1. INTRODUCTION AND GENERAL INFORMATION

This section of the IFB includes a brief introduction and background information about the intended acquisitions and/or services for which the requirements herein are written. The contents of this section are intended for informational purposes and do not require a response.

1.1 Purpose:

- 1.1.1 This document constitutes a request for competitive bids from prospective vendors for the Missouri Department of Corrections (hereinafter referred to as "Department") to establish a contract for the purchase and delivery of hair styling gel (hereinafter referred to as "item") for resale in twenty-one (21) correctional institutions on an as needed basis in accordance with the requirements and provisions stated herein.

1.2 Questions Regarding the IFB:

- 1.2.1 IFB Questions - It is the vendor's responsibility to ask questions, request changes or clarifications, or otherwise advise the Department if the vendor believes that any language, specifications, or requirements are: (1) ambiguous, (2) contradictory or arbitrary, or both, (3) violate any state or federal law or regulation, (4) restrict or limit the requirements to a single source, or (5) restrict or limit the vendor's ability to submit a bid.
- 1.2.2 Except as may be otherwise stated herein, the vendor and the vendor's agents (including subcontractors, employees, consultants, or anyone else acting on their behalf) must direct all of their questions or comments regarding the IFB, the solicitation process, the evaluation, etc., to the Buyer of Record indicated on the first page of this IFB. Inappropriate contacts to other personnel are grounds for suspension and/or exclusion from specific procurements. Vendors and their agents who have questions regarding this matter should contact the Buyer of Record.
- 1.2.3 All questions and issues should be submitted at least ten (10) working days prior to the due date of the bid. If not received prior to ten (10) working days before the bid due date, the Department may not be able to fully research and consider the respective questions or issues. Questions and issues relating to the IFB, including questions related to the competitive procurement process, must be directed to the Buyer of Record. It is preferred that questions be e-mailed to the Buyer of Record at Diana.fredrick@doc.mo.gov.
- 1.2.4 The Department will attempt to ensure that a vendor receives an adequate and prompt response to questions, if applicable. Upon the Department's consideration of questions and issues, if the Department determines that changes are necessary, the resulting changes will be included in a subsequently issued IFB addendum(s); absence of such response indicates that the questions and issues were considered but deemed unnecessary for IFB addendum as the questions and issues did not provide further clarity to the IFB. All vendors will be advised of any change to the IFB's language, specifications, or requirements by a formal addendum to the IFB.

NOTE: The only official position of the Department shall be that which is contained in the IFB and any addendums thereto.

1.3 Background Information:

- 1.3.1 The Department operates offender canteens within the correctional institutions for offenders to purchase approved food, clothing, appliances, and other items. By departmental policy, the selection of items approved and available for purchase in the canteens is decided upon by committee. The committee is tasked with standardizing an approved list in order to provide uniformity in product and pricing in the canteens. Items on the approved list are competitively bid in order to obtain the best possible pricing for the Department. Once contracted, only contracted items are sold in the canteens.

1.3.2 The estimated total population for all correctional institutions is 28,500 and includes male and female offenders.

1.3.3 Although an attempt has been made to provide accurate and up-to-date information, the Department does not warrant or represent that the background information provided herein reflects all relationships or existing conditions related to the IFB.

1.4 General Information:

1.4.1 Terms and Conditions - It is recommended that all vendors review the Terms and Conditions governing this solicitation in its entirety, giving particular emphasis to examining those sections related to:

- Open Competition
- Submission of Bids
- Preparation of Bids
- Evaluation and Award

1.4.2 Funds – Expenditures from general revenue funds are not included in this contract.

1.5 History:

1.5.1 This IFB is a rebid of hair styling gel, under contract CR1512901, that was discontinued by the manufacturer. This contract will expire along with all other contracts awarded under IFB CR15129 on April 4, 2020 at which time all items, including hair styling gel, will be rebid.

END OF PART 1: INTRODUCTION AND GENERAL INFORMATION

The contractor must submit documentation from the manufacturer or supplier to verify any price adjustment or other material change.
 - b. Samples for testing shall be submitted if requested by the Department. All samples requested and submitted will be tested as indicated in section 4.2 of the IFB.

If at any time the contractor should encounter conditions impeding delivery of an awarded item, the contractor shall immediately notify the Department in writing of the fact of delay, its likely duration, and its cause(s). As soon as practicable after receipt of the contractor's notice, the Department, at its sole discretion, shall evaluate the situation and may extend the contractor's time for delivery.
- b. A delay by the contractor in the performance of its delivery obligations shall render the contractor liable for additional costs incurred by the Department to obtain product from other sources, unless an extension of time is agreed upon pursuant to 2.6.5 a.

END OF SECTION 3: GENERAL CONTRACTUAL REQUIREMENTS

4. BID SUBMISSION, EVALUATION AND AWARD INFORMATION

This section of the IFB includes instructions on bid submission, sample submission, information on how the bid will be evaluated, and award information. Response to this section by the vendor, as applicable to the vendor, is requested in the EXHIBIT section of this IFB.

4.1 Submission of Bids:

- 4.1.1 Sealed bids must be submitted via the mail, courier service, or hand delivered. The vendor should include completed exhibits, forms, and other information concerning the bid, including completed Pricing Page(s), with the bid. The vendor is instructed to review the IFB submission provisions carefully to ensure they are providing all required pricing.
 - a. The State of Missouri recognizes the limited nature of our resources and the leadership role of government agencies concerning the environment. Accordingly, the vendor is requested to print the bid double-sided using recycled paper, if possible, and minimize or eliminate the use of non-recyclable materials such as plastic report covers, plastic dividers, vinyl sleeves, and binding. Lengthy bids may be submitted in a notebook or binder.
- 4.1.2 Open Records – Pursuant to section 610.021, RSMo, the bid shall be considered an open record after the bids are opened. Therefore, the vendor is advised not to include any information that the vendor does not want to be viewed by the public, including personal identifying information such as social security numbers.
 - a. In preparing a bid, the vendor should be mindful of document preparation efforts for imaging purposes and storage capacity that will be required to image the bid and should limit bid content to items that provide substance, quality of content, and clarity of information.
- 4.1.3 Submission of Information – To facilitate the evaluation process, the vendor is encouraged to submit bid information by sections that correspond with the individual evaluation categories described herein. The vendor is cautioned that it is the vendor's sole responsibility to submit necessary information. The Department is under no obligation to solicit any information if it is not included with the bid. The vendor's failure to submit information with the bid, including pricing and renewal information, may cause an adverse impact on the evaluation of the bid.
- 4.1.4 Contact – Any and all communication from vendors regarding specifications, requirements, competitive bid process, etc., related to the bid document must be referred to the Buyer of Record identified on the first page of this document. Such communication should be received at least ten (10) calendar days prior to the official bid end date.
- 4.1.5 Compliance with Terms and Conditions – The vendor is cautioned when submitting pre-printed terms and conditions or other type material to make sure such documents do not contain other terms and conditions that conflict with those of the IFB and its contractual requirements. The vendor agrees that in the event of conflict between any of the vendor's terms and conditions and those contained in the IFB that the IFB shall govern. Taking exception to the Department's terms and conditions may render a vendor's bid non-responsive and remove it from consideration for award.
- 4.1.6 Preprinted Marketing Materials – The vendor may submit preprinted marketing materials with the bid. However, the vendor is advised that such brochures normally do not address the needs of the evaluators with respect to the technical evaluation process and the specific responses that have been requested of the vendor. The vendor is strongly discouraged from relying on such materials in presenting products and services for consideration by the Department.
- 4.1.7 Bid Detail Requirements and Deviations – It is the vendor's responsibility to submit a bid that meets all mandatory specifications stated herein. The vendor should clearly identify any and all deviations from

both the mandatory and desirable specifications stated in the IFB. Any deviation from a mandatory requirement may render the bid non-responsive. Any deviation from a desirable specification may be reviewed by the Department as to its acceptability and impact on competition.

4.2 Submission of Samples:

4.2.1 If requested, the vendor shall be required to submit one (1) sample of the item bid for bid evaluation. If requested, the vendor should provide the sample within five (5) business days of notification by the Buyer of Record. A vendor failing to submit a sample within five (5) business days after notification may not be considered for award. All samples shall be provided at no cost to the Department.

4.2.2 Samples must be submitted to the following address, and the vendor should identify the sample with its company name, bid number, and item name.

Attn: Diana Fredrick, CPPB
Missouri Department of Corrections

2729 Plaza Drive
Jefferson City, MO 65109

4.2.3 All samples must be of the brand name that the vendor is bidding. **Special run or mock-up samples will not be accepted.**

4.2.4 The sample will be evaluated for meeting the required specifications of the IFB, and determine its overall acceptability. Other considerations may include packaging and the condition of the packaging materials containing the sample.

4.2.5 The sample of the awarded item will not be returned. Non-awarded samples not destroyed during testing shall be returned to the vendor at the vendor's request and expense. Vendors should submit their request to the Buyer of Record stated on the first page of this IFB within ten (10) days after the official bid opening. The request should include the bid name and number and the item(s) to be returned. A call tag must accompany the request. Non-awarded samples not returned or destroyed are donated to charity.

4.2.6 The sample submitted **must be the exact item bid** and it must conform to the mandatory IFB specifications. If awarded a contract, the vendor hereby agrees that the product provided under contract shall be the same as submitted for sample testing for the duration of the contract.

4.2.7 All sample products submitted must be of retail quality.

4.3 Missouri Service-Disabled Veteran Business Enterprise Preference:

4.3.1 Pursuant to section 34.074, RSMo, and 1 CSR 40-1.050, a three (3) bonus point preference shall be granted to vendors who qualify as Missouri service-disabled veteran business enterprises and who complete and submit **EXHIBIT B, Missouri Service-Disabled Veteran Business Enterprise Preference** with the bid. If the bid does not include the completed **EXHIBIT B** and the documentation specified on **EXHIBIT B** in accordance with the instructions provided therein, no preference points will be applied.

4.4 EXHIBIT A, Pricing Page:

4.4.1 The vendor must submit a firm fixed price for Line Item 1 on **EXHIBIT A, Pricing Page**. Price shall include all costs in order to meet the requirements as stated herein.

4.5 Evaluation of Cost:

4.5.1 The estimated quantity shall be taken into consideration to compute the total price for the contract period.

4.5.2 For evaluation purposes only, the cost evaluation shall be calculated as follows:

- a. The estimated contract period cost for the line item will be calculated by dividing the firm fixed case price by the number of items per case to arrive at the individual item cost. The cost per ounce will be calculated by dividing the individual item cost by the total ounces of the item to arrive at the total cost per ounce then multiplied by the multiplier ten (10) then multiplied by the estimated quantity.
- b. The vendor shall agree and understand that the quantity used in the evaluation of cost are provided solely to document how cost will be evaluated. The Department makes no guarantee regarding the accuracy of the quantity stated nor does the Department intend to imply that the figure used for the cost evaluation in any way reflect neither actual nor anticipated usage.

4.5.3 Cost evaluation points shall be determined from the result of the calculations stated above using the following formula:

$$\frac{\text{Lowest Responsive Vendor's Bid Price}}{\text{Compared Vendor's Bid Price}} \times \frac{\text{Maximum Cost}}{\text{Evaluation Points}} = \text{Assigned Cost Points} \\ (100)$$

NOTE: Any prompt payment discount term indicated on **EXHIBIT A, Pricing Page** will not be used in any cost calculation.

4.5.4 Determination of Lowest Priced Bid Including Consideration of Preference – After completing the cost evaluation and determining preference bonus points, the vendor with the most points is considered the lowest bid. Total points shall be computed for the total evaluated bid price as follows:

$$\text{Assigned Cost Points} + \text{Earned Preference Points} = \text{Total Points}$$

4.6 Determination for Award:

4.6.1 **The vendor shall understand and agree that in order to be considered for award, the vendor must be registered in MissouriBUYS (<https://missouribuys.mo.gov/vendors>).**

4.6.2 Only one award shall be made to the lowest priced responsive vendor whose item meets specifications and has the highest total points. Other factors that affect the determination of the lowest price responsive vendor include consideration of the preference explained in paragraph 4.3.

4.6.3 The Department will perform tests on all samples submitted for consideration under this IFB. All samples shall be evaluated for meeting the mandatory specifications and overall acceptability. Only those samples submitted that meet mandatory specifications and are determined to be acceptable will be considered for award.

4.6.4 Other Considerations: The Department reserves the right to reject any bid which is determined unacceptable for reasons which may include but are not necessarily limited to: 1) failure of the vendor to meet mandatory general performance specifications; and/or 2) failure of the vendor to meet mandatory technical specifications; and/or; 3) receipt of any information, from any source, regarding delivery of unsatisfactory product or service by the vendor within the past three years. As deemed in its best interests, the Department reserves the right to clarify any and all portions of any vendor's offer.

4.7 Other Bid Submission Requirements:

- 4.7.1 Vendors who are employees of the State of Missouri, a member of the General Assembly, or a statewide elected official, must comply with sections 105.450 to 105.458 RSMo regarding conflict of interest. If the vendor or any owner of the vendor's organization is currently an employee of the State of Missouri, a member of the General Assembly, or a statewide official, please complete the first section of **EXHIBIT C, Miscellaneous Information**.

- e. A bid may also be withdrawn after the bid opening through submission of a written request by an authorized representative of the vendor. Justification of a withdrawal decision may include a significant error or exposure of bid information that may cause irreparable harm to the vendor.
- f. When submitting a bid electronically, the registered vendor indicates acceptance of all IFB requirements, terms and conditions by clicking on the "Accept" button on the Overview tab. Vendors submitting a hard copy must sign and return the IFB cover page or, if applicable, the cover page of the last addendum thereto in order to constitute acceptance by the vendor of all the IFB terms and conditions. Failure to do so may result in the rejection of the bid unless the vendor's full compliance with those documents is indicated elsewhere within the vendor's response.
- g. Faxed and e-mailed bids shall not be accepted, however, faxed and e-mail no-bid notifications shall be accepted.

7. BID OPENING

- a. Bid openings are public on the opening date and time specified in the IFB document. Names, locations, and prices of respondents shall be read at the bid opening. All vendors may view the same bid response information on the MissouriBUYS Statewide eProcurement System. The Department will not provide prices or other bid information via the telephone.
- b. Bids, which are not received in the Department's Purchasing office prior to the official opening date and time, shall be considered late, regardless of the degree of lateness, and normally will not be opened. Late bids may only be opened under extraordinary circumstances in accordance with 1 CSR 40-1.050.

8. PREFERENCES

- a. In the evaluation of bids, preferences shall be applied in accordance with Chapter 34 RSMo. Contractors should apply the same preferences in selecting subcontractors.
- b. By virtue of statutory authority, a preference will be given to materials, products, supplies, provisions and all other articles produced, manufactured, made or grown within the State of Missouri and to all firms, corporations or individuals doing business as Missouri firms, corporations or individuals. Such preference shall be given when quality is equal or better and delivered price is the same or less.

9. EVALUATION/AWARD

- a. Any clerical error, apparent on its face, may be corrected by the Buyer of Record before contract award. Upon discovering an apparent clerical error, the Buyer of Record shall contact the vendor and request clarification of the intended bid. The correction shall be incorporated in the notice of award. Examples of apparent clerical errors are: 1) misplacement of a decimal point; and 2) obvious mistake in designation of unit.
- b. Any pricing information submitted by a vendor shall be subject to evaluation if deemed by the Department to be in the best interest of the State of Missouri.
- c. The vendor is encouraged to propose price discounts for prompt payment or propose other price discounts that would benefit the Department. However, unless otherwise specified in the IFB, pricing shall be evaluated at the maximum potential financial liability to the Department.
- d. Awards shall be made to the vendor(s) whose bid (1) complies with all mandatory specifications and requirements of the IFB and (2) is the lowest and best bid, considering price, responsibility of the vendor, and all other evaluation criteria specified in the IFB and (3) complies with sections 34.010 and 34.070 RSMo and Executive Order 04-09.
- e. In the event all vendors fail to meet the same mandatory requirement in an IFB, the Department reserves the right, at its sole discretion, to waive that requirement for all vendors and to proceed with the evaluation. In

addition, the Department reserves the right to waive any minor irregularity or technicality found in any individual bid.

- f. The Department reserves the right to reject any and all bids.
- g. When evaluating a bid, the Department reserves the right to consider relevant information and fact, whether gained from a bid, from a vendor, from a vendor's references, or from any other source.
- h. Any information submitted with the bid, regardless of the format or placement of such information, may be considered in making decisions related to the responsiveness and merit of a bid and the award of a contract.
- i. Any award of a contract shall be made by notification from the Department to the successful vendor. The Department reserves the right to make awards by item, group of items, or an all or none basis. The grouping of items awarded shall be determined by the Department based upon factors such as item similarity, location, administrative efficiency, or other considerations in the best interest of the State of Missouri.
- j. All bids and associated documentation submitted on or before the official opening date and time will be considered open records pursuant to section 610.021 RSMo.
- k. The Department maintains records of all bid file material for review. Vendors who include an e-mail address with their bid will be notified of the award results via e-mail if requested.
- l. The Department reserves the right to request clarification of any portion of the vendor's response in order to verify the intent of the vendor. The vendor is cautioned, however, that its response may be subject to acceptance or rejection without further clarification.
- m. Any bid award protest must be received within ten (10) business days after the date of award in accordance with the requirements of 1 CSR 40-1.050 (9).
- n. The final determination of contract award(s) shall be made by the Department.

10. CONTRACT/PURCHASE ORDER

- a. By submitting a bid, the vendor agrees to furnish any and all equipment, supplies and/or services specified in the IFB, at the prices quoted, pursuant to all requirements and specifications contained therein.
- b. A binding contract shall consist of: (1) the IFB and any addendums thereto, (2) the contractor's response (bid) to the IFB, (3) clarification of the bid, if any, and (4) the Department's acceptance of the response (bid) by "notice of award" or by "purchase order." All Exhibits and Attachments included in the IFB shall be incorporated into the contract by reference.
- c. A Notice of Award issued by the Department does not constitute an authorization for shipment of equipment or supplies or a directive to proceed with services. Before providing equipment, supplies and/or services for the Department, the contractor must receive a properly authorized purchase order or other form of authorization given to the contractor at the discretion of the Department.
- d. The contract expresses the complete agreement of the parties and performance shall be governed solely by the specifications and requirements contained therein. Any change to the contract, whether by modification and/or supplementation, must be accomplished by a formal contract amendment signed and approved by and between the duly authorized representative of the contractor and the Department prior to the effective date of such modification. The contractor expressly and explicitly understands and agrees that no other method and/or no other document, including correspondence, acts, and oral communications by or from any person, shall be used or construed as an amendment or modification to the contract.

11. INVOICING AND PAYMENT

- a. The State of Missouri does not pay state or federal taxes unless otherwise required under law or regulation.
- b. For each purchase order received, an invoice must be submitted that references the purchase order number, and must be itemized in accordance with items listed on the purchase order. Failure to comply with this requirement may delay processing of invoices for payment.
- c. Payment for all equipment, supplies, and/or services required herein shall be made in arrears unless otherwise indicated in the IFB.
- d. The Department assumes no obligation for equipment, supplies, and/or services shipped or provided in excess of the quantity ordered. Any unauthorized quantity is subject to the Department's rejection and shall be returned to the contractor at the contractor's expense.
- e. All invoices for equipment, supplies, and/or services purchased by the Department shall be subject to late payment charges as provided in section 34.055 RSMo.

- f. The Department reserves the right to purchase goods and services using the state purchasing card.

12. DELIVERY

- a. Time is of the essence. Deliveries of equipment, supplies, and/or services must be made no later than the time stated in the contract or within a reasonable period of time if a specific time is not stated.
- b. A Missouri Uniformed Law Enforcement System (MULES) background check may be required on the contractor's delivery driver prior to allowing a delivery vehicle entrance to certain institutions. A valid Missouri driver's license is required from the driver to perform the MULES background check. If the driver does not have a valid Missouri driver's license, their social security number and date of birth are required. If a driver or carrier refuses to provide the appropriate information to conduct a MULES background check, or if information received from the background check prohibits the driver or carrier from entering the institution, the delivery will be refused. Additional delivery costs associated with re-deliveries or contracting with another carrier for delivery shall be the responsibility of the contractor.
- c. Unless a pallet exchange is requested at the time of delivery, all pallets used in the delivery of equipment and supplies shall become property of the Department.

13. INSPECTION AND ACCEPTANCE

- a. No equipment, supplies, and/or services received by the Department pursuant to a contract shall be deemed accepted until the Department has had reasonable opportunity to inspect said equipment, supplies, and/or services.
- b. All equipment, supplies, and/or services which do not comply with the specifications and/or requirements, or which are otherwise unacceptable or defective, may be rejected. In addition, all equipment, supplies, and/or services which are discovered to be defective, or which do not conform to any warranty of the contractor upon inspection (or at any later time if the defects contained were not reasonably ascertainable upon the initial inspection), may be rejected.
- c. The Department reserves the right to return any such rejected shipment at the contractor's expense for full credit or replacement and to specify a reasonable date by which replacements must be received.
- d. The Department's right to reject any unacceptable equipment, supplies, and/or services shall not exclude any other legal, equitable or contractual remedies the state may have.

14. WARRANTY

- a. The contractor expressly warrants that all equipment, supplies, and/or services provided shall: (1) conform to each and every specification, drawing, sample or other description which was furnished to or adopted by the Department, (2) be fit and sufficient for the purpose expressed in the IFB, (3) be merchantable, (4) be of good materials and workmanship, and (5) be free from defect.
- b. Such warranty shall survive delivery and shall not be deemed waived either by reason of the Department's acceptance of or payment for said equipment, supplies, and/or services.

15. CONFLICT OF INTEREST

- a. Elected or appointed officials or employees of the State of Missouri or any political subdivision thereof, serving in an executive or administrative capacity, must comply with sections 105.452 and 105.454 RSMo regarding conflict of interest.
- b. The contractor hereby covenants that at the time of the submission of the bid the contractor has no other contractual relationships, which would create any actual or perceived conflict of interest. The contractor further agrees that during the term of the contract neither the contractor nor any of its employees shall acquire any other contractual relationships, which create such a conflict.

16. CONTRACTOR STATUS

- a. The contractor represents itself to be an independent contractor offering such services to the general public and shall not represent itself to be an employee of the State of Missouri. Therefore, the contractor shall

assume all legal and financial responsibility for taxes, FICA, employee fringe benefits, workers compensation, employee insurance, minimum wage requirements, overtime, etc., and agrees to indemnify, save, and hold the State of Missouri, its officers, agents, and employees, harmless from and against, any and all loss, costs (including attorney fees), and damage of any kind related to such matters.

17. REMEDIES AND RIGHTS

- a. No provision in the contract shall be construed, expressly or implied, as a waiver by the Department of any existing or future right and/or remedy available by law in the event of any claim by the Department of the contractor's default or breach of contract.
- b. The contractor agrees and understands that the contract shall constitute an assignment by the contractor to the Department of all rights, title and interest in and to all causes of action that the contractor may have under the antitrust laws of the United States or the Department for which causes of action have accrued or will accrue as the result of or in relation to the particular equipment, supplies, and/or services purchased or procured by the contractor in the fulfillment of the contract with the Department.

18. SEVERABILITY

- a. If any provision of this contract or the application thereof is held invalid, the invalidity shall not affect other provisions or applications of this contract, which can be given effect without the invalid provisions, or application, and to this end, the provisions of this contract are declared severable.

19. CANCELLATION OF CONTRACT

- a. In the event of material breach of the contractual obligations by the contractor, the Department may cancel the contract. At its sole discretion, the Department may give the contractor an opportunity to cure the breach or to explain how the breach will be cured. The actual cure must be completed within no more than ten (10) working days from notification, or at a minimum, the contractor must provide the Department within ten (10) working days from notification a written plan detailing how the contractor intends to cure the breach.
- b. If the contractor fails to cure the breach, or if circumstances demand immediate action, the Department will issue a notice of cancellation terminating the contract immediately. If it is determined the Department improperly cancelled the contract, such cancellation shall serve as notice of termination for convenience in accordance with the contract.
- c. If the Department cancels the contract for breach, the Department reserves the right to obtain the equipment, supplies, and/or services to be provided pursuant to the contract from other sources and upon such terms and in such manner as the Department deems appropriate and charge the contractor for any additional costs incurred thereby.
- d. The contractor understands and agrees that if the funds required to fund the contract are appropriated by the General Assembly of the State of Missouri, the contract shall not be binding upon the Department for any contract period in which funds have not been appropriated, and the Department shall not be liable for any costs associated with termination caused by lack of appropriations.
- e. If the Department has reasonable cause to believe that the contractor has knowingly employed individuals who are not eligible to work in the United States in violation of federal law, the Department shall declare a breach and cancel the contract immediately without incurring any penalty.

20. TERMINATION OF CONTRACT

- a. The Department reserves the right to terminate the contract at any time for the convenience of the Department, without penalty or recourse, by giving notice to the contractor at least thirty (30) calendar days prior to the effective date of such termination. The contractor shall be entitled to receive just and equitable compensation for services and/or supplies or equipment delivered to and accepted by the Department pursuant to the contract prior to the effective date of termination.

21. ASSIGNMENT OF CONTRACT

- a. The contractor shall neither assign nor transfer any of the rights, interests, or obligations of the contract without the prior written consent of the Department.

22. COMMUNICATIONS AND NOTICES

- a. Any notice to the contractor shall be deemed sufficient when e-mailed to the contractor at the e-mail address indicated in the contract, or transmitted by facsimile to the facsimile number indicated in the contract, or deposited in the United States mail, postage prepaid, and addressed to the contractor at the address indicated in the contract, or hand-carried and presented to an authorized employee of the contractor.
- b. If the contractor desires to receive written notices at a different e-mail address, facsimile number, or USPS address than what is indicated in the contract, the contractor must submit this request in writing upon notice of award.

23. FORCE MAJEURE

- a. The contractor shall not be liable for any excess costs for delayed delivery of goods or services to the Department if the failure to perform the contract arises out of causes beyond the control of, and without the fault or negligence of, the contractor. Such causes may include, however are not restricted to: acts of God, fires, floods, epidemics, quarantine restrictions, strikes, and freight embargoes. In all cases, the failure to perform must be beyond the control of, and without the fault or negligence of, either the contractor or any subcontractor(s). The contractor shall take all possible steps to recover from any such occurrences.

24. CONTRACT EXTENSION

- a. In the event of an extended re-procurement effort and the contract's available renewal options have been exhausted, the Department reserves the right to extend the contract. If exercised, the extension shall be for a period of time as mutually agreed to by the Department and the contractor at the same terms, conditions, provisions, and pricing in order to complete the procurement process and transition to a new contract.

25. INSURANCE

- a. The State of Missouri cannot save and hold harmless and/or indemnify the contractor or its employees against any liability incurred or arising as a result of any activity of the contractor or the contractor's employees related to the contractor's performance under the contract. Therefore, the contractor must acquire and maintain adequate liability insurance in the form(s) and amount(s) sufficient to protect the State of Missouri, its agencies, its employees, its clients, and the general public against any such loss, damage, and/or expense related to his/her performance under the contract.

26. BANKRUPTCY OR INSOLVENCY

- a. Upon filing for any bankruptcy or insolvency proceeding by or against the contractor, whether voluntary or involuntary, or upon the appointment of a receiver, trustee, or assignee for the benefit of creditors, the contractor must notify the Department immediately.
- b. Upon learning of any such actions, the Department reserves the right, at its sole discretion, to either cancel the contract or affirm the contract and hold the contractor responsible for damages.

27. INVENTIONS, PATENTS, AND COPYRIGHTS

- a. The contractor shall defend, protect, and hold harmless the Department, its officers, agents, and employees against all suits of law or in equity resulting from patent and copyright infringement concerning the contractor's performance or products produced under the terms of the contract.

28. CONTRACTOR PROPERTY

- a. Upon expiration, termination or cancellation of a contract, any contractor property left in the possession of the Department after forty-five (45) calendar days shall become property of the Department.

29. NON-DISCRIMINATION AND AFFIRMATIVE ACTION

- a. In connection with the furnishing of equipment, supplies, and/or services under the contract, the contractor and all subcontractors shall agree not to discriminate against recipients of services or employees or applicants for employment on the basis of race, color, religion, national origin, sex, age, disability, or veteran status unless otherwise provided by law. If the contractor or subcontractor employs at least 50 persons, they shall have and maintain an affirmative action program, which shall include:
 - 1. A written policy statement committing the organization to affirmative action and assigning management responsibilities and procedures for evaluation and dissemination;
 - 2. The identification of a person designated to handle affirmative action;
 - 3. The establishment of non-discriminatory selection standards, objective measures to analyze recruitment, an upward mobility system, a wage and salary structure, and standards applicable to layoff, recall, discharge, demotion, and discipline;
 - 4. The exclusion of discrimination from all collective bargaining agreements; and
 - 5. Performance of an internal audit of the reporting system to monitor execution and to provide for future planning.
- b. If discrimination by a contractor is found to exist, the Department shall take appropriate enforcement action which may include, but not necessarily be limited to, cancellation of the contract, suspension, or debarment by the Department until corrective action by the contractor is made and ensured, and referral to the Attorney General's Office, whichever enforcement action may be deemed most appropriate.

30. AMERICANS WITH DISABILITIES ACT

- a. In connection with the furnishing of equipment, supplies, and/or services under the contract, the contractor, and all subcontractors shall comply with all applicable requirements and provisions of the Americans with Disabilities Act (ADA).

31. FILING AND PAYMENT OF TAXES

- a. The commissioner of administration and other agencies to which the state purchasing law applies shall not contract for goods or services with a vendor if the vendor or an affiliate of the vendor makes sales at retail of tangible personal property or for the purpose of storage, use, or consumption in this state but fails to collect and properly pay the tax as provided in chapter 144, RSMo. For the purposes of this section, "affiliate of the vendor" shall mean any person or entity that is controlled by or is under common control with the vendor, whether through stock ownership or otherwise. Therefore, a vendor's failure to maintain compliance with chapter 144, RSMo may eliminate their bid from consideration for award.
