EXPIRATION DATE
CR979001	EXPIRED
CR979002	October 2, 2019
CR1501501	EXPIRED
CR1501502	October 4, 2019
CR1510301	EXPIRED
CR1519901	EXPIRED

a. Viewing the contract – A copy of the contracts can be viewed and printed by visiting https://doeservices.mo.gov/DHS/Canteen_Resale_Awarded.php . Please reference the contract number shown above.

1.4 General Information:

1.4.1 Terms and Conditions - It is recommended that all vendors review the Terms and Conditions governing this solicitation in its entirety, giving particular emphasis to examining those sections related to:

- Open Competition
- Submission of Bids
- Preparation of Bids
- Evaluation and Award

1.4.2 Funds – Expenditures from general revenue funds are not included in this contract.

1.5 Qualified Products List (QPL):

1.5.1 ***Definitions:***

a. ***Qualified Products List*** ((hereinafter referred to as QPL) - A listing of house brand products or families of house brand products that have successfully completed the formal qualification process (including all specified tests) that examines, tests, and verifies that a specific product meets all the applicable specification requirements.

b. ***Qualified Product:*** A product that has been examined, tested, and listed in, or approved for inclusion in a QPL.

c. ***National Brand***: A manufacturer's brand that is available to the general public regionally or nationally and is not exclusive to one wholesaler or retailer but is available through multiple retail outlets

1) Other states' department of corrections canteens and commissaries are **not** considered as the general public or as retail outlets and **do not** qualify a brand as a national brand.

d. ***House Brand:*** A private brand owned by a wholesaler, supplier, dealer or merchant that bears its own company name or a name it owns exclusively and is generally not available or has limited availability in public retail outlets; or any other brand that does not meet the definition of a national brand.

1.5.2 The intent of a QPL is to establish and standardize the requirements for evidence of a contractor's capability in advance of acquisition, reduce acquisition lead time, reduce test costs by minimizing redundant, long and extensive tests, improve readiness throughout continuous availability of reliable products from viable suppliers, and establish a long-term relationship with the contractor to ensure continuous conformance to requirements and continuous products quality improvements.

a. The Department desires to qualify more house brand products and encourages the submission of samples for consideration and for evaluation as outlined in section 4.3.

1.5.3 Inclusion of a product on a QPL does not relieve the contractor of its contractual obligation to deliver items meeting all specification requirements. It does not guarantee acceptability under a contract. It does not waive any requirements for inspections or for maintaining quality control measures that are satisfactory to the Department, nor does it relieve the original contractor of its contractual obligations to ensure that delivered items comply with all specification requirements.

1.5.4 It is the contractor's responsibility to notify the Department of any change in the qualified product(s) composition, labeling, size, or packaging, etc. Failure to notify the Department of any change may result in the product(s) being removed from the QPL and the contract.

a. If there is any change to the ingredients of a qualified product, the contractor must submit new samples for testing, at no cost to the Department, accompanied by a letter stating the change(s) made to the product. Samples that are deemed unqualified will be removed from the QPL and the contract.

1.5.5 Once a contractor's products are qualified, the contractor must do the following to retain the qualification:

a. Verify that the listed product is still available from the manufacturer, can be produced under the same conditions as originally qualified, and meets the requirements of the current issue specification. This verification must be done at the request of the Department.

b. Periodically submit new test samples if requested by the Department.

c. Agree to requalification testing if required by the Department.

1.5.6 Supplier/manufacturer samples may be submitted for testing to be included for future bidding opportunities. Testing for qualification will require the number of samples as indicated in paragraph 4.3.2 of each item submitted for consideration. Samples will be tested in the same manner as indicated in paragraph 4.3.4.

a. All samples shall be at no cost to the Department and will not be returned.

END OF SECTION ONE: INTRODUCTION AND GENERAL INFORMATION

If the item expresses a Julian date code, the supplier/ manufacturer shall provide the formula to decode the Julian date. In addition, if the Julian date code is not an expiration/freshness date, the supplier/manufacturer shall provide the manufacturer's recommended shelf life in order to determine the expiration/freshness date from the Julian date code. Julian date decoding information must be received **prior** to an award of a contract.

Glass containers are not acceptable and will not be considered for award.

a. Retort pouches shall have notches for easy opening. Items with no notches will not be considered.

b. All items packaged in microwavable cups or trays shall have peelable lidding. Items with non-peelable lidding will not be considered.

c. Food packages shall be in good condition and protect the integrity of the contents so that the food is not exposed to adulteration or potential contaminants. Boxes or containers, as applicable, should be selected to the extent necessary to provide protection from physical and environmental damage during shipping and handling. Cushioning materials shall be applied, as required, to protect and to restrict movement of the item(s).

2.3 Minimum Orders:

2.3.1 There shall be no minimum order requirements, other than the smallest unit of order (case).

2.4 Substitution of Product or Item Changes:

2.4.1 Following award of the contract, no substitution of an awarded item will be permitted except in the case of natural disaster, item discontinuation by the manufacturer or supplier, or the inability of a manufacturer or supplier to ship. The contractor must provide documentation from the manufacturer or supplier to substantiate the occurrence of any of these aforementioned situations.

2.4.2 The contractor shall be obligated to obtain a substitution to replace an awarded item that meets or exceeds the specifications of the item that was originally awarded at no additional cost to the Department. Substitutions must be approved in advance by a formal contract amendment.

a. In order for a non-qualified product to be considered for substitution, the contractor must submit samples for testing in accordance with section 4.3 of the contract. Testing, as indicated in paragraph 4.3.4 of the contract, will be conducted on all samples for substitution submitted for consideration. National brands do not require testing.

b. Special run or mock-up items will not be accepted for substitution.

2.4.3 The Department reserves the right to allow the contractor to substitute any new item offered by the contractor on all unshipped and future orders if quality is equal to or greater than the item under contract and if the price is equal to or less than the contract price. The Department shall be the final authority as to the acceptability of the proposed substitution.

2.4.4 Item Changes: The contractor must **immediately notify** the Department prior to the discontinuation of any item, change in packaging, size, or labeling (i.e. **UPC**) of an awarded item. Whenever possible, the

contractor must accept orders for items which are to be discontinued for a full thirty (30) days following notice to the Department of such discontinuation.

Any additional cost for delay or redelivery shall be the responsibility of the contractor.

2.5.4 Delays in Delivery Performance: If at any time the contractor should encounter conditions impeding delivery of the awarded item, the contractor shall immediately notify the Department's Purchasing Section in writing of the fact of delay, its likely duration, and its cause(s). As soon as practical after the receipt of the contractor's notice, the Department shall evaluate the situation and may, at its sole discretion, extend the contractor's time for delivery.

a. A delay by the contractor in the performance of its delivery obligations shall render the contractor liable for additional costs incurred by the Department to obtain product from other sources unless an extension of time is agreed upon pursuant to 2.5.4.

2.6 Invoicing and Payment Terms:

2.6.1 The contractor shall accurately invoice per the firm fixed price indicated on **EXHIBIT A,** Pricing Page, for each line item awarded and shall issue one invoice per order.

2.6.3 Each invoice submitted must be specific to one purchase order number. The purchase order number must be referenced on the invoice and the invoice must be itemized in accordance with the item listed on the purchase order. Failure to comply with this requirement may delay processing of invoices for payment. Emailed invoices should contain the purchase order number in the subject line.

2.6.4 If the state purchasing card is used for payment, an itemized invoice reflecting the charged amount must be faxed or emailed to the ordering institution within one business day. The state purchasing card shall not be charged until all goods have been received and accepted.

2.6.8 The contractor shall understand and agree the Department reserves the right to make contract payments to the contractor through Electronic Funds Transfer (EFT). Each contractor invoice must be on the contractor's original descriptive business invoice form and must contain a unique invoice number. The invoice number will be listed on the state's EFT addendum record to enable the contractor to properly apply state payments to invoices. The contractor must comply with all other invoicing requirements stated in the IFB.

2.6.9 The Department may choose to use the state purchasing card (Visa) in place of a purchase order to make purchases under this contract. Unless exception to this condition is indicated on **EXHIBIT A,** Pricing Page, the contractor agrees to accept the purchasing card as an acceptable form of payment and may not charge any additional fees related to the use of a purchasing card such as service fees, merchant fees, and/or handling charges. **The state purchasing card shall not be charged until items are delivered, inspected, and accepted.**

2.6.10 The Department does not pay state or federal sales tax. The Department shall not make additional payments or pay add-on charges.

END OF SECTION TWO: PERFORMANCE REQUIREMENTS

3. GENERAL CONTRACTUAL REQUIREMENTS

This section of the IFB includes the general contractual requirements and provisions that shall govern the contract after IFB award. The contents of this section include mandatory provisions that must be adhered to by the state and the contractor unless changed by a contract amendment. Response to this section by the vendor is not necessary as all provisions are mandatory.

3.1 Contractual Requirements:

3.1.1 Contract - A binding contract shall consist of: (1) the IFB and any addendums thereto, (2) the contractor's response (bid) to the IFB, (3) clarification of the bid, if any, and (4) the Department's acceptance of the response (bid) by "Notice of Award". All Exhibits and Attachments included in the IFB shall be incorporated into the contract by reference.

a. A Notice of Award issued by the Department does not constitute an authorization for shipment of equipment or supplies or a directive to proceed with services. Before providing equipment, supplies and/or services for the Department, the contractor must receive a properly authorized purchase order or other form of authorization given to the contractor at the discretion of the Department.

b. The contract expresses the complete agreement of the parties and performance shall be governed solely by the specifications and requirements contained therein.

c. Any change to the contract, whether by modification and/or supplementation, must be accomplished by a formal contract amendment signed and approved by and between the duly authorized representative of the contractor and the Department prior to the effective date of such modification. The contractor expressly and explicitly understands and agrees that no other method and/or no other document, including correspondence, acts, and oral communications by or from any person, shall be used or construed as an amendment or modification to the contract.

3.1.2 Contract Period - The original contract period shall be as stated on page one of the Invitation for Bid (IFB). The contract shall not bind, nor purport to bind, the Department for any contractual commitment in excess of the original contract period. The Department shall have the right, at its sole option, to renew the contract for three (3) additional twelve (12) month periods or any portion thereof. In the event the Department exercises such right, all terms and conditions, requirements, and specifications of the contract shall remain the same and apply during the renewal period pursuant to applicable option clauses of this document.

3.1.3 Renewal Periods - If the Department exercises its option for renewal, the contractor shall agree that the price for the renewal period shall not exceed the maximum percentage increase quoted for the applicable renewal period as stated on **EXHIBIT A,** Pricing Page, of the contract.

a. If a renewal percentage is not provided, then the price during the renewal period shall be the same as during the original contract period.

b. The Department does not automatically exercise its option for renewal based upon the renewal percentage and reserves the right to offer or to request renewal of the contract at a percentage less than the maximum stated.

c. As stated on **EXHIBIT A**, Pricing Page, any increase shall be calculated against the original contract price. If a price increase was allowed as outlined in **Section 3.2** of this IFB, the increase will be added after the calculation of the renewal price has been determined.

EXAMPLE: Original Contract Price = $1.00, Maximum Increase = 2%. Economic Adjustment = 5%

Renewal Period Increase - $1.00 x 2% = $1.02
Economic Adjustment - $1.00 x 5% = $1.05
Renewal Period Price = $1.07 ($1.02 + $0.05)

3.1.4 Contract Price - The price shall be as stated on **EXHIBIT A**, Pricing Page. The Department shall not pay, nor be liable, for any other additional costs, including but not limited to, taxes, shipping charges, insurance, interest, penalties, termination payments, attorney fees, liquidated damages, etc.

a. Price(s) shall include all packing, handling, shipping, and freight charges FOB Destination, Freight Prepaid and Allowed. The Department shall not make additional payments or pay add-on charges for freight or shipping unless specifically described and priced in the bid, or as otherwise specifically stated and allowed by the IFB.

b. Price(s) shall be considered firm for the duration of the contract period unless a price increase/decrease is allowed as outlined in **Section 3.2** of this IFB.

3.1.5 Order Quantities – The Department makes no guarantees of single order quantities or total aggregate order quantities for each line item. The quantities listed on **EXHIBIT A,** Pricing Page are an estimated cumulative total based on the items' annual sales using historical data of the same or similar product.

3.1.6 Contract Audits - The Department reserves the right to investigate and/or audit the prices charged by the contractor to the Department, with or without notice to the contractor, at the expense of the Department. If it is determined that the contractor has charged prices to the Department in excess of those agreed upon in the contract, the Department shall consider this just cause for cancellation of the contract in its entirety, which may result in the contractor's removal from the list of eligible vendors who may do business with the Department.

3.1.7 Termination - The Department reserves the right to terminate the contract at any time, for the convenience of the State of Missouri, without penalty or recourse, by giving written notice to the contractor at least thirty-(30) calendar days prior to the effective date of such termination. The contractor shall be entitled to receive compensation for services and/or supplies delivered to and accepted by the Department pursuant to the contract prior to the effective date of termination.

3.1.8 Contractor Liability - The contractor shall be responsible for any and all personal injury (including death) or property damage as a result of the contractor's negligence involving any equipment or service provided under the terms and conditions, requirements and specifications of the contract. In addition, the contractor assumes the obligation to save the Department, including its divisions, employees, and assignees, from every expense, liability, or payment arising out of such negligent act.

a. The contractor also agrees to hold the Department, including its divisions, employees, and assignees, harmless for any negligent act or omission committed by any subcontractor or other person employed by or under the supervision of the contractor under the terms of the contract.

b. The contractor shall not be responsible for any injury or damage occurring as a result of any negligent act or omission committed by the Department, including its divisions, employees, and assignees.

3.1.9 Insurance - The contractor shall understand and agree that the Department cannot save and hold harmless and/or indemnify the contractor or employees against any liability incurred or arising as a result of any activity of the contractor or any activity of the contractor's employees related to the contractor's performance under the contract. Therefore, the contractor must acquire and maintain adequate liability insurance in the form(s) and amount(s) sufficient to protect the State of Missouri, its agencies, its

employees, its clients, and the general public against any such loss, damage and/or expense related to his/her performance under the contract.

3.1.10 Subcontractors - Any subcontracts for the products/services described herein must include appropriate provisions and contractual obligations to ensure the successful fulfillment of all contractual obligations agreed to by the contractor and the Department and to ensure that the Department is indemnified, saved, and held harmless from and against any and all claims of damage, loss, and cost (including attorney fees) of any kind related to a subcontract in those matters described in the contract between the Department and the contractor.

a. The contractor shall expressly understand and agree that it shall assume and be solely responsible for all legal and financial responsibilities related to the execution of a subcontract.

b. The contractor shall agree and understand that utilization of a subcontractor to provide any of the products/services in the contract shall in no way relieve the contractor of the responsibility for providing the products/services as described and set forth herein.

3.1.11 Participation by Other Organizations - The contractor must comply with any Organization for the Blind/Sheltered Workshop participation level committed to in the contractor's awarded bid.

a. The contractor shall prepare and submit to the Department a report detailing all payments made by the contractor to Organizations for the Blind/Sheltered Workshop participating in the contract for the reporting period. The contractor must submit the report on a monthly basis, unless otherwise determined by the Department.

b. The Department will monitor the contractor's compliance in meeting the Organizations for the Blind/Sheltered Workshop participation level committed to in the contractor's awarded proposal. If the contractor's payments to the participating entities are less than the amount committed, the Department may cancel the contract and/or suspend or debar the contractor from participating in future Department procurements, or retain payments to the contractor in an amount equal to the value of the participation commitment less actual payments made by the contractor to the participating entity. If the Department determines that the contractor becomes compliant with the commitment, any funds retained as stated above, will be released.

c. If a participating entity fails to retain the required certification or is unable to satisfactorily perform, the contractor must obtain other organizations for the blind/sheltered workshops to fulfill the participation requirements committed to in the contractor's awarded bid.

1) The contractor must obtain the written approval of the Department for any new entities. This approval shall not be arbitrarily withheld.

2) If the contractor cannot obtain a replacement entity, the contractor must submit documentation to the Department detailing all efforts made to secure a replacement. The Department shall have sole discretion in determining if the actions taken by the contractor constitutes a good faith effort to secure the required participation, and whether the contract will be amended to change the contractor's participation commitment.

d. No later than 30 days after the effective date of the first renewal period, the contractor must submit an affidavit to the Department. The affidavit must be signed by the director or manager of the participating Organizations for the Blind/Sheltered Workshop verifying provision of products and/or services and compliance of all contractor payments made to the Organizations for the Blind/Sheltered Workshops. The contractor may use the affidavit available on the Division of Purchasing's website at

https://www.oa.mo.gov/purchasing/vendor-information or another affidavit providing the same information.

3.1.12 Contractor Status - The contractor is an independent contractor and shall not represent the contractor or the contractor's employees to be employees of the State of Missouri or an agency of the State of Missouri. The contractor shall assume all legal and financial responsibility for salaries, taxes, FICA, employee fringe benefits, workers compensation, employee insurance, minimum wage requirements, overtime, etc., and agrees to indemnify, save, and hold the Department, its divisions, officers, agents, and employees, harmless from and against, any and all loss; cost (including attorney fees); and damage of any kind related to such matters.

3.1.13 Coordination - The contractor shall fully coordinate all contract activities with those activities of the Department. As the work of the contractor progresses, advice and information on matters covered by the contract shall be made available by the contractor to the Department's Purchasing Section throughout the effective period of the contract.

3.1.14 Replacement of Damaged Product - The contractor shall be responsible for replacing any item received in damaged condition at no cost to the Department. This includes all shipping costs for returning non-functional items to the contractor for replacement.

3.1.15 Delivery Performance - The contractor and/or the contractor's subcontractor(s) shall deliver items in accordance with the contracted delivery times stated herein to the Department upon receipt of an authorized purchase order or P-card transaction notice. All orders must be shipped F.O.B. Destination, Freight Prepaid and Allowed. All orders received on the last day of the contract must be invoiced at the contract price.

3.1.16 Property of State - All documents, data, reports, supplies, equipment, and accomplishments prepared, furnished, or completed by the contractor pursuant to the terms of the contract shall become the property of the Department. Upon expiration, termination, or cancellation of the contract, said items shall become the property of the Department.

3.1.17 Confidentiality - The contractor shall agree and understand that all discussions with the contractor and all information gained by the contractor as a result of the contractor's performance under the contract shall be confidential and that no reports, documentation, or material prepared as required by the contract shall be released to the public without the prior written consent of the Department.

3.1.18 Item Selection and Sales Performance - The selection of allowable items to be sold in the offender canteens is decided upon by a committee. If at any time during the contract period the committee decides to remove an awarded item(s) from the allowable list, the Department shall have the right to cancel that item(s) from the contract. All other specifications, terms and conditions of the contract, including the pricing on all non-affected awarded items shall remain the same.

a. Additional item choices shall not be added without the Department's approval. The Department approval may entail the sampling of the proposed item selection.

b. The purpose of items selected for resale is to maximize sales potential for the benefit of the Offender Canteen Fund. Therefore, if an item shows an overall trend of a decrease in sales volume, the Department reserves the right to discontinue that item without penalty.

1) Full cases of any cancelled or discontinued item(s) may be returned for full credit at no cost to the Department.

3.2 Economic Adjustment Clause: In the event that the contractor's cost for the items covered in this IFB and resulting contract should increase 5% or more, during the period of time in which the contract is in effect,

the contractor may, upon submission of written proof of such increase and approval by the Department, be entitled to an adjustment in price accomplished by a formal contract amendment signed and approved by and between the duly authorized representative of the contractor and the Department. All prices shall remain firm for the first six (6) months of this contract.

a. Whenever possible, the contractor must submit a written request for price increases thirty (30) days prior to the effective date of increase to the Department's Purchasing Section. **Requests and documentation must be submitted via US Mail**. If the manufacturer provides a percentage increase, the claim for such adjustment must include a certification from the manufacturer or supplier verifying its cost at the time of the bid award, the new cost, and the effective date of the increase. If the manufacturer provides an actual dollar amount of increase, the claim for such adjustment must include a certification from the manufacturer or supplier verifying the increase and the effective date of the increase. Supporting documentation must clearly establish the increase is to all customers and not to the Department or this contract alone. Supporting documentation will be returned to the contractor once the Department's Purchasing Section has verified its validity and shall not become part of the contract record.

b. The increase will be allowed only on the cost of the item(s) to the contractor. No increase or change in the contractor's overhead, transportation costs, profit or other factors will be approved. The Department reserves the right to ask for invoices, published price lists, or any other evidence establishing the contractor's costs to support the increase. Failure to supply any requested documentation will be grounds to deny adjustment in price.

c. After receipt of required documentation and in the event a price change is authorized thereafter, no additional adjustments will be allowed for a term of six (6) months.

d. The Department further reserves the right to reject any proposed price increase, cancel the item(s) from the contract, and re-bid if determined to be in the best interest of the Department.

e. The contractor shall neither delay nor stop deliveries pending price changes.

f. If a price increase is allowed through a formal contract amendment, no price increase shall be billed to the Department before the effective date of the increase. Billed price changes will only be accepted for payment on purchase orders dated ***on or after*** the effective price change date. Purchase orders dated ***prior*** to the effective price change date shall be billed at the contract price in existence before the amended price change regardless of when delivery is accepted.

g. In the event the contractor's costs should decrease by more than 5% during the period of time that the contract is in effect, the contractor shall pass any manufacturer's price decrease to the Department and such decreases shall become effective immediately upon notification by the contractor of the amount of the decrease. The contractor shall notify the Department of any such decrease.

END OF SECTION THREE: GENERAL CONTRACTUAL REQUIREMENTS

4. BID SUBMISSION, EVALUATION AND AWARD INFORMATION

4.1 Submission of Bids:

4.1.1 **For each item bid, the vendor should include a copy of the front and back of the product which should include a clear picture of the nutrition label, UPC, expiration date and ingredients, along with the bid.** If the label is not furnished with the bid, the label must be provided upon request. If requested, the label shall be furnished within five (5) business days after notification from the Department. Failure to provide this information may render the bid incapable and non-responsive.

4.1.2 When the vendor is submitting a bid via the mail or a courier service or is hand delivering the bid, the vendor should include completed exhibits, forms, and other information concerning the bid [including completed **EXHIBIT A,** Pricing Page(s)] with the bid. The vendor is instructed to review the IFB submission provisions carefully to ensure they are providing all required pricing, including applicable renewal pricing. Bids are due no later than the end date and time as stated on the first page of this IFB.

a. The Department recognizes the limited nature of our resources and the leadership role of government agencies in regard to the environment. Accordingly, the vendor is requested to print the bid double-sided using recycled paper, if possible, and minimize or eliminate the use of non-recyclable materials such as plastic report covers, plastic dividers, vinyl sleeves, and binding. Lengthy bids may be submitted in a notebook or binder.

b. In preparing a bid, the vendor should be mindful of document preparation efforts for imaging purposes and storage capacity that will be required to image the bid and should limit bid content to items that provide substance, quality of content, and clarity of information.

The vendor agrees that in the event of conflict between any of the vendor's terms and conditions and those contained in the IFB that the IFB shall govern. Taking exception to the Department's terms and conditions may render a vendor's bid non-responsive and remove it from consideration for award.

4.1.5 Preprinted Marketing Materials: The vendor may submit preprinted marketing materials with the bid. However, the vendor is advised that such brochures normally do not address the needs of the evaluators with respect to the technical evaluation process and the specific responses which have been requested of the vendor. The vendor is strongly discouraged from relying on such materials in presenting products and services for consideration by the Department.

a. It is the vendor's responsibility to provide detailed information about how the item bid meets the specifications presented herein. If preprinted marketing materials do not specifically address each

specification, the vendor should provide detailed information to assure the product meets the Department's mandatory requirements. In the event this information is not submitted with the bid, the buyer may, but is not required to, seek written clarification from the vendor to provide assurance that the product bid meets specifications.

4.1.6 Bid Detail Requirements and Deviations – It is the vendor's responsibility to submit a bid that meets all mandatory specifications stated herein. The vendor should clearly identify any and all deviations from both the mandatory and desirable specifications stated in the IFB. b. The requirements of the Buy American Act shall not apply if other exceptions to the Buy American Act mandate in section 34.353 RSMo are met.

c. If the vendor claims there is only one line item of the good manufactured or produced in the United States, section 34.353 (2) RSMo, or that one of the exceptions of section 34-353 (3) RSMo applies, the Executive Head of the Agency bears the burden of certification as required prior to the award of the contract.

4.8 Organizations for the Blind and Sheltered Workshop Preferences:

4.8.1 Pursuant to section 34.165, RSMo, and 1 CSR 40-1.050, a five to fifteen (5-15) bonus point preference shall be granted to vendors including products and/or services manufactured, produced or assembled by a qualified nonprofit organization for the blind established pursuant to 41 U.S.C. sections 46 to 48c or a sheltered workshop holding a certificate of approval from the Department of Elementary and Secondary Education pursuant to section 178.920, RSMo.

a. In order to qualify for the five to fifteen (5-15) bonus points, the following conditions must be met and the following evidence must be provided:

1) The vendor must either be an organization for the blind or sheltered workshop or must be proposing to utilize an organization for the blind/sheltered workshop as a subcontractor and/or supplier in an amount that must equal, at a minimum, the greater of $5,000 or 2% of the total dollar value of the contract for purchases not exceeding $10 million.
2) The services performed or the products provided by the organization for the blind or sheltered workshop must provide a commercially useful function related to the delivery of the contractually required service/product in a manner that will constitute an added value to the contract and shall be performed/provided exclusive to the performance of the contract. Therefore, if the services performed or the products provided by the organization for the blind or sheltered workshop are utilized, to any extent, in the vendor's obligations outside of the contract, it shall not be considered a valid added value to the contract and shall not qualify as participation in accordance with this clause.
3) If the vendor is proposing participation by an organization for the blind or sheltered workshop, in order to receive evaluation consideration for participation by the organization for the blind or sheltered workshop, the vendor must provide the requested information with the bid.
4) A sliding scale for the award of points shall range from a minimum of five (5) points to a maximum of fifteen (15) points. The award of the minimum five (5) points shall be based on the bid containing a commitment that the participating nonprofit organization or workshop is providing the greater of two percent (2%) or five thousand dollars ($5,000) of the total contract value of bids for purchases not exceeding ten (10) million dollars.

b. Where the commitment in the bid exceeds the minimum level set forth in section 34.165, RSMo to obtain five (5) points, the awarded points shall exceed the minimum five (5) points, up to a maximum of fifteen (15) points. As the statute sets out a minimum of five (5) points for a minimum two percent (2%) commitment, each percent of commitment is worth two and one-half (2.5) points. The formula to determine the awarded points for commitments above the two percent (2%) minimum shall be calculated based on the commitment in the bid (which in the formula will be expressed as a number [Vendor's Commitment Number below], not as a percentage) times two and one-half (2.5) points:

Vendor's Commitment Number x 2.5 points = Awarded Points

Examples: A commitment of three percent (3%) would be calculated as: 3 x 2.5 points = 7.5 awarded points. A commitment of five and one-half percent (5.5%) would be calculated as: 5.5 x 2.5 points = 13.75 awarded points. If, instead of a percentage, a vendor's bid lists a dollar figure that is over the minimum amount, the dollar figure shall be converted into the percentage of the vendor's total contract value for calculation of the awarded points. Commitments at or above six percent (6%) receive the maximum of fifteen (15) points.

- Participation Commitment – The vendor must complete **EXHIBIT D,** Participation Commitment, by identifying the organization for the blind or sheltered workshop, the amount of participation committed, and the commercially useful products/services to be provided by the listed organization for the blind or sheltered workshop. If the vendor submitting the bid is an organization for the blind or sheltered workshop, the vendor must be listed in the appropriate table on the Participation Commitment Form.

- Documentation of Intent to Participate – The vendor must either provide a properly completed **EXHIBIT E**, Documentation of Intent to Participate form or must provide a letter of intent recently signed by the proposed Organization for the Blind or Sheltered Workshop which: (1) must describe the products/services the organization for the blind/sheltered workshop will provide and (2) should include evidence of the organization for the blind/sheltered workshop qualifications (e.g. copy of certificate or Certificate Number for Missouri Sheltered Workshop).

NOTE: If the vendor submitting the bid is an organization for the blind or sheltered workshop, the vendor is not required to complete **EXHIBIT E**, Documentation of Intent to Participate form or provide a letter of intent.

c. A list of Missouri sheltered workshops can be found at the following Internet address:
http://dese.mo.gov/special-education sheltered-workshops directories

d. The websites for the Missouri Lighthouse for the Blind and the Alphapointe Association for the Blind can be found at the following Internet addresses:
http://www.lhbindustries.com
http://www.alphapointe.org

e. Commitment – If the vendor's bid is awarded, the organization for the blind or sheltered workshop participation committed to by the vendor on **EXHIBIT D,** Participation Commitment, shall be interpreted as a contractual requirement.

4.9 Evaluation of Cost:

4.9.1 Pricing Page: The vendor must submit a **firm fixed price** on the **EXHIBIT A,** Pricing Page for each item bidding.

a. The item(s) bid must be available to **all** institutions listed in **ATTACHMENT 1** at the firm fixed price indicated on **EXHIBIT A,** Pricing Page.

b. The price(s) quoted shall include all packing, handling, shipping and freight charges FOB destination freight prepaid and allowed. The Department shall not make additional payments or pay add-on charges for freight or shipping.

c. Prices shall be considered firm for the duration of the contract period unless a price increase/decrease is allowed as outlined in section 3.2 of this IFB.

d. The vendor should complete the "Terms" and the "Vendor's Acceptance of the State Purchasing Card" sections on **EXHIBIT A,** Pricing Page.

4.9.2 The cost evaluation shall include the original contract period plus the renewal periods. The estimated annual quantity shall be taken into consideration to compute the total price for the original contract period and renewal periods.

4.9.3 **For evaluation purposes only**, the cost evaluation for the following items shall be calculated as stated:

a. **For line items 1-7 and 9-14,** the cost per ounce will be calculated by dividing the firm fixed case price stated on **EXHIBIT A,** Pricing Page, by the number of items per case, then divided by the item's ounces to arrive at the total cost per ounce per item. The initial contract period cost will be calculated by multiplying the individual cost per ounce by the cost per ounce multiplier for that line item, and then multiplied by the estimated items per case multiplier for that line item, both of which are listed in the table below, then multiplied by the estimated number of cases stated on **EXHIBIT A,** Pricing Page.

LINE ITEM	COST PER OUNCE MULTIPLIER	ESTIMATED ITEMS PER CASE MULTIPLIER
1-4	11.25	24
5-6	6	24
7	6	12
9	7	12

LINE ITEM	COST PER OUNCE MULTIPLIER	ESTIMATED ITEMS PER CASE MULTIPLIER
10	1	24
11	3	12
12-13	4	24
14	8	8

b. For line item 8, the individual cost will be calculated by dividing the firm fixed case price stated on **EXHIBIT A**, Pricing Page by the number of individual items per case to arrive at the cost per item. The initial contract period cost will be calculated by multiplying the cost per item by the multiplier of 24 and then multiplied by the estimated case quantity.

c. A cost for each renewal period will be calculated in the same manner as indicated in 4.9.3 a. and 4.9.3 b. The total cost of the initial contract period and each renewal period will be added together to arrive at the total bid price for each line item.

d. The vendor shall agree and understand that the quantities used in the evaluation of cost are provided solely to document how cost will be evaluated. The Department makes no guarantee regarding the accuracy of the quantities stated nor does the Department intend to imply that the figures used for the cost evaluation in any way reflect neither actual nor anticipated usage.

e. Buy American Preference – If calculations for the Buy American preference are necessary, items bid **not** meeting proof of compliance with section 34.353 RSMo in accordance with the Domestic Procurement Act, sections 34-350 RSMo through 34.359 RSMo, the Buy American preference shall be computed as follows:

Total Bid Price x 1.10 = Total Evaluated Bid Price

4.9.4 Cost evaluation points shall be determined from the result of the calculations stated above using the following formula:

$$\frac{\text{Lowest Responsive Total Evaluated Bid Price}}{\text{Compared Total Evaluated Bid Price}} \times \text{Maximum Cost Evaluation Points (100)} = \text{Assigned Cost Points}$$

4.9.5 Determination of Lowest Priced Bid Including Consideration of Preferences – After completing the cost evaluation and determining preference bonus points, the vendor with the most points is considered the lowest bid. Total points shall be computed for the total evaluated bid price as follows:

Assigned Cost Points + Earned Preference Points = Total Points

4.10 Determination for Award:

4.10.1 **The vendor shall understand and agree that in order to be considered for award, the vendor must be registered in MissouriBUYS (https://missouribuys.mo.gov/vendors).**

4.10.2 Only one award shall be made **per line item** to the vendor whose bid meets the required specifications, and, if applicable, is determined acceptable resulting from testing, and is the lowest and best vendor. Other factors that affect the determination of the lowest price responsive vendor includes the consideration of the preference points explained in Sections 4.6, 4.7 and 4.8.

4.10.3 Determination of Responsibility and Reliability – The Department reserves the right to reject any bid which is determined unacceptable for reasons which may include but are not limited to: 1) failure of the vendor to

meet mandatory general performance specifications; 2) failure of the vendor to meet mandatory technical specifications; and/or, 3) receipt of any information, from any source, regarding delivery of unsatisfactory product or service by the vendor or any subcontractor(s) proposed to provide the products or services within the past three years. As deemed in its best interests, the Department reserves the right to clarify any and all portions of any vendor's offering.

a. If the lowest responsive vendor is determined to not be responsible and reliable, the Department shall conduct a determination of responsibility and reliability for the next lowest responsive vendor.

4.11 Other Bid Submission Requirements:

4.11.1 Business Compliance - The vendor must be in compliance with the laws regarding conducting business in the State of Missouri. The vendor certifies by signing the signature page of this original document and any amendment signature page(s) that the vendor and any proposed subcontractors either are presently in compliance with such laws or shall be in compliance with such laws prior to any resulting contract award. The vendor shall provide documentation of compliance upon request by the Department. The compliance to conduct business in the state shall include but may not be limited to:

a. Registration of business name (if applicable)
b. Certificate of authority to transact business/certificate of good standing (if applicable)
c. Taxes (e.g., city/county/state/federal)
d. State and local certifications (e.g., professions/occupations/activities)
e. Licenses and permits (e.g., city/county license, sales permits)
f. Insurance (e.g., worker's compensation/unemployment compensation)

4.11.2 Miscellaneous Information – The vendor should complete and submit **EXHIBIT F**, Miscellaneous Information.

4. OPEN COMPETITION/INVITATION FOR BID DOCUMENT

a. It shall be the vendor's responsibility to ask questions, request changes or clarification, or otherwise advise the Department if any language, specifications or requirements of an IFB appear to be ambiguous, contradictory, and/or arbitrary, or appear to inadvertently restrict or limit the requirements or evaluation process stated in the IFB to a single source. Any and all communication from vendors regarding specifications, requirements, competitive bid process, etc., must be directed to the Buyer of Record of the Department, unless the IFB specifically refers the vendor to another contact. Such communication should be received at least ten (10) calendar days prior to the official bid opening date.
b. Every attempt shall be made to ensure that the vendor receives an adequate and prompt response. However, in order to maintain a fair and equitable bid process, all vendors will be advised, via the issuance of an addendum to the IFB, of any relevant or pertinent information related to the procurement. Therefore, vendors are advised that unless specified elsewhere in the IFB, any questions received less than ten (10) calendar days prior to the IFB opening date may not be answered.
c. Vendors are cautioned that the only official position of the State of Missouri is that which is issued by the Department in the IFB or an addendum thereto. No other means of communication, whether oral or written, shall be construed as a formal or official response or statement.
d. The Department monitors all procurement activities to detect any possibility of deliberate restraint of competition, collusion among vendors, price-fixing by vendors, or any other anticompetitive conduct by vendors which appears to violate state and federal antitrust laws. Any suspected violation shall be referred to the Missouri Attorney General's Office for appropriate action.
e. Some IFBs may be available for viewing and downloading on the Department's website or on the MissouriBUYS Statewide eProcurement System. For IFB's posted on MissouriBUYS, registered vendors are electronically notified of those bid opportunities that match the commodity codes for which the vendor registered in MissouriBUYS. If a registered vendor's e-mail address is incorrect, the vendor must update the e-mail address themselves on the state's MissouriBUYS Statewide eProcurement System at https://missouribuys.mo.gov
f. The Department reserves the right to officially amend or cancel an IFB after issuance. It shall be the sole responsibility of the vendor to monitor the Department's website and the MissouriBUYS Statewide eProcurement System to obtain a copy of the addendum(s). Registered vendors who received e-mail notification of the bid opportunity when the IFB was established and registered vendors who have responded to the IFB on-line prior to an addendum being issued should receive e-mail notification of the addendum(s). Registered vendors who received e-mail notification of the bid opportunity when the IFB was established and registered vendors who have responded to the bid on-line prior to a cancellation being issued should receive e-mail notification of a cancellation issued prior to the exact end date and time specified in the IFB.

5. PREPARATION OF BIDS

a. Vendors **must** examine the entire IFB carefully. Failure to do so shall be at the vendor's risk.
b. Unless otherwise specifically stated in the IFB, all specifications and requirements constitute minimum requirements. All bids must meet or exceed the stated specifications and requirements.
c. Unless otherwise specifically stated in the IFB, any manufacturer names, trade names, brand names, information and/or catalog numbers listed in a specification and/or requirement are for informational purposes only and are not intended to limit competition. The vendor may offer any brand which meets or exceeds the specification for any item, but must state the manufacturer's name and model number for any such brands in the bid. In addition, the vendor shall explain, in detail, (1) the reasons why the proposed equivalent meets or exceeds the specifications and/or requirements and (2) why the proposed equivalent should not be considered an exception thereto. Bids which do not comply with the requirements and specifications are subject to rejection without clarification.

d. Bids lacking any indication of intent to bid an alternate brand or to take an exception shall be received and considered in complete compliance with the specifications and requirements as listed in the IFB.
e. In the event that the vendor is an agency of state government or other such political subdivision which is prohibited by law or court decision from complying with certain provisions of an IFB, such a vendor may submit a bid which contains a list of statutory limitations and identification of those prohibitive clauses. The vendor should include a complete list of statutory references and citations for each provision of the IFB which is affected by this paragraph. The statutory limitations and prohibitive clauses may be requested to be clarified in writing by the Department or be accepted without further clarification if statutory limitations and prohibitive clauses are deemed acceptable by the Department. If the Department determines clarification of the statutory limitations and prohibitive clauses is necessary, the clarification will be conducted in order to agree to language that reflects the intent and compliance of such law and/or court order and the IFB.
f. All equipment and supplies offered in a bid must be new, of current production, and available for marketing by the manufacturer unless the IFB clearly specifies that used, reconditioned, or remanufactured equipment and supplies may be offered.
g. Prices shall include all packing, handling and shipping charges, and shall be delivered to the Department's designated destination FOB destination, freight prepaid and allowed unless otherwise specified in the IFB.
h. Bids, including all pricing therein, shall remain valid for 90 days from the bid opening unless otherwise indicated. If the bid is accepted, the entire bid, including all prices, shall be firm for the specified contract period.
i. Any foreign vendor not having an Employer Identification Number assigned by the United States Internal Revenue Service (IRS) must submit a completed IRS Form W-8 prior to or with the submission of their bid in order to be considered for award.

6. SUBMISSION OF BID

a. Delivered bids must be sealed in an envelope or container, and received in the Department's Purchasing office located at the address indicated on the cover page of the IFB no later than the exact opening time and date specified in the IFB. For bids posted on the MissouriBUYS Statewide eProcurement System, registered vendors may submit bids electronically through the MissouriBUYS Statewide eProcurement System at https://missouribuys.mo.gov/. All bids must be submitted by a duly authorized representative of the vendor's organization, contain all information required by the IFB, and be priced as required. Vendors are cautioned that bids submitted via the USPS, including first class mail, certified mail, Priority Mail and Priority Mail Express, are routed through the Office of Administration Central Mail Services and the tracking delivery time and date may not be the time and date received by the Department's Purchasing office. Regardless of delivery method, it shall be the responsibility of the vendor to ensure their bid is in the Department's Purchasing office no later than the exact opening time and date specified in the IFB.
b. The sealed envelope or container containing a bid should be clearly marked on the outside with the official IFB number ***and*** the official opening date and time. Different bids should not be placed in the same envelope; however, copies of the same bid may be placed in the same envelope.
c. A bid which has been delivered to the Department may be modified by a signed, written notice which has been received by the Department's Purchasing office prior to the official opening date and time specified. A bid may also be modified in person by the vendor or its authorized representative, provided proper identification is presented before the official opening date and time. Telephone or telegraphic requests to modify a bid shall not be honored.
d. A bid submitted electronically by a registered vendor may be retracted on-line prior to the official end date and time. A bid which has been delivered to the Department's Purchasing office may only be withdrawn by a signed, written document on company letterhead transmitted via mail, e-mail, or facsimile which has been received by the Department's Purchasing office prior to the official opening date and time specified. A bid may also be withdrawn in person by the vendor or its authorized representative provided proper identification is presented before the official opening date and time. Telephone or telegraphic requests to withdraw a bid shall not be honored.
e. A bid may also be withdrawn after the bid opening through submission of a written request by an authorized representative of the vendor. Justification of a withdrawal decision may include a significant error or exposure of bid information that may cause irreparable harm to the vendor.
f. When submitting a bid electronically, the registered vendor indicates acceptance of all IFB requirements, terms and conditions by clicking on the "Accept" button on the Overview tab. Vendors submitting a hard copy must sign and return the IFB cover page or, if applicable, the cover page of the last addendum thereto in order to constitute acceptance by the vendor of all the IFB terms and conditions. Failure to do so may result in the rejection of the bid unless the vendor's full compliance with those documents is indicated elsewhere within the vendor's response.
g. Faxed and e-mailed bids shall not be accepted; however, faxed and e-mail no-bid notifications shall be accepted.

7. BID OPENING

a. Bid openings are public on the opening date and time specified in the IFB document. Names, locations, and prices of respondents shall be read at the bid opening. All vendors may view the same bid response information on the MissouriBUYS Statewide eProcurement System. The Department will not provide prices or other bid information via the telephone.
b. Bids which are not received in the Department's Purchasing office prior to the official opening date and time shall be considered late, regardless of the degree of lateness, and normally will not be opened. Late bids may only be opened under extraordinary circumstances in accordance with 1 CSR 40-1.050.

8. PREFERENCES

a. In the evaluation of bids, preferences shall be applied in accordance with Chapter 34 RSMo. Contractors should apply the same preferences in selecting subcontractors.
b. By virtue of statutory authority, a preference will be given to materials, products, supplies, provisions and all other articles produced, manufactured, made or grown within the State of Missouri and to all firms, corporations or individuals doing business as Missouri firms, corporations or individuals. Such preference shall be given when quality is equal or better and delivered price is the same or less.

9. EVALUATION/AWARD

a. Any clerical error, apparent on its face, may be corrected by the Buyer of Record before contract award. Upon discovering an apparent clerical error, the Buyer of Record shall contact the vendor and request clarification of the intended bid. The correction shall be incorporated in the notice of award. Examples of apparent clerical errors are: 1) misplacement of a decimal point; and 2) obvious mistake in designation of unit.
b. Any pricing information submitted by a vendor shall be subject to evaluation if deemed by the Department to be in the best interest of the State of Missouri.
c. The vendor is encouraged to propose price discounts for prompt payment or propose other price discounts that would benefit the Department. However, unless otherwise specified in the IFB, pricing shall be evaluated at the maximum potential financial liability to the Department.
d. Awards shall be made to the vendor(s) whose bid (1) complies with all mandatory specifications and requirements of the IFB and (2) is the lowest and best bid, considering price, responsibility of the vendor, and all other evaluation criteria specified in the IFB and (3) complies with sections 34.010 and 34.070 RSMo and Executive Order 04-09.
e. In the event all vendors fail to meet the same mandatory requirement in an IFB, the Department reserves the right, at its sole discretion, to waive that requirement for all vendors and to proceed with the evaluation. In addition, the Department reserves the right to waive any minor irregularity or technicality found in any individual bid.
f. The Department reserves the right to reject any and all bids.
g. When evaluating a bid, the Department reserves the right to consider relevant information and fact, whether gained from a bid, from a vendor, from a vendor's references, or from any other source.
h. Any information submitted with the bid, regardless of the format or placement of such information, may be considered in making decisions related to the responsiveness and merit of a bid and the award of a contract.
i. Any award of a contract shall be made by notification from the Department to the successful vendor. The Department reserves the right to make awards by item, group of items, or an all or none basis. The grouping of items awarded shall be determined by the Department based upon factors such as item similarity, location, administrative efficiency, or other considerations in the best interest of the State of Missouri.
j. All bids and associated documentation submitted on or before the official opening date and time will be considered open records pursuant to section 610.021 RSMo.
k. The Department maintains records of all bid file material for review. Vendors who include an e-mail address with their bid will be notified of the award results via e-mail if requested.
l. The Department reserves the right to request clarification of any portion of the vendor's response in order to verify the intent of the vendor. The vendor is cautioned, however, that its response may be subject to acceptance or rejection without further clarification.
m. Any bid award protest must be received within ten (10) business days after the date of award in accordance with the requirements of 1 CSR 40-1.050 (9).
n. The final determination of contract award(s) shall be made by the Department.

10. CONTRACT/PURCHASE ORDER

a. By submitting a bid, the vendor agrees to furnish any and all equipment, supplies and/or services specified in the IFB, at the prices quoted, pursuant to all requirements and specifications contained therein.
b. A binding contract shall consist of: (1) the IFB and any addendums thereto, (2) the contractor's response (bid) to the IFB, (3) clarification of the bid, if any, and (4) the Department's acceptance of the response (bid) by "notice of award" or by "purchase order." All Exhibits and Attachments included in the IFB shall be incorporated into the contract by reference.
c. A notice of award issued by the Department does not constitute an authorization for shipment of equipment or supplies or a directive to proceed with services. Before providing equipment, supplies and/or services for the Department, the contractor must receive a properly authorized purchase order or other form of authorization given to the contractor at the discretion of the Department.
d. The contract expresses the complete agreement of the parties and performance shall be governed solely by the specifications and requirements contained therein. Any change to the contract, whether by modification and/or supplementation, must be accomplished by a formal contract amendment signed and approved by and between the duly authorized representative of the contractor and the Department prior to the effective date of such modification. The contractor expressly and explicitly understands and agrees that no other method and/or no other document, including correspondence, acts, and oral communications by or from any person, shall be used or construed as an amendment or modification to the contract.

11. INVOICING AND PAYMENT

a. The State of Missouri does not pay state or federal taxes unless otherwise required under law or regulation.
b. For each purchase order received, an invoice must be submitted that references the purchase order number and must be itemized in accordance with items listed on the purchase order. Failure to comply with this requirement may delay processing of invoices for payment.
c. Payment for all equipment, supplies, and/or services required herein shall be made in arrears unless otherwise indicated in the IFB.
d. The Department assumes no obligation for equipment, supplies, and/or services shipped or provided in excess of the quantity ordered. Any unauthorized quantity is subject to the Department's rejection and shall be returned to the contractor at the contractor's expense.
e. All invoices for equipment, supplies, and/or services purchased by the Department shall be subject to late payment charges as provided in section 34.055 RSMo.
f. The Department reserves the right to purchase goods and services using the state purchasing card.

12. DELIVERY

a. Time is of the essence. Deliveries of equipment, supplies, and/or services must be made no later than the time stated in the contract or within a reasonable period of time if a specific time is not stated.
b. A Missouri Uniformed Law Enforcement System (MULES) background check may be required on the contractor's delivery driver prior to allowing a delivery vehicle entrance to certain institutions. A valid Missouri driver's license is required from the driver to perform the MULES background check. If the driver does not have a valid Missouri driver's license, their social security number and date of birth are required. If a driver or carrier refuses to provide the appropriate information to conduct a MULES background check, or if information received from the background check prohibits the driver or carrier from entering the institution, the delivery will be refused. Additional delivery costs associated with re-deliveries or contracting with another carrier for delivery shall be the responsibility of the contractor.
c. Unless a pallet exchange is requested at the time of delivery, all pallets used in the delivery of equipment and supplies shall become property of the Department.

13. INSPECTION AND ACCEPTANCE

a. No equipment, supplies, and/or services received by the Department pursuant to a contract shall be deemed accepted until the Department has had reasonable opportunity to inspect said equipment, supplies, and/or services.
b. All equipment, supplies, and/or services which do not comply with the specifications and/or requirements, or which are otherwise unacceptable or defective, may be rejected. In addition, all equipment, supplies, and/or services which are discovered to be defective, or which do not conform to any warranty of the contractor upon inspection (or at any later time if the defects contained were not reasonably ascertainable upon the initial inspection), may be rejected.
c. The Department reserves the right to return any such rejected shipment at the contractor's expense for full credit or replacement and to specify a reasonable date by which replacements must be received.

d. The Department's right to reject any unacceptable equipment, supplies, and/or services shall not exclude any other legal, equitable or contractual remedies the state may have.

14. WARRANTY

a. The contractor expressly warrants that all equipment, supplies, and/or services provided shall: (1) conform to each and every specification, drawing, sample or other description which was furnished to or adopted by the Department, (2) be fit and sufficient for the purpose expressed in the IFB, (3) be merchantable, (4) be of good materials and workmanship, and (5) be free from defect.
b. Such warranty shall survive delivery and shall not be deemed waived either by reason of the Department's acceptance of or payment for said equipment, supplies, and/or services.

15. CONFLICT OF INTEREST

a. Elected or appointed officials or employees of the State of Missouri or any political subdivision thereof, serving in an executive or administrative capacity, must comply with sections 105.452 and 105.454 RSMo regarding conflict of interest.
b. The contractor hereby covenants that at the time of the submission of the bid the contractor has no other contractual relationships which would create any actual or perceived conflict of interest. The contractor further agrees that during the term of the contract neither the contractor nor any of its employees shall acquire any other contractual relationships which create such a conflict.

16. CONTRACTOR STATUS

a. The contractor represents itself to be an independent contractor offering such services to the general public and shall not represent itself to be an employee of the State of Missouri. Therefore, the contractor shall assume all legal and financial responsibility for taxes, FICA, employee fringe benefits, workers compensation, employee insurance, minimum wage requirements, overtime, etc., and agrees to indemnify, save, and hold the State of Missouri, its officers, agents, and employees, harmless from and against, any and all loss, costs (including attorney fees), and damage of any kind related to such matters.

17. REMEDIES AND RIGHTS

a. No provision in the contract shall be construed, expressly or implied, as a waiver by the Department of any existing or future right and/or remedy available by law in the event of any claim by the Department of the contractor's default or breach of contract.
b. The contractor agrees and understands that the contract shall constitute an assignment by the contractor to the Department of all rights, title and interest in and to all causes of action that the contractor may have under the antitrust laws of the United States or the Department for which causes of action have accrued or will accrue as the result of or in relation to the particular equipment, supplies, and/or services purchased or procured by the contractor in the fulfillment of the contract with the Department.

18. SEVERABILITY

a. If any provision of this contract or the application thereof is held invalid, the invalidity shall not affect other provisions or applications of this contract which can be given effect without the invalid provisions or application, and to this end the provisions of this contract are declared to be severable.

19. CANCELLATION OF CONTRACT

a. In the event of material breach of the contractual obligations by the contractor, the Department may cancel the contract. At its sole discretion, the Department may give the contractor an opportunity to cure the breach or to explain how the breach will be cured. The actual cure must be completed within no more than ten (10) working days from notification, or at a minimum, the contractor must provide the Department within ten (10) working days from notification a written plan detailing how the contractor intends to cure the breach.
b. If the contractor fails to cure the breach, or if circumstances demand immediate action, the Department will issue a notice of cancellation terminating the contract immediately. If it is determined the Department improperly cancelled the contract, such cancellation shall serve as notice of termination for convenience in accordance with the contract.

c. If the Department cancels the contract for breach, the Department reserves the right to obtain the equipment, supplies, and/or services to be provided pursuant to the contract from other sources and upon such terms and in such manner as the Department deems appropriate and charge the contractor for any additional costs incurred thereby.
d. The contractor understands and agrees that if the funds required to fund the contract are appropriated by the General Assembly of the State of Missouri, the contract shall not be binding upon the Department for any contract period in which funds have not been appropriated, and the Department shall not be liable for any costs associated with termination caused by lack of appropriations.
e. If the Department has reasonable cause to believe that the contractor has knowingly employed individuals who are not eligible to work in the United States in violation of federal law, the Department shall declare a breach and cancel the contract immediately without incurring any penalty.

20. TERMINATION OF CONTRACT

a. The Department reserves the right to terminate the contract at any time for the convenience of the Department, without penalty or recourse, by giving notice to the contractor at least thirty (30) calendar days prior to the effective date of such termination. The contractor shall be entitled to receive just and equitable compensation for services and/or supplies or equipment delivered to and accepted by the Department pursuant to the contract prior to the effective date of termination.

21. ASSIGNMENT OF CONTRACT

a. The contractor shall neither assign nor transfer any of the rights, interests, or obligations of the contract without the prior written consent of the Department.

22. COMMUNICATIONS AND NOTICES

a. Any notice to the contractor shall be deemed sufficient when e-mailed to the contractor at the e-mail address indicated in the contract, or transmitted by facsimile to the facsimile number indicated in the contract, or deposited in the United States mail, postage prepaid, and addressed to the contractor at the address indicated in the contract, or hand-carried and presented to an authorized employee of the contractor.
b. If the contractor desires to receive written notices at a different e-mail address, facsimile number, or USPS address than what is indicated in the contract, the contractor must submit this request in writing upon notice of award.

23. FORCE MAJEURE

a. The contractor shall not be liable for any excess costs for delayed delivery of goods or services to the Department if the failure to perform the contract arises out of causes beyond the control of, and without the fault or negligence of, the contractor. Such causes may include, however are not restricted to: acts of God, fires, floods, epidemics, quarantine restrictions, strikes, and freight embargoes. In all cases, the failure to perform must be beyond the control of, and without the fault or negligence of, either the contractor or any subcontractor(s). The contractor shall take all possible steps to recover from any such occurrences.

24. CONTRACT EXTENSION

a. In the event of an extended re-procurement effort and the contract's available renewal options have been exhausted, the Department reserves the right to extend the contract. If exercised, the extension shall be for a period of time as mutually agreed to by the Department and the contractor at the same terms, conditions, provisions, and pricing in order to complete the procurement process and transition to a new contract.

25. INSURANCE

a. The State of Missouri cannot save and hold harmless and/or indemnify the contractor or its employees against any liability incurred or arising as a result of any activity of the contractor or the contractor's employees related to the contractor's performance under the contract. Therefore, the contractor must acquire and maintain adequate liability insurance in the form(s) and amount(s) sufficient to protect the State of Missouri, its agencies, its employees, its clients, and the general public against any such loss, damage, and/or expense related to his/her performance under the contract.

26. BANKRUPTCY OR INSOLVENCY

a. Upon filing for any bankruptcy or insolvency proceeding by or against the contractor, whether voluntary or involuntary, or upon the appointment of a receiver, trustee, or assignee for the benefit of creditors, the contractor must notify the Department immediately.
b. Upon learning of any such actions, the Department reserves the right, at its sole discretion, to either cancel the contract or affirm the contract and hold the contractor responsible for damages.

27. INVENTIONS, PATENTS AND COPYRIGHTS

a. The contractor shall defend, protect, and hold harmless the Department, its officers, agents, and employees against all suits of law or in equity resulting from patent and copyright infringement concerning the contractor's performance or products produced under the terms of the contract.

28. CONTRACTOR PROPERTY

a. Upon expiration, termination or cancellation of a contract, any contractor property left in the possession of the Department after forty-five (45) calendar days shall become property of the Department.

29. NON-DISCRIMINATION AND AFFIRMATIVE ACTION

a. In connection with the furnishing of equipment, supplies, and/or services under the contract, the contractor and all subcontractors shall agree not to discriminate against recipients of services or employees or applicants for employment on the basis of race, color, religion, national origin, sex, age, disability, or veteran status unless otherwise provided by law. If the contractor or subcontractor employs at least 50 persons, they shall have and maintain an affirmative action program which shall include:
    1. A written policy statement committing the organization to affirmative action and assigning management responsibilities and procedures for evaluation and dissemination;
    2. The identification of a person designated to handle affirmative action;
    3. The establishment of non-discriminatory selection standards, objective measures to analyze recruitment, an upward mobility system, a wage and salary structure, and standards applicable to layoff, recall, discharge, demotion, and discipline;
    4. The exclusion of discrimination from all collective bargaining agreements; and
    5. Performance of an internal audit of the reporting system to monitor execution and to provide for future planning.
b. If discrimination by a contractor is found to exist, the Department shall take appropriate enforcement action which may include, but not necessarily be limited to, cancellation of the contract, suspension, or debarment by the Department until corrective action by the contractor is made and ensured, and referral to the Attorney General's Office, whichever enforcement action may be deemed most appropriate.

30. AMERICANS WITH DISABILITIES ACT

a. In connection with the furnishing of equipment, supplies, and/or services under the contract, the contractor and all subcontractors shall comply with all applicable requirements and provisions of the Americans with Disabilities Act (ADA).

31. FILING AND PAYMENT OF TAXES

a. The commissioner of administration and other agencies to which the state purchasing law applies shall not contract for goods or services with a vendor if the vendor or an affiliate of the vendor makes sales at retail of tangible personal property or for the purpose of storage, use, or consumption in this state but fails to collect and properly pay the tax as provided in chapter 144, RSMo. For the purposes of this section, "affiliate of the vendor" shall mean any person or entity that is controlled by or is under common control with the vendor, whether through stock ownership or otherwise. Therefore a vendor's failure to maintain compliance with chapter 144, RSMo may eliminate their bid from consideration for award.

32. TITLES

a. Titles of paragraphs used herein are for the purpose of facilitating reference only and shall not be construed to infer a contractual construction of language.
