******* END OF INTRODUCTION AND GENERAL INFORMATION *******

2. CONTRACTUAL REQUIREMENTS

This section of the RFP includes the general contract requirements and provisions that shall govern the contract after RFP award. The contents of this section include mandatory provisions that must be adhered to by the state and the contractor unless changed by a contract amendment. Response to this section by the vendor is not necessary as all provisions are mandatory.

2.1 Contract:

- 2.1.1 A binding contract shall consist of: (1) the RFP, addendums thereto, and any Best and Final Offer (BAFO) request(s) with RFP changes/additions, (2) the contractor's proposal including any contractor BAFO response(s), (3) clarification of the proposal, if any, and (4) the Division of Purchasing's acceptance of the proposal by "notice of award". All Exhibits and Attachments included in the RFP shall be incorporated into the contract by reference.
- 2.1.2 A notice of award issued by the State of Missouri does not constitute an authorization for shipment of equipment or supplies or a directive to proceed with services. Before providing equipment, supplies and/or services for the State of Missouri, the contractor must receive a properly authorized purchase order or other form of authorization given to the contractor at the discretion of the state agency.
- 2.1.3 The contract expresses the complete agreement of the parties and performance shall be governed solely by the specifications and requirements contained therein.
- 2.1.4 Any change to the contract, whether by modification and/or supplementation, must be accomplished by a formal contract amendment signed and approved by and between the duly authorized representative of the contractor and the Division of Purchasing prior to the effective date of such modification. The contractor expressly and explicitly understands and agrees that no other method and/or no other document, including correspondence, acts, and oral communications by or from any person, shall be used or construed as an amendment or modification to the contract.

2.2 Contract Period:

- 2.2.1 The original contract period shall be as stated on the Notice of Award. The contract shall not bind, nor purport to bind, the state for any contractual commitment in excess of the original contract period. The Division of Purchasing shall have the right, at its sole option, to renew the contract for two (2) additional one-year periods, or any portion thereof. In the event the Division of Purchasing exercises such right, all terms and conditions, requirements and specifications of the contract shall remain the same and apply during renewal periods.

2.3 Firm, Fixed Percentage Discounts:

- 2.3.1 The firm, fixed percentage discounts shall be as indicated on the Pricing Page. The percentage discounts shall include all packing, handling, shipping and freight charges F.O.B. Destination, Freight Prepaid and Allowed. The state shall not pay nor be liable for any other additional costs including but not limited to taxes, shipping charges, insurance, interest, penalties, termination payments, attorney fees, liquidated damages, etc.
- 2.3.2 The percentage discounts quoted on the Pricing Page shall be considered firm and fixed. The percentage discounts shall be applied to the current manufacturer's suggested retail price (MSRP) for all locking hardware items within the specific manufacturer for line items 1 through 7.

- a. The percentage discount quoted for line item 8 shall apply to the current MSRP for all other locking hardware manufacturers the contractor provides that is not specifically quoted in line items 1 through 7.

- 2.3.3 The contractor shall understand and agree that the MSRP list/catalog may change during the contract period, although such pricing shall not change with a frequency greater than every six (6) months. It is preferred that the MSRP list/catalog change only on an annual basis.
- 2.3.4 The contractor shall understand in the event that the MSRP list/catalog lists more than one price for the same item, the applicable quoted firm, fixed discount shall be applied to the lowest listed price. The State of Missouri shall always receive the contractor's lowest price for the item.
- 2.3.5 The contractor shall furnish current MSRP lists/catalogs (with products clearly identified) to the state agency upon request. The MSRP lists/catalogs shall also be provided to the state agency as the catalogs change and/or pricing is updated.
- 2.3.6 The contractor shall understand and agree that the stated firm, fixed percentage discounts shall remain the same throughout the duration of the contract and all renewal periods.
- 2.3.7 The contractor shall not impose a discount "floor" when applying the quoted percentage discounts to determine pricing for the item.
- 2.3.8 The contractor must pass along any manufacturer's specials or quantity discounts that would result in a price lower than the current mark-up selling price.
- 2.3.9 The contractor's current MSRP list/catalog used in determining the product price shall be the contractor's published MSRP list/catalog offered to the public. The contractor shall not create nor publish a separate MSRP list/catalog specifically for the using state agencies unless it results in lower costs to the agencies.

2.4 Contractor Liability:

- 2.4.1 The contractor shall be responsible for any and all personal injury (including death) or property damage as a result of the contractor's negligence involving any equipment or service provided under the terms and conditions, requirements and specifications of the contract. In addition, the contractor assumes the obligation to save the State of Missouri, including its agencies, employees, and assignees, from every expense, liability, or payment arising out of such negligent act. The contractor also agrees to hold the State of Missouri, including its agencies, employees, and assignees, harmless for any negligent act or omission committed by any subcontractor or other person employed by or under the supervision of the contractor under the terms of the contract.
- 2.4.2 The contractor shall not be responsible for any injury or damage occurring as a result of any negligent act or omission committed by the State of Missouri, including its agencies, employees, and assignees.
- 2.4.3 Under no circumstances shall the contractor be liable for any of the following: (1) third party claims against the state for losses or damages (other than those listed above); (2) loss of, or damage to, the state's records or data; or (3) economic consequential damages (including lost profits or savings) or incidental damages, even if the contractor is informed of their possibility.

2.5 Independent Contractor:

- 2.5.1 The contractor is an independent contractor and shall not represent the contractor or the contractor's employees to be employees of the State of Missouri or an agency of the State of Missouri. The contractor shall assume all legal and financial responsibility for salaries, taxes, FICA, employee fringe benefits, workers compensation, employee insurance, minimum wage requirements, overtime, etc., and agrees to

indemnify, save, and hold the State of Missouri, its officers, agents, and employees, harmless from and against, any and all loss; cost (including attorney fees); and damage of any kind related to such matters.

2.6 Coordination:

- 2.6.1 The contractor shall fully coordinate all contract activities with those activities of the state agency. As the work of the contractor progresses, advice and information on matters covered by the contract shall be made available by the contractor to the state agency or the Division of Purchasing throughout the effective period of the contract.

2.7 Estimated Quantities:

- 2.7.1 The quantities indicated in this Request for Proposal are estimates that pertain to the total aggregate quantities that may be ordered incrementally at multiple times throughout the stated contract period. The estimates do not indicate single order amounts unless otherwise stated. The State of Missouri makes no guarantees about single order quantities or total aggregate order quantities.

2.8 Insurance:

- 2.8.1 The contractor shall understand and agree that the State of Missouri cannot save and hold harmless and/or indemnify the contractor or employees against any liability incurred or arising as a result of any activity of the contractor or any activity of the contractor's employees related to the contractor's performance under the contract. Therefore, the contractor must acquire and maintain adequate liability insurance in the form(s) and amount(s) sufficient to protect the State of Missouri, its agencies, its employees, its clients, and the general public against any such loss, damage and/or expense related to his/her performance under the contract. General and other non-professional liability insurance shall include an endorsement that adds the State of Missouri as an additional insured. Self-insurance coverage or another alternative risk financing mechanism may be utilized provided that such coverage is verifiable and irrevocably reliable and the State of Missouri is protected as an additional insured.

- a. In the event any insurance coverage is canceled, the state agency must be notified within thirty (30) calendar days.

2.9 Termination:

- 2.9.1 The Division of Purchasing reserves the right to terminate the contract at any time, for the convenience of the State of Missouri, without penalty or recourse, by giving written notice to the contractor at least thirty (30) calendar days prior to the effective date of such termination. The contractor shall be entitled to receive compensation for services and/or supplies delivered to and accepted by the State of Missouri pursuant to the contract prior to the effective date of termination.

2.10 Payment Terms:

- 2.10.1 The contractor shall understand and agree the state reserves the right to make contract payments to the contractor through electronic funds transfer (EFT). Therefore, prior to any payments becoming due under the contract, the contractor must update their vendor registration with their ACH-EFT payment information at <https://MissouriBUYS.mo.gov>. Each contractor invoice must be on the contractor's original descriptive business invoice form and must contain a unique invoice number. The invoice number will be listed on the state's EFT addendum record to enable the contractor to properly apply state payments to invoices. The contractor must comply with all other invoicing requirements stated in the RFP.

2.10.2 The contractor may obtain detailed information for payments issued for the past 24 months from the State of Missouri's central accounting system (SAM II) on the Vendor Services Portal at <https://www.vendorservices.mo.gov/vendorservices/Portal/Default.aspx>.

2.10.3 All payment terms shall be as stated in the Terms and Conditions of the contract (see paragraph 10, "Invoicing and Payment") unless otherwise addressed in the RFP, or mutually agreed to by the state and the contractor. Payment terms should be net 30 days unless otherwise stated in the RFP. No late charges shall be applied which are not in compliance with Chapter 34.055 RSMo. This statute may be found at <http://www.moga.mo.gov/mostatutes/ChaptersIndex/chaptIndex034.html>.

2.11 Participation by Other Organizations:

2.11.1 The contractor must comply with any Organization for the Blind/Sheltered Workshop participation levels committed to in the contractor's awarded proposal.

2.11.2 The contractor shall prepare and submit to the Division of Purchasing a report detailing all payments made by the contractor to Organizations for the Blind/Sheltered Workshops participating in the contract for the reporting period. The contractor must submit the report on a monthly basis, unless otherwise determined by the Division of Purchasing.

2.11.3 The Division of Purchasing will monitor the contractor's compliance in meeting the Organizations for the Blind/Sheltered Workshop participation levels committed to in the contractor's awarded proposal. If the contractor's payments to the participating entities are less than the amount committed, the state may cancel the contract and/or suspend or debar the contractor from participating in future state procurements, or retain payments to the contractor in an amount equal to the value of the participation commitment less actual payments made by the contractor to the participating entity. If the Division of Purchasing determines that the contractor becomes compliant with the commitment, any funds retained as stated above, will be released.

2.11.4 If a participating entity fails to retain the required certification or is unable to satisfactorily perform, the contractor must obtain other organizations for the blind/sheltered workshops to fulfill the participation requirements committed to in the contractor's awarded proposal.

a. The contractor must obtain the written approval of the Division of Purchasing for any new entities. This approval shall not be arbitrarily withheld.

b. If the contractor cannot obtain a replacement entity, the contractor must submit documentation to the Division of Purchasing detailing all efforts made to secure a replacement. The Division of Purchasing shall have sole discretion in determining if the actions taken by the contractor constitute a good faith effort to secure the required participation and whether the contract will be amended to change the contractor's participation commitment.

2.11.5 No later than 30 days after the first renewal period, the contractor must submit an affidavit to the Division of Purchasing. The affidavit must be signed by the director or manager of the participating Organizations for the Blind/Sheltered Workshop verifying provision of products and/or services and compliance of all contractor payments made to the Organizations for the Blind/Sheltered Workshops. The contractor may use the affidavit available on the Division of Purchasing website at <http://oa.mo.gov/sites/default/files/bswaffidavit.doc> or another affidavit providing the same information.

2.12 Contractor's Personnel:

2.12.1 The contractor shall only employ personnel authorized to work in the United States in accordance with applicable federal and state laws. This includes but is not limited to the Illegal Immigration Reform and Immigrant Responsibility Act (IIRIRA) and INA Section 274A.

2.12.2 If the contractor is found to be in violation of this requirement or the applicable state, federal and local laws and regulations, and if the State of Missouri has reasonable cause to believe that the contractor has knowingly employed individuals who are not eligible to work in the United States, the state shall have the right to cancel the contract immediately without penalty or recourse and suspend or debar the contractor from doing business with the state.

2.12.3 The contractor shall agree to fully cooperate with any audit or investigation from federal, state, or local law enforcement agencies.

2.13 Subcontractors:

2.13.1 Any subcontracts for the products/services described herein must include appropriate provisions and contractual obligations to ensure the successful fulfillment of all contractual obligations agreed to by the contractor and the State of Missouri and to ensure that the State of Missouri is indemnified, saved, and held harmless from and against any and all claims of damage, loss, and cost (including attorney fees) of any kind related to a subcontract in those matters described in the contract between the State of Missouri and the contractor. The contractor shall expressly understand and agree that he/she shall assume and be solely responsible for all legal and financial responsibilities related to the execution of a subcontract. The contractor shall agree and understand that utilization of a subcontractor to provide any of the products/services in the contract shall in no way relieve the contractor of the responsibility for providing the products/services as described and set forth herein. The contractor must obtain the approval of the State of Missouri prior to establishing any new subcontracting arrangements and before changing any subcontractors. The approval shall not be arbitrarily withheld.

2.14 Confidentiality and Security Documents:

2.14.1 If required by the state agency, the contractor and any required contractor personnel must sign specific documents regarding confidentiality, security or other similar documents upon request. Failure of the contractor and any required personnel to sign such documents shall be considered a breach of contract and subject to the cancellation provisions of this document.

2.15 Prison Rape Elimination Act (PREA) Requirements:

2.15.1 The Missouri Department of Corrections requires that all of the contractor's employees and agents providing service in the facility must be at least 18 years of age. A Missouri Uniform Law Enforcement System (MULES) or other background investigation may be required on the contractor's employees and agents before allowing entry into the institution. Such investigation shall be equivalent to investigations required of all personnel employed by the Department. The institution shall have the right to deny access into the institution for any of the contractor's employees or agents for any reason. Such denial shall not relieve the contractor of any requirements of the contract.

2.15.2 Contractor's employees and agents under active federal or state felony or misdemeanor supervision must receive written division director approval prior to performing services on a Department contract. Contractors/employees/agents with prior felony convictions and not under active supervision must receive written division director approval in advance.

The contractor shall comply with the Department's policy and procedures relating to employee conduct.

- a. Any contractor or contractor's employee or agent who witnesses sexual abuse or sexual harassment must immediately report it to the warden. A contractor or contractor's employee or agent who engages in, fails to report, or knowingly condones sexual harassment or sexual contact with or between offenders shall be grounds for canceling the contract and may subject the contractor or contractor's employee or agent to criminal prosecution.
 - b. Any contractor, contractor's employee or agent who has engaged in sexual abuse in a prison, jail, lockup, community confinement facility, juvenile facility or other institution shall be denied access into the institution.
- 2.15.4 The contractor and/or contractor's employees and agents shall not interact with the offenders except as is necessary to perform the requirements of the contract. The contractor shall understand that the state reserves the right to allow the substitution of any new or different product/system offered by the contractor. The Division of Purchasing shall be the final authority as to acceptability of any proposed substitution.
- 3.2.4 Any item substitution shall require a formal contract amendment authorized by the Division of Purchasing prior to the state acquiring the substitute item under the contract.
- 3.2.5 The state may choose not to compel an item substitution in the event requiring a substitution would be deemed unreasonable in the sole opinion of the State of Missouri. The contractor shall not be relieved of substituting a product in the event of manufacturer discontinuation or other reason simply for reasons of unprofitability to the contractor.

3.3 Replacement of Damaged Product:

- 3.3.1 The contractor shall be responsible for repairing or replacing any item or components received in damaged condition at no cost to the State of Missouri. This includes all delivery/transportation costs for returning non-functional items to the contractor for replacement.

This report must be submitted to the Division of Purchasing at P.O. Box 809, Jefferson City, Missouri, 65102, and directed to the Buyer's attention.

The vendor shall provide documentation of compliance upon request by the Division of Purchasing. The compliance to conduct business in the state shall include but may not be limited to:

4.4 Submission of Proposals:

- 4.4.1 On-line Proposal -- If a registered vendor is responding electronically through the MissouriBUYS System website, in addition to completing the on-line pricing, the registered vendor should submit completed exhibits, forms, and other information concerning the proposal as an attachment to the electronic proposal. The registered vendor is instructed to review the RFP submission provisions carefully to ensure they are providing all required pricing, including applicable renewal pricing. Instructions on how a registered vendor responds to a bid on-line are available on the MissouriBUYS System website at: <https://missouribuys.mo.gov/bidboard.html>.

- a. The exhibits, forms, and Pricing Page(s) provided herein can be saved into a word processing document, completed by a registered vendor, and then sent as an attachment to the electronic submission. Other information requested or required may be sent as an attachment. Additional instructions for submitting electronic attachments are on the MissouriBUYS System website. Be sure to include the solicitation/opportunity (OPP) number, company name, and a contact name on any electronic attachments.
- b. In addition, a registered vendor may submit the exhibits, forms, Pricing Page(s), etc., through mail or courier service. However, any such submission must be received prior to the specified end date and time.
- c. If a registered vendor submits an electronic and hard copy proposal response and if such responses are not identical, the vendor should explain which response is valid. In the absence of an explanation, the State of Missouri shall consider the response which serves its best interest.

4.4.2 **Hard Copy Proposal** – If the vendor is submitting a proposal via the mail or a courier service or is hand delivering the proposal, the vendor should include completed exhibits, forms, and other information concerning the proposal (including completed Pricing Page(s) with the proposal. The vendor is instructed to review the RFP submission provisions carefully to ensure they are providing all required pricing, including applicable renewal pricing.

- a. The proposal should be page numbered.
- b. **Recycled Products** - The State of Missouri recognizes the limited nature of our resources and the leadership role of government agencies in regard to the environment. Accordingly, the vendor is requested to print the proposal double-sided using recycled paper, if possible, and minimize or eliminate the use of non-recyclable materials such as plastic report covers, plastic dividers, vinyl sleeves, and binding. Lengthy proposals may be submitted in a notebook or binder.

4.5 Confidentiality Materials:

- 4.5.1 Pursuant to section 610.021, RSMo, proposals and related documents shall not be available for public review until a contract has been awarded or all proposals are rejected.
- 4.5.2 The Division of Purchasing is a governmental body under Missouri Sunshine Law (chapter 610, RSMo). Section 610.011, RSMo, requires that all provisions be “liberally construed and their exceptions strictly construed” to promote the public policy that records are open unless otherwise provided by law.
- 4.5.3 Regardless of any claim by a vendor as to material being confidential and not subject to copying or distribution, or how a vendor characterizes any information provided in its proposal, all material submitted by the vendor in conjunction with the RFP is subject to release after the award of a contract in relation to a request for public records under the Missouri Sunshine Law (see chapter 610, RSMo). Only information expressly permitted to be closed pursuant to the strictly construed provisions of Missouri’s Sunshine Law will be treated as a closed record by the Division of Purchasing and withheld from any public request submitted to Division of Purchasing after award. Vendors should presume information provided to Division of Purchasing in a proposal will be public following the award of the contract or after rejection of all proposals and made available upon request in accordance with the provisions of state law. The vendor’s sole remedy for the state’s denial of any confidentiality request shall be limited to withdrawal of their proposal in its entirety.
- 4.5.4 In no event will the following be considered confidential or exempt from the Missouri Sunshine Law:
 - a. Vendor’s entire proposal;

- b. Vendor's pricing;
- c. Vendor's proposed method of performance including schedule of events and/or deliverables;
- d. Vendor's experience information including customer lists or references;
- e. Vendor's product specifications unless specifications disclose scientific and technological innovations in which the owner has a proprietary interest (see subsection 15 of section 610.021, RSMo).

4.5.5 On-line Proposal – If a registered vendor is responding electronically through the MissouriBUYS System website, in the event the registered vendor attaches information with their proposal that is allowed by the Missouri Sunshine Law to be exempt from public disclosure, such specific material of their proposal must be attached as a separate document and must have the box "Confidential" selected when attaching the document. If the "Confidential" box is not selected when attaching the document, the document must be clearly marked as confidential along with an explanation of what qualifies the specific material to be held as confidential pursuant to the provisions of section 610.021, RSMo. The vendor's failure to follow these instructions shall relieve the state of any obligation to preserve the confidentiality of the documents.

4.5.6 Hard Copy Proposal – If the vendor is submitting a proposal via the mail or a courier service or is hand delivering the proposal, in the event the vendor does submit information with their proposal that is allowed by the Missouri Sunshine Law to be exempt from public disclosure, such specific material of their proposal must be separated, sealed, and clearly marked as confidential along with an explanation of what qualifies the specific material to be held as confidential pursuant to the provisions of section 610.021, RSMo. The vendor's failure to follow this instruction shall relieve the state of any obligation to preserve the confidentiality of the documents.

4.5.7 Imaging Ready – Except for any portion of a proposal qualifying as confidential as determined by the Division of Purchasing as specified above, after a contract is executed or all proposals are rejected, all proposals are scanned into the Division of Purchasing imaging system. The scanned information will be available for viewing through the Internet from the Division of Purchasing Awarded Bid and Contract Document Search system. Therefore, the vendor is advised not to include any information in the proposal that the vendor does not want to be viewed by the public, including personal identifying information such as social security numbers. Also, in preparing a proposal, the vendor should be mindful of document preparation efforts for imaging purposes and storage capacity that will be required to image the proposal and should limit proposal content to items that provide substance, quality of content, and clarity of information.

4.6 Competitive Negotiation of Proposals:

4.6.1 The vendor is advised that under the provisions of this Request for Proposal, the Division of Purchasing reserves the right to conduct negotiations of the proposals received or to award a contract without negotiations. If such negotiations are conducted, the following conditions shall apply:

- a. Negotiations may be conducted in person, in writing, or by telephone.
- b. Negotiations will only be conducted with potentially acceptable proposals. The Division of Purchasing reserves the right to limit negotiations to those proposals which received the highest rankings during the initial evaluation phase. All vendors involved in the negotiation process will be invited to submit a best and final offer.
- c. Terms, conditions, prices, methodology, or other features of the vendor's proposal may be subject to negotiation and subsequent revision. As part of the negotiations, the vendor may be required to submit supporting financial, pricing and other data in order to allow a detailed evaluation of the feasibility, reasonableness, and acceptability of the proposal.

- d. The mandatory requirements of the Request for Proposal shall not be negotiable and shall remain unchanged unless the Division of Purchasing determines that a change in such requirements is in the best interest of the State of Missouri.

4.7 Description of Product:

- 4.7.1 The vendor should present a detailed description of all products proposed in the response to this Request for Proposal. It is the vendor's responsibility to make sure all products proposed are adequately described in order to conduct an evaluation of the proposal to insure its compliance with mandatory technical specifications. It should not be assumed that the evaluator has specific knowledge of the products proposed; however, the evaluator does have sufficient technical background to conduct an evaluation when presented complete information.

4.8 Preprinted Marketing Materials:

- 4.8.1 The vendor may submit preprinted marketing materials with the proposal. However, the vendor is advised that such brochures normally do not address the needs of the evaluators with respect to the technical evaluation process and the specific responses which have been requested of the vendor. The vendor is strongly discouraged from relying on such materials in presenting products for consideration by the state.

4.9 Proposal Detail Requirements and Deviations:

- 4.9.1 It is the vendor's responsibility to submit a proposal that meets all mandatory specifications stated herein. The vendor should clearly identify any and all deviations from both the mandatory and desirable specifications stated in the RFP. Any deviation from a mandatory requirement may render the proposal non-responsive. Any deviation from a desirable specification may be reviewed by the state as to its acceptability and impact on competition.
- 4.9.2 **Vendors should note:** A descriptive brochure of the model proposed may not be acceptable as clear identification of deviations from the written specification.

4.10 Compliance with Terms and Conditions:

- 4.10.1 The vendor is cautioned when submitting pre-printed terms and conditions or other type material to make sure such documents do not contain other terms and conditions which conflict with those of the RFP and its contractual requirements. The vendor agrees that in the event of conflict between any of the vendor's terms and conditions and those contained in the RFP, that the RFP shall govern. Taking exception to the State's terms and conditions may render a vendor's proposal unacceptable and remove it from consideration for award.
- 4.10.2 Vendors are cautioned that the State of Missouri will not award a non-compliant proposal and, as a result, any vendor indicating non-compliance with any requirements, terms, conditions and provisions of the RFP will be eliminated from further consideration for award unless the State exercises its sole option to competitively negotiate the respective proposal(s) and the vendor resolves the noncompliant issues.

4.11 Firm, Fixed Percentage Discounts and Market Basket Pricing:

- 4.11.1 The vendor shall quote a firm, fixed percentage discount for one, some, or all locking hardware manufacturers stated in line items 1 through 7 on the Pricing Page of the RFP. The percentage discounts shall be applied to the current manufacturer's suggested retail price (MSRP) for all locking hardware items within the specific brand.

- 4.11.2 In addition, the vendor must quote a firm, fixed percentage discount for line item 8 that shall apply to the current MSRP for all other locking hardware manufacturers (which fall within the intent of this RFP) not listed elsewhere herein that the vendor provides.
- If the vendor does not intend to offer a discount on additional locking hardware manufacturers, the vendor should state "no bid" for line item 8.
 - If line item 8 is left blank, the percentage shall be interpreted as zero (0) discount.
 - Multiple percentage discounts shall be unacceptable.
- 4.11.3 The percentage discounts quoted shall remain the same throughout the duration of the contract, including renewals.
- 4.11.4 The percentage discounts shall include all packing, handling, shipping and freight charges FOB Destination, Freight Prepaid and Allowed. The State of Missouri shall not make additional payments or pay add-on charges for freight or shipping unless specifically described and priced in the proposal, or as otherwise specifically stated and allowed by the RFP.
- 4.11.5 Additionally, the vendor must complete the applicable line items in the Market Basket that are identified for the manufacturer(s) for which the vendor has quoted discounts. For example, vendors quoting a percentage discount on the manufacturer Best must also quote all identified Best Market Basket items, i.e. items 9 through 14. Only vendors proposing Best products will be compared with vendors proposing Best products, and so on. The price quoted for the item in the Market Basket must be the current MSRP list price for the item minus the quoted percentage discount from the respective manufacturer quoted in line items 1 through 7. The cost evaluation shall be based on the vendor's after-discount prices as stated in the Market Basket Survey.

4.12 Cost Evaluation:

- 4.12.1 A separate cost evaluation will be conducted for each identified manufacturer based on Market Basket pricing for the specifically identified manufacturer. The after-discount prices submitted for line items 9 through 42 on **Exhibit A** shall be multiplied by the respective estimated quantity for the specific line item. The subtotals for each manufacturer's unit price after-discount will be added together to determine the lowest grand total.
- Exhibit A** is a separate Excel spreadsheet the vendor must download, complete, and then include with the vendor's response. If the vendor is using MissouriBUYS, **Exhibit A** must be uploaded and included with the online response.
 - The percentage discount stated for line item 8 (firm, fixed percentage discount off all other locking hardware manufacturers) shall be applied to an arbitrary purchase amount of \$3,000.00 to arrive at a total price. It is the intent of the state agency to award line item 8 to all low bid vendors being awarded a contract for line items 1 through 7.
 - Unit of Measure: If the unit of measure specified on the attached pricing pages is different than the manner in which the vendor offers that item, then the unit of measure being proposed by the vendor must be clearly identified on the pricing page. All mathematical conversions should be shown by the vendor, and must be provided upon specific request from the Buyer.
 - In the cost evaluation, a unit price conversion will be done to fairly evaluate proposal prices. However, for any resulting contract, the unit of measure offered will be the unit of measure awarded. Vendors are encouraged to contact the Buyer **prior to** submission of their proposal to discuss anticipated unit modifications. The vendor is cautioned that the State of Missouri reserves the right to clarify the unit of measure modification or to disqualify the proposal for that line item if the unit of measure modification is not deemed appropriate or in the best interests of the State of Missouri.

- 4.12.2 The cost evaluation shall cover the original contract period. The cost evaluation shall include all mandatory requirements. However, the State of Missouri reserves the right to evaluate optional items, if deemed necessary.

NOTE: Pricing for Market Basket items is for cost evaluation purposes only. While the percentage discounts quoted in line items 1 through 8 are contractually binding, the calculated prices for the Market Basket shall not be interpreted as contractual pricing.

4.13 Determination for Award:

- 4.13.1 The award shall be made to the lowest priced responsive vendor. Other factors that affect the determination of the lowest price responsive vendor include consideration of the Domestic Product Procurement Act, the Blind/Sheltered Workshop Preference, and the Missouri Service Disabled Veterans Preference explained in the paragraphs that follow.
- 4.13.2 Other Considerations: The State of Missouri reserves the right to reject any proposal which is determined unacceptable for reasons which may include but are not necessarily limited to: 1) failure of the vendor to meet mandatory general performance specifications; and/or 2) failure of the vendor to meet mandatory technical specifications; and/or, 3) receipt of any information, from any source, regarding delivery of unsatisfactory product or service by the vendor within the past three years. As deemed in its best interests, the State of Missouri reserves the right to clarify any and all portions of any vendor's proposal.

4.14 Domestic Product Procurement Act:

- 4.14.1 In accordance with the Domestic Product Procurement Act (hereinafter referred to as the Buy American Act) sections 34.350 to 34.359, RSMo, the vendor is advised that any goods purchased or leased by any public agency shall be manufactured or produced in the United States.
- 4.14.2 Vendors who can certify that goods or commodities to be provided in accordance with the contract are manufactured or produced in the United States or imported in accordance with a qualifying treaty, law, agreement, or regulation shall be entitled to a ten percent (10%) preference over vendors whose products do not qualify.
- 4.14.3 The requirements of the Buy American Act shall not apply if other exceptions to the Buy American mandate in section 34.353, RSMo, are met.
- 4.14.4 If the vendor claims there is only one line of the good manufactured or produced in the United States, subsection 2 of section 34.353, RSMo, or that one of the exceptions of subsection 3 of 34.353, RSMo, applies, the Executive Head of the Agency bears the burden of certification as required prior to the award of a contract.
- 4.14.5 In accordance with the Buy American Act, the vendor must provide proof of compliance with section 34.353, RSMo. Therefore the vendor should complete and return **Exhibit B**, certification regarding proof of compliance, with the proposal. This document must be satisfactorily completed prior to an award of a contract.
- 4.14.6 If the lowest priced vendor qualifies as American-made or in the event all of the vendors or none of the vendors qualify for the Buy American preference, no further calculation is necessary. In the event the lowest priced vendor does not qualify for the Buy American Preference but other vendors do qualify, then the low vendor's price(s) is increased by 10% for those items not eligible for the Buy American Preference.

4.15 Executive Order 04-09, Offshore:

- 4.15.1 If any products and/or services offered under this RFP are being manufactured or performed at sites outside the United States, the vendor MUST disclose such fact and provide details with the proposal.

4.16 Preference for Organizations for the Blind and Sheltered Workshops:

- 4.16.1 Pursuant to section 34.165, RSMo, and 1 CSR 40-1.050, a ten (10) bonus point preference shall be granted to vendors including products and/or services manufactured, produced or assembled by a qualified nonprofit organization for the blind established pursuant to 41 U.S.C. sections 46 to 48c or a sheltered workshop holding a certificate of approval from the Department of Elementary and Secondary Education pursuant to section 178.920, RSMo.

- a. In order to qualify for the ten bonus points, the following conditions must be met and the following evidence must be provided:

- 1) The vendor must either be an organization for the blind or sheltered workshop or must be proposing to utilize an organization for the blind/sheltered workshop as a subcontractor and/or supplier in an amount that must equal the greater of \$5,000 or 2% of the total dollar value of the contract for purchases not exceeding \$10 million.
- 2) The services performed or the products provided by the organization for the blind or sheltered workshop must provide a commercially useful function related to the delivery of the contractually-required service/product in a manner that will constitute an added value to the contract and shall be performed/provided exclusive to the performance of the contract. Therefore, if the services performed or the products provided by the organization for the blind or sheltered workshop is utilized, to any extent, in the vendor's obligations outside of the contract, it shall not be considered a valid added value to the contract and shall not qualify as participation in accordance with this clause.
- 3) If the vendor is proposing participation by an organization for the blind or sheltered workshop, in order to receive evaluation consideration for participation by the organization for the blind or sheltered workshop, the vendor must provide the following information with the proposal:
 - Participation Commitment – The vendor must complete **Exhibit C**, Participation Commitment, by identifying the organization for the blind or sheltered workshop and the commercially useful products/services to be provided by the listed organization for the blind or sheltered workshop. If the vendor submitting the proposal is an organization for the blind or sheltered workshop, the vendor must be listed in the appropriate table on the Participation Commitment Form.
 - Documentation of Intent to Participate – The vendor must either provide a properly completed **Exhibit D**, Documentation of Intent to Participate Form, signed and dated no earlier than the RFP issuance date by the organization for the blind or sheltered workshop proposed or must provide a recently dated letter of intent signed and dated no earlier than the RFP issuance date by the organization for the blind or sheltered workshop which: (1) must describe the products/services the organization for the blind/sheltered workshop will provide and (2) should include evidence of the organization for the blind/sheltered workshop qualifications (e.g. copy of certificate or Certificate Number for Missouri Sheltered Workshop).

NOTE: If the vendor submitting the proposal is an organization for the blind or sheltered workshop, the vendor is not required to complete **Exhibit D**, Documentation of Intent to Participate Form or provide a recently dated letter of intent.

- b. A list of Missouri sheltered workshops can be found at the following Internet address:

<http://desc.mo.gov/special-education/sheltered-workshops/directories>

- c. The websites for the Missouri Lighthouse for the Blind and the Alphapointe Association for the Blind can be found at the following Internet addresses:

<http://www.lhbindustries.com>

<http://www.alphapointe.org>

- d. **Commitment** If the vendor's proposal is awarded, the organization for the blind or sheltered workshop participation committed to by the vendor on **Exhibit C**, Participation Commitment, shall be interpreted as a contractual requirement.

4.16.2 The Blind/Sheltered Workshop Preference required under section 34.165, RSMo, allows for ten (10) bonus points to a qualifying vendor. If the lowest priced vendor qualifies for the preference, or in the event none of the vendors qualify for the preference, no further calculation is necessary.

4.16.3 In the event the lowest priced vendor does not qualify for the preference but other vendors do, then the following evaluation point formula shall apply to determine cost evaluation points:

<u>Lowest Responsive Vendor's Price</u> Compared Vendor's Price	x	200 Maximum Cost Evaluation Points	=	Awarded Cost Evaluation Points
--	---	---------------------------------------	---	-----------------------------------

4.17 Missouri Service-Disabled Veteran Business Preference:

4.17.1 Pursuant to section 34.074, RSMo, and 1 CSR 40-1.050, a three (3) bonus point preference shall be granted to vendors who qualify as Missouri service-disabled veteran business enterprises and who complete and submit **Exhibit E**, Missouri Service-Disabled Veteran Business Enterprise Preference with the proposal. If the proposal does not include the completed **Exhibit E** and the documentation specified on **Exhibit E** in accordance with the instructions provided therein, no preference points will be applied.

4.17.2 If the lowest priced vendor qualifies for the preference, or in the event none of the vendors qualify for the preference, no further calculation is necessary.

4.17.3 In the event the lowest priced vendor does not qualify for the preference but other vendors do, then the following evaluation point formula shall apply to determine cost evaluation points:

<u>Lowest Responsive Vendor's Price</u> Compared Vendor's Price	x	200 Maximum Cost Evaluation Points	=	Awarded Cost Evaluation Points
--	---	---------------------------------------	---	-----------------------------------

(See Exhibit A)

NOTE: Exhibit A is a separate Excel spreadsheet that must be downloaded.

The vendor must quote the current MSRP and an after-discount price (vendor to use current MSRP and then apply the applicable quoted percentage discount) for all Market Basket items for the manufacturer(s) the vendor intends to offer. The vendor's quoted percentage discount (see line items 1 through 7) must be applied to the current MSRP list/catalog to find the final after-discount cost for each manufacturer.

For example, vendors quoting a percentage discount on the manufacturer Best must also quote all identified Best Market Basket items, i.e. 9 through 14. Only vendors proposing Best products will be compared with vendors proposing Best products, and so on.

Example:

MSRP list/catalog is \$2.60

Discount is 5%

5% x \$2.60 = \$0.13, which is the percentage discount amount.

Subtract the discount amount (\$0.13) from the MSRP list/catalog Price (\$2.60) and the result is \$2.47.

NOTE: Market Basket pricing is for evaluation purposes only and shall not be construed as contractually binding pricing specific to the identified item. The listing of items shall not be construed to limit the state's locking hardware choices under the contract.

THE VENDOR MUST DOWNLOAD, COMPLETE AND SUBMIT EXHIBIT A. FAILURE TO DO SO SHALL RENDER THE VENDOR'S PROPOSAL NON-RESPONSIVE.

DELIVERY:

The desired delivery is fifteen (15) calendar days after receipt of a properly executed order. If the vendor's delivery is different, the vendor should state delivery in days after receipt of order: _____ calendar days ARO.

WARRANTY:

The vendor shall provide, at minimum, the standard manufacturer's warranty on all locking hardware. The warranty shall commence upon delivery and acceptance of the equipment/supplies by the State of Missouri.

The vendor should state additional warranty terms, if the terms differ from the above requirements, (e.g., longer coverage, etc.):

EMPLOYEE BIDDING/CONFLICT OF INTEREST:

Vendors who are elected or appointed officials or employees of the State of Missouri or any political subdivision thereof, serving in an executive or administrative capacity, must comply with sections 105.450 to 105.458, RSMo, regarding conflict of interest. If the vendor or any owner of the vendor's organization is currently an elected or appointed official or an employee of the State of Missouri or any political subdivision thereof, please provide the following information.

- f. **Vendor** means the supplier, vendor, person, or organization that responds to an RFP by submitting a proposal with prices to provide the equipment, supplies, and/or services as required in the RFP document.
- g. **Buyer** means the procurement staff member of Purchasing. The **Contact Person** as referenced herein is usually the Buyer.
- h. **Contract** means a legal and binding agreement between two or more competent parties, for a consideration for the procurement of equipment, supplies, and/or services.
- i. **Contractor** means a supplier, vendor, person, or organization who is a successful vendor as a result of an RFP and who enters into a contract.
- j. **Exhibit** applies to forms which are included with an RFP for the vendor to complete and submit with the sealed proposal prior to the specified end date and time.
- k. **Request for Proposal (RFP)** means the solicitation document issued by Purchasing to potential vendors for the purchase of equipment, supplies, and/or services as described in the document. The definition includes these Terms and Conditions as well as all Pricing Pages, Exhibits, Attachments, and Addendums thereto.
- l. **May** means that a certain feature, component, or action is permissible, but not required.
- m. **Must** means that a certain feature, component, or action is a mandatory condition.
- n. **Pricing Page(s)** applies to the form(s) on which the vendor must state the price(s) applicable for the equipment, supplies, and/or services required in the RFP. The pricing pages must be completed and submitted by the vendor with the sealed proposal prior to the specified proposal end date and time.
- o. **RSMo (Revised Statutes of Missouri)** refers to the body of laws enacted by the legislature which govern the operations of all agencies of the State of Missouri. Chapter 34 of the statutes is the primary chapter governing the operations of Purchasing.
- p. **Shall** has the same meaning as the word must.
- q. **Should** means that a certain feature, component and/or action is desirable but not mandatory.

2. APPLICABLE LAWS AND REGULATIONS

- a. The contract shall be construed according to the laws of the State of Missouri. The contractor shall comply with all local, state, and federal laws and regulations related to the performance of the contract to the extent that the same may be applicable.
- b. To the extent that a provision of the contract is contrary to the Constitution or laws of the State of Missouri or of the United States, the provisions shall be void and unenforceable. However, the balance of the contract shall remain in force between the parties unless terminated by consent of both the contractor and Purchasing.
- c. The contractor must be registered and maintain good standing with the Secretary of State of the State of Missouri and other regulatory agencies, as may be required by law or regulations.
- d. The contractor must timely file and pay all Missouri sales, withholding, corporate and any other required Missouri tax returns and taxes, including interest and additions to tax.

- f. The contractor shall only employ personnel authorized to work in the United States in accordance with applicable federal and state laws and Executive Order 07-13 for work performed in the United States.

3. OPEN COMPETITION/REQUEST FOR PROPOSAL DOCUMENT

- a. It shall be the vendor's responsibility to ask questions, request changes or clarification, or otherwise advise Purchasing if any language, specifications or requirements of an RFP appear to be ambiguous, contradictory, and/or arbitrary, or appear to inadvertently restrict or limit the requirements stated in the RFP to a single source. Any and all communication from vendors regarding specifications, requirements, competitive proposal process, etc., must be directed to the buyer from Purchasing, unless the RFP specifically refers the vendor to another contact. Such e-mail, fax, or phone communication should be received at least ten calendar days prior to the official proposal end date.
- b. Every attempt shall be made to ensure that the vendor receives an adequate and prompt response. However, in order to maintain a fair and equitable procurement process, all vendors will be advised, via the issuance of an addendum to the RFP, of any relevant or pertinent information related to the procurement. Therefore, vendors are advised that unless specified elsewhere in the RFP, any questions received less than ten calendar days prior to the RFP end date may not be answered.
- c. Vendors are cautioned that the only official position of the State of Missouri is that which is issued by Purchasing in the RFP or an addendum thereto. No other means of communication, whether oral or written, shall be construed as a formal or official response or statement.
- d. Purchasing monitors all procurement activities to detect any possibility of deliberate restraint of competition, collusion among vendors, price-fixing by vendors, or any other anticompetitive conduct by vendors which appears to violate state and federal antitrust laws. Any suspected violation shall be referred to the Missouri Attorney General's Office for appropriate action.
- e. The RFP is available for viewing and downloading on the MissouriBUYS Statewide eProcurement System. Registered vendors are electronically notified of those proposal opportunities that match the commodity codes for which the vendor registered in MissouriBUYS. If a registered vendor's e-mail address is incorrect, the vendor must update the e-mail address themselves on the state's MissouriBUYS Statewide eProcurement System at <https://missouribuyss.mo.gov/>.
- f. Purchasing reserves the right to officially amend or cancel an RFP after issuance. It shall be the sole responsibility of the vendor to monitor the MissouriBUYS Statewide eProcurement System to obtain a copy of the addendum(s). Registered vendors who received e-mail notification of the

proposal opportunity when the RFP was established and registered vendors who have responded to the RFP on-line prior to an addendum being issued should receive e-mail notification of the addendum(s). Registered vendors who received e-mail notification of the proposal opportunity when the RFP was established and registered vendors who have responded to the proposal on-line prior to a cancellation being issued should receive e-mail notification of a cancellation issued prior to the exact end date and time specified in the RFP.

4. PREPARATION OF PROPOSALS

- a. Vendors must examine the entire RFP carefully. Failure to do so shall be at the vendor's risk.
- b. Unless otherwise specifically stated in the RFP, all specifications and requirements constitute minimum requirements. All proposals must meet or exceed the stated specifications and requirements.
- c. Unless otherwise specifically stated in the RFP, any manufacturer names, trade names, brand names, information and/or catalog numbers listed in a specification and/or requirement are for informational purposes only and are not intended to limit competition. The vendor may offer any brand which meets or exceeds the specification for any item, but must state the manufacturer's name and model number for any such brands in the proposal. In addition, the vendor shall explain, in detail, (1) the reasons why the proposed equivalent meets or exceeds the specifications and/or requirements and (2) why the proposed equivalent should not be considered an exception thereto. Proposals which do not comply with the requirements and specifications are subject to rejection without clarification.
- d. Proposals lacking any indication of intent to offer an alternate brand or to take an exception shall be received and considered in complete compliance with the specifications and requirements as listed in the RFP.
- e. In the event that the vendor is an agency of state government or other such political subdivision which is prohibited by law or court decision from complying with certain provisions of an RFP, such a vendor may submit a proposal which contains a list of statutory limitations and identification of those prohibitive clauses. The vendor should include a complete list of statutory references and citations for each provision of the RFP, which is affected by this paragraph. The statutory limitations and prohibitive clauses may (1) be requested to be clarified in writing by Purchasing or (2) be accepted without further clarification if the statutory limitations and prohibitive clauses are deemed acceptable by Purchasing. If Purchasing determines clarification of the statutory limitations and prohibitive clauses is necessary, the clarification will be conducted in order to agree to language that reflects the intent and compliance of such law and/or court order and the RFP.
- f. All equipment and supplies offered in a proposal must be new, of current production, and available for marketing by the manufacturer unless the RFP clearly specifies that used, reconditioned, or remanufactured equipment and supplies may be offered.
- g. Prices shall include all packing, handling and shipping charges FOB destination, freight prepaid and allowed unless otherwise specified in the RFP.
- h. Proposals, including all prices therein, shall remain valid for 90 days from proposal opening or Best and Final Offer (BAFO) submission unless otherwise indicated. If the proposal is accepted, the entire proposal, including all prices, shall be firm for the specified contract period.
- i. Any foreign vendor not having an Employer Identification Number assigned by the United States Internal Revenue Service (IRS) must submit a completed IRS Form W-8 prior to or with the submission of their proposal in order to be considered for award.

5. SUBMISSION OF PROPOSALS

- a. Registered vendors may submit proposals electronically through the MissouriBUYS Statewide eProcurement System at <https://missouribuyss.mo.gov/> or by delivery of a hard copy to the Purchasing office. Vendors that have not registered on the MissouriBUYS Statewide eProcurement System may submit proposals hard copy delivered to the Purchasing office. Delivered proposals must be sealed in an envelope or container, and received in the Purchasing office located at 301 West High St, Rm 630 in Jefferson City, MO no later than the exact end date and time specified in the RFP. All proposals must (1) be submitted by a duly authorized representative of the vendor's organization, (2) contain all information required by the RFP, and (3) be priced as required. Hard copy proposals may be mailed to the Purchasing post office box address. However, it shall be the responsibility of the vendor to ensure their proposal is in the Purchasing office (address listed above) no later than the exact end date and time specified in the RFP.
- b. The sealed envelope or container containing a proposal should be clearly marked on the outside with (1) the official RFP number and (2) the official end date and time. Different proposals should not be placed in the same envelope, although copies of the same proposal may be placed in the same envelope.
- c. A proposal submitted electronically by a registered vendor may be modified on-line prior to the official end date and time. A proposal which has been delivered to the Purchasing office may be modified by signed, written notice which has been received by Purchasing prior to the official end date and time specified. A proposal may also be modified in person by the vendor or its authorized representative, provided proper identification is presented before the official end date and time. Telephone or telegraphic requests to modify a proposal shall not be honored.
- d. A proposal submitted electronically by a registered vendor may be retracted on-line prior to the official end date and time. A proposal which has been delivered to the Purchasing may only be withdrawn by a signed, written document on company letterhead transmitted via mail, e-mail, or facsimile which has been received by Purchasing prior to the official end date and time specified. A proposal may also be withdrawn in person by the vendor or its authorized representative, provided proper identification is presented before the official end date and time. Telephone or telegraphic requests to withdraw a proposal shall not be honored.
- e. A proposal may also be withdrawn after the proposal opening through submission of a written request by an authorized representative of the vendor. Justification of withdrawal decision may include a significant error or exposure of proposal information that may cause irreparable harm to the vendor.
- f. When submitting a proposal electronically, the registered vendor indicates acceptance of all RFP requirements, terms and conditions by clicking on the "Accept" button on the Overview tab. Vendors delivering a hard copy proposal to Purchasing must sign and return the RFP cover page or, if applicable, the cover page of the last addendum thereto in order to constitute acceptance by the vendor of all RFP requirements, terms and conditions. Failure to do so may result in rejection of the proposal unless the vendor's full compliance with those documents is indicated elsewhere within the vendor's response.
- g. Faxed proposals shall not be accepted. However, faxed and e-mail no-bid notifications shall be accepted.

6. PROPOSAL OPENING

- a. Proposal openings are public on the end date and at the opening time specified on the RFP document. Only the names of the respondents shall be read at the proposal opening. All vendors may view the same proposal response information on the MissouriBUYS Statewide eProcurement System. The contents of the responses shall not be disclosed at this time.
- b. Proposals which are not received in the Purchasing office prior to the official end date and time shall be considered late, regardless of the degree of lateness, and normally will not be opened. Late proposals may only be opened under extraordinary circumstances in accordance with 1 CSR 40-1.050.

7. PREFERENCES

- a. In the evaluation of proposals, preferences shall be applied in accordance with chapter 34, RSMo, other applicable Missouri statutes, and applicable Executive Orders. Contractors should apply the same preferences in selecting subcontractors.

- b. By virtue of statutory authority, a preference will be given to materials, products, supplies, provisions and all other articles produced, manufactured, mined, processed or grown within the State of Missouri and to all firms, corporations or individuals doing business as Missouri firms, corporations or individuals. Such preference shall be given when quality is equal or better and delivered price is the same or less.
- c. In accordance with Executive Order 05-30, contractors are encouraged to utilize certified minority and women-owned businesses in selecting subcontractors.

8. EVALUATION/AWARD

- a. Any clerical error, apparent on its face, may be corrected by the buyer before contract award. Upon discovering an apparent clerical error, the buyer shall contact the vendor and request clarification of the intended proposal. The correction shall be incorporated in the notice of award. Examples of apparent clerical errors are: 1) misplacement of a decimal point; and 2) obvious mistake in designation of unit.
- b. Any pricing information submitted by a vendor shall be subject to evaluation if deemed by Purchasing to be in the best interest of the State of Missouri.
- c. The vendor is encouraged to propose price discounts for prompt payment or propose other price discounts that would benefit the State of Missouri. However, unless otherwise specified in the RFP, pricing shall be evaluated at the maximum potential financial liability to the State of Missouri.
- d. Awards shall be made to the vendor whose proposal (1) complies with all mandatory specifications and requirements of the RFP and (2) is the lowest and best proposal, considering price, responsibility of the vendor, and all other evaluation criteria specified in the RFP and any subsequent negotiations and (3) complies with chapter 34, RSMo, other applicable Missouri statutes, and all applicable Executive Orders.
- e. In the event all vendors fail to meet the same mandatory requirement in an RFP, Purchasing reserves the right, at its sole discretion, to waive that requirement for all vendors and to proceed with the evaluation. In addition, Purchasing reserves the right to waive any minor irregularity or technicality found in any individual proposal.
- f. Purchasing reserves the right to reject any and all proposals.
- g. When evaluating a proposal, the State of Missouri reserves the right to consider relevant information and fact, whether gained from a proposal, from a vendor, from vendor's references, or from any other source.
- h. Any information submitted with the proposal, regardless of the format or placement of such information, may be considered in making decisions related to the responsiveness and merit of a proposal and the award of a contract.
- i. Negotiations may be conducted with those vendors who submit potentially acceptable proposals. Proposal revisions may be permitted for the purpose of obtaining best and final offers. In conducting negotiations, there shall be no disclosure of any information submitted by competing vendors.
- j. Any award of a contract shall be made by notification from Purchasing to the successful vendor. Purchasing reserves the right to make awards by item, group of items, or an all or none basis. The grouping of items awarded shall be determined by Purchasing based upon factors such as item similarity, location, administrative efficiency, or other considerations in the best interest of the State of Missouri.
- k. Pursuant to section 610.021, RSMo, proposals and related documents shall not be available for public review until after a contract is executed or all proposals are rejected.
- l. Purchasing posts all proposal results on the MissouriBUYS Statewide eProcurement System for all vendors to view for a reasonable period after proposal award and maintains images of all proposal file material for review. Vendors who include an e-mail address with their proposal will be notified of the award results via e-mail.
- m. Purchasing reserves the right to request clarification of any portion of the vendor's response in order to verify the intent of the vendor. The vendor is cautioned, however, that its response may be subject to acceptance or rejection without further clarification.
- n. Any proposal award protest must be received within ten (10) business days after the date of award in accordance with the requirements of 1 CSR 40-1.050 (9).
- o. The final determination of contract(s) award shall be made by Purchasing.

9. CONTRACT/PURCHASE ORDER

- a. By submitting a proposal, the vendor agrees to furnish any and all equipment, supplies and/or services specified in the RFP, at the prices quoted, pursuant to all requirements and specifications contained therein.
- b. A binding contract shall consist of: (1) the RFP, addendums thereto, and any Best and Final Offer (BAFO) request(s) with RFP changes/additions, (2) the contractor's proposal including any contractor BAFO response(s), (3) clarification of the proposal, if any, and (4) Purchasing's acceptance of the proposal by "notice of award" or by "purchase order." All Exhibits and Attachments included in the RFP shall be incorporated into the contract by reference.
- c. A notice of award issued by the State of Missouri does not constitute an authorization for shipment of equipment or supplies or a directive to proceed with services. Before providing equipment, supplies and/or services for the State of Missouri, the contractor must receive a properly authorized purchase order or other form of authorization given to the contractor at the discretion of the state agency.
- d. The contract expresses the complete agreement of the parties and performance shall be governed solely by the specifications and requirements contained therein. Any change to the contract, whether by modification and/or supplementation, must be accomplished by a formal contract amendment signed and approved by and between the duly authorized representative of the contractor and Purchasing or by a modified purchase order prior to the effective date of such modification. The contractor expressly and explicitly understands and agrees that no other method and/or no other document, including correspondence, acts, and oral communications by or from any person, shall be used or construed as an amendment or modification to the contract.

10. INVOICING AND PAYMENT

- a. The State of Missouri does not pay state or federal taxes unless otherwise required under law or regulation.
- b. The statewide financial management system has been designed to capture certain receipt and payment information. For each purchase order received, an invoice must be submitted that references the purchase order number and must be itemized in accordance with items listed on the purchase order. Failure to comply with this requirement may delay processing of invoices for payment.
- c. The contractor shall not transfer any interest in the contract, whether by assignment or otherwise, without the prior written consent of Purchasing.
- d. Payment for all equipment, supplies, and/or services required herein shall be made in arrears unless otherwise indicated in the RFP.
- e. The State of Missouri assumes no obligation for equipment, supplies, and/or services shipped or provided in excess of the quantity ordered. Any unauthorized quantity is subject to the state's rejection and shall be returned at the contractor's expense.
- f. All invoices for equipment, supplies, and/or services purchased by the State of Missouri shall be subject to late payment charges as provided in section 34.055, RSMo.
- g. The State of Missouri reserves the right to purchase goods and services using the state purchasing card.

11. DELIVERY

Time is of the essence. Deliveries of equipment, supplies, and/or services must be made no later than the time stated in the contract or within a reasonable period of time, if a specific time is not stated.

12. INSPECTION AND ACCEPTANCE

- a. No equipment, supplies, and/or services received by an agency of the state pursuant to a contract shall be deemed accepted until the agency has had reasonable opportunity to inspect said equipment, supplies, and/or services.
- b. All equipment, supplies, and/or services which do not comply with the specifications and/or requirements or which are otherwise unacceptable or defective may be rejected. In addition, all equipment, supplies, and/or services which are discovered to be defective or which do not conform to any warranty of the contractor upon inspection (or at any later time if the defects contained were not reasonably ascertainable upon the initial inspection) may be rejected.
- c. The State of Missouri reserves the right to return any such rejected shipment at the contractor's expense for full credit or replacement and to specify a reasonable date by which replacements must be received.
- d. The State of Missouri's right to reject any unacceptable equipment, supplies, and/or services shall not exclude any other legal, equitable or contractual remedies the state may have.

13. WARRANTY

- a. The contractor expressly warrants that all equipment, supplies, and/or services provided shall: (1) conform to each and every specification, drawing, sample or other description which was furnished to or adopted by Purchasing, (2) be fit and sufficient for the purpose expressed in the RFP, (3) be merchantable, (4) be of good materials and workmanship, and (5) be free from defect.
- b. Such warranty shall survive delivery and shall not be deemed waived either by reason of the state's acceptance of or payment for said equipment, supplies, and/or services.

14. CONFLICT OF INTEREST

- a. Elected or appointed officials or employees of the State of Missouri or any political subdivision thereof, serving in an executive or administrative capacity, must comply with sections 105.452 and 105.454, RSMo, regarding conflict of interest.
- b. The contractor hereby covenants that at the time of the submission of the proposal the contractor has no other contractual relationships which would create any actual or perceived conflict of interest. The contractor further agrees that during the term of the contract neither the contractor nor any of its employees shall acquire any other contractual relationships which create such a conflict.

15. REMEDIES AND RIGHTS

- a. No provision in the contract shall be construed, expressly or implied, as a waiver by the State of Missouri of any existing or future right and/or remedy available by law in the event of any claim by the State of Missouri of the contractor's default or breach of contract.
- b. The contractor agrees and understands that the contract shall constitute an assignment by the contractor to the State of Missouri of all rights, title and interest in and to all causes of action that the contractor may have under the antitrust laws of the United States or the State of Missouri for which causes of action have accrued or will accrue as the result of or in relation to the particular equipment, supplies, and/or services purchased or procured by the contractor in the fulfillment of the contract with the State of Missouri.

16. CANCELLATION OF CONTRACT

- a. In the event of material breach of the contractual obligations by the contractor, Purchasing may cancel the contract. At its sole discretion, Purchasing may give the contractor an opportunity to cure the breach or to explain how the breach will be cured. The actual cure must be completed within no more than 10 working days from notification, or at a minimum the contractor must provide Purchasing within 10 working days from notification a written plan detailing how the contractor intends to cure the breach.
- b. If the contractor fails to cure the breach or if circumstances demand immediate action, Purchasing will issue a notice of cancellation terminating the contract immediately. If it is determined Purchasing improperly cancelled the contract, such cancellation shall be deemed a termination for convenience in accordance with the contract.
- c. If Purchasing cancels the contract for breach, Purchasing reserves the right to obtain the equipment, supplies, and/or services to be provided pursuant to the contract from other sources and upon such terms and in such manner as Purchasing deems appropriate and charge the contractor for any additional costs incurred thereby.
- d. The contractor understands and agrees that funds required to fund the contract must be appropriated by the General Assembly of the State of Missouri for each fiscal year included within the contract period. The contract shall not be binding upon the state for any period in which funds have not been appropriated, and the state shall not be liable for any costs associated with termination caused by lack of appropriations.

17. COMMUNICATIONS AND NOTICES

Any notice to the vendor/contractor shall be deemed sufficient when deposited in the United States mail postage prepaid, transmitted by facsimile, transmitted by e-mail or hand-carried and presented to an authorized employee of the vendor/contractor.

18. BANKRUPTCY OR INSOLVENCY

- a. Upon filing for any bankruptcy or insolvency proceeding by or against the contractor, whether voluntary or involuntary, or upon the appointment of a receiver, trustee, or assignee for the benefit of creditors, the contractor must notify Purchasing immediately.
- b. Upon learning of any such actions, Purchasing reserves the right, at its sole discretion, to either cancel the contract or affirm the contract and hold the contractor responsible for damages.

19. INVENTIONS, PATENTS AND COPYRIGHTS

The contractor shall defend, protect, and hold harmless the State of Missouri, its officers, agents, and employees against all suits of law or in equity resulting from patent and copyright infringement concerning the contractor's performance or products produced under the terms of the contract.

20. NON-DISCRIMINATION AND AFFIRMATIVE ACTION

In connection with the furnishing of equipment, supplies, and/or services under the contract, the contractor and all subcontractors shall agree not to discriminate against recipients of services or employees or applicants for employment on the basis of race, color, religion, national origin, sex, age, disability, or veteran status unless otherwise provided by law. If the contractor or subcontractor employs at least 50 persons, they shall have and maintain an affirmative action program which shall include:

- a. A written policy statement committing the organization to affirmative action and assigning management responsibilities and procedures for evaluation and dissemination;
- b. The identification of a person designated to handle affirmative action;
- c. The establishment of non-discriminatory selection standards, objective measures to analyze recruitment, an upward mobility system, a wage and salary structure, and standards applicable to layoff, recall, discharge, demotion, and discipline;
- d. The exclusion of discrimination from all collective bargaining agreements; and
- e. Performance of an internal audit of the reporting system to monitor execution and to provide for future planning.

If discrimination by a contractor is found to exist, Purchasing shall take appropriate enforcement action which may include, but not necessarily be limited to, cancellation of the contract, suspension, or debarment by Purchasing until corrective action by the contractor is made and ensured, and referral to the Attorney General's Office, whichever enforcement action may be deemed most appropriate.

21. AMERICANS WITH DISABILITIES ACT

In connection with the furnishing of equipment, supplies, and/or services under the contract, the contractor and all subcontractors shall comply with all applicable requirements and provisions of the Americans with Disabilities Act (ADA).

22. FILING AND PAYMENT OF TAXES

The commissioner of administration and other agencies to which the state purchasing law applies shall not contract for goods or services with a vendor if the vendor or an affiliate of the vendor makes sales at retail of tangible personal property or for the purpose of storage, use, or consumption in this state but fails to collect and properly pay the tax as provided in chapter 144, RSMo. For the purposes of this section, "affiliate of the vendor" shall mean any person or entity that is controlled by or is under common control with the vendor, whether through stock ownership or otherwise. Therefore the vendor's failure to maintain compliance with chapter 144, RSMo, may eliminate their proposal from consideration for award.

23. TITLES

Titles of paragraphs used herein are for the purpose of facilitating reference only and shall not be construed to infer a contractual construction of language.

EXHIBIT A - MARKET BASKET SURVEY

The vendor must quote the current MSRP and an after-discount price (vendor to use current MSRP and then apply the applicable quoted percentage discount) for all Market Basket items for the manufacturer(s) the vendor intends to offer. The vendor's quoted percentage discount (see line items 1 through 7) must be applied to the current MSRP list/catalog to find the final after-discount cost for the below manufacturers.

For example, vendors quoting a percentage discount on the manufacturer Best must also quote all identified Best Market Basket items, i.e. items 9 through 14. Only vendors bidding Best products will be compared with vendors bidding Best products, and so on.

Example :

MSRP list/catalog is \$2.60

Discount is 5%

$5\% \times \$2.60 = \0.13 , which is the percentage discount amount.

Subtract the discount amount (\$0.13) from the MSRP list/catalog Price (\$2.60) and the result is \$2.47.

NOTE: Market Basket pricing is for evaluation purposes only and shall not be construed as contractually binding pricing specific to the identified item. The listing of items shall not be construed to limit the state's locking hardware choices under

Instructions for Submitting a Solicitation Response

The Division of Purchasing is now posting all of its bid solicitation documents on the new MissouriBUYS Bid Board (<https://www.missouribuyss.mo.gov>). MissouriBUYS is the State of Missouri's web-based statewide eProcurement system which is powered by WebProcure, through our partner, Perfect Commerce.

For all bid solicitations, vendors now have the option of submitting their solicitation response either as an electronic response or as a hard copy response. As a means to save vendors the expense of submitting a hard copy response and to provide vendors both the ease and the timeliness of responding from a computer, vendors are encouraged to submit an electronic response. Both methods of submission are explained briefly below and in more detail in the step-by-step instructions provided at https://missouribuyss.mo.gov/pdfs/how_to_respond_to_a_solicitation.pdf. (This document is also on the Bid Board referenced above.)

Notice: The vendor is solely responsible for ensuring timely submission of their solicitation response, whether submitting an online response or a hard copy response. Failure to allow adequate time prior to the solicitation end date to complete and submit a response to a solicitation, particularly in the event technical support assistance is required, places the vendor and their response at risk of not being accepted on time.

- **ELECTRONIC RESPONSES:** To respond electronically to a solicitation, the vendor must first register with MissouriBUYS by going to the MissouriBUYS Home Page (<https://missouribuyss.mo.gov>), clicking the "Register" button at the top of the page, and completing the Vendor Registration. Once registered the vendor should log back into MissouriBUYS and edit their profile by selecting the organizational contact(s) that should receive an automated confirmation of the vendor's electronic bid responses successfully submitted to the state.

To respond electronically to a solicitation, the vendor must login to MissouriBUYS, locate the desired solicitation on the Bid Board, and, at a minimum, the vendor must read and accept the Original Solicitation Documents and complete pricing and any other identified requirements. In addition, the vendor should download and save all of the Original Solicitation Documents on their computer so that they can prepare their response to these documents. Vendors should upload their completed response to these downloaded documents (including exhibits, forms, and other information concerning the solicitation) as an attachment to the electronic solicitation response. Step-by-step instructions for how a registered vendor responds to a solicitation electronically are available on the MissouriBUYS system at: https://missouribuyss.mo.gov/pdfs/how_to_respond_to_a_solicitation.pdf.

- Vendors are encouraged to submit their entire proposal electronically; however in lieu of attaching exhibits, forms, pricing, etc. to the electronic solicitation response, a vendor may submit the exhibits, forms, pricing, etc. through mail or courier service. However, any such submission must be received prior to the solicitation's specified end date and time. Be sure to include the solicitation/opportunity (OPP) number, company name, and a contact name on any hard copy solicitation response documents submitted through mail or courier service.
- In the event a registered vendor electronically submits a solicitation response and also mails hard copy documents that are not identical, the vendor should explain which response is valid for the state's consideration. In the absence of such explanation, the state reserves the right to evaluate and award the response which serves its best interest.

Addendum Document: If an addendum document is subsequently issued, please follow these steps to accept the addendum document(s).

1. If you have not accepted the original solicitation document go to the **Overview** page, find the section titled, **Original Solicitation Documents**, review the solicitation document(s) then click on the box under **Select**, and then click on the **Accept** button.
2. To accept the addendum document, on the **Overview** page find the section titled **Addendum Document**, review the addendum document(s) then click on the box under **Select**, and then click on the **Accept** button.

Note: If you submitted an electronic response prior to the addendum date and time, you should review your solicitation response to ensure that it is still valid by taking into consideration the revisions addressed in the addendum document. If a revision is needed to your solicitation response and/or to indicate your acceptance of the addendum document, you will need to retract your response and re-submit your response by following these steps:

1. Log into **MissouriBUYS**.
2. Select the **Solicitations** tab.
3. Select **View Current Solicitations**.
4. Select **My List**.
5. Select the correct **Opportunity Number (Opportunity No)**; the **Overview** page will display.
6. Click on **Review Response** from the navigation bar.
7. Click on **Retract** if your response needs to be revised.
8. A message will come up asking, "Are you sure you want to retract the Bid". Click on **Continue** to confirm.
9. Click on **Respond** and revise as applicable.
10. Click on **Review Response** from the navigation bar and then click on **Submit** to submit your response.

- **HARD COPY RESPONSES**: Be sure to include the solicitation/opportunity (OPP) number, company name, and a contact name on any hard copy solicitation response documents.

2. CONTRACTUAL REQUIREMENTS

This section of the RFP includes the general contract requirements and provisions that shall govern the contract after RFP award. The contents of this section include mandatory provisions that must be adhered to by the state and the contractor unless changed by a contract amendment. Response to this section by the vendor is not necessary as all provisions are mandatory.

2.1 Contract:

- 2.1.1 A binding contract shall consist of: (1) the RFP, addendums thereto, and any Best and Final Offer (BAFO) request(s) with RFP changes/additions, (2) the contractor's proposal including any contractor BAFO response(s), (3) clarification of the proposal, if any, and (4) the Division of Purchasing's acceptance of the proposal by "notice of award". All Exhibits and Attachments included in the RFP shall be incorporated into the contract by reference.
- 2.1.2 A notice of award issued by the State of Missouri does not constitute an authorization for shipment of equipment or supplies or a directive to proceed with services. Before providing equipment, supplies and/or services for the State of Missouri, the contractor must receive a properly authorized purchase order or other form of authorization given to the contractor at the discretion of the state agency.
- 2.1.3 The contract expresses the complete agreement of the parties and performance shall be governed solely by the specifications and requirements contained therein.
- 2.1.4 Any change to the contract, whether by modification and/or supplementation, must be accomplished by a formal contract amendment signed and approved by and between the duly authorized representative of the contractor and the Division of Purchasing prior to the effective date of such modification. The contractor expressly and explicitly understands and agrees that no other method and/or no other document, including correspondence, acts, and oral communications by or from any person, shall be used or construed as an amendment or modification to the contract.

2.2 Contract Period:

- 2.2.1 The original contract period shall be as stated on the Notice of Award. The contract shall not bind, nor purport to bind, the state for any contractual commitment in excess of the original contract period. The Division of Purchasing shall have the right, at its sole option, to renew the contract for two (2) additional one-year periods, or any portion thereof. In the event the Division of Purchasing exercises such right, all terms and conditions, requirements and specifications of the contract shall remain the same and apply during renewal periods.

2.3 Firm, Fixed Percentage Discounts:

- 2.3.1 The firm, fixed percentage discounts shall be as indicated on the Pricing Page. The percentage discounts shall include all packing, handling, shipping and freight charges F.O.B. Destination, Freight Prepaid and Allowed. The state shall not pay nor be liable for any other additional costs including but not limited to taxes, shipping charges, insurance, interest, penalties, termination payments, attorney fees, liquidated damages, etc.
- 2.3.2 The percentage discounts quoted on the Pricing Page shall be considered firm and fixed. The percentage discounts shall be applied to the current manufacturer's suggested retail price (MSRP) for all locking hardware items within the specific manufacturer for line items 1 through 7.
 - a. The percentage discount quoted for line item 8 shall apply to the current MSRP for all other locking hardware manufacturers the contractor provides that is not specifically quoted in line items 1 through 7.

- 2.3.3 The contractor shall understand and agree that the MSRP list/catalog may change during the contract period, although such pricing shall not change with a frequency greater than every six (6) months. It is preferred that the MSRP list/catalog change only on an annual basis.
- 2.3.4 The contractor shall understand in the event that the MSRP list/catalog lists more than one price for the same item, the applicable quoted firm, fixed discount shall be applied to the lowest listed price. The State of Missouri shall always receive the contractor's lowest price for the item.
- 2.3.5 The contractor shall furnish current MSRP lists/catalogs (with products clearly identified) to the state agency upon request. The MSRP lists/catalogs shall also be provided to the state agency as the catalogs change and/or pricing is updated.
- 2.3.6 The contractor shall understand and agree that the stated firm, fixed percentage discounts shall remain the same throughout the duration of the contract and all renewal periods.
- 2.3.7 The contractor shall not impose a discount "floor" when applying the quoted percentage discounts to determine pricing for the item.
- 2.3.8 The contractor must pass along any manufacturer's specials or quantity discounts that would result in a price lower than the current mark-up selling price.
- 2.3.9 The contractor's current MSRP list/catalog used in determining the product price shall be the contractor's published MSRP list/catalog offered to the public. The contractor shall not create nor publish a separate MSRP list/catalog specifically for the using state agencies unless it results in lower costs to the agencies.

2.4 Contractor Liability:

- 2.4.1 The contractor shall be responsible for any and all personal injury (including death) or property damage as a result of the contractor's negligence involving any equipment or service provided under the terms and conditions, requirements and specifications of the contract. In addition, the contractor assumes the obligation to save the State of Missouri, including its agencies, employees, and assignees, from every expense, liability, or payment arising out of such negligent act. The contractor also agrees to hold the State of Missouri, including its agencies, employees, and assignees, harmless for any negligent act or omission committed by any subcontractor or other person employed by or under the supervision of the contractor under the terms of the contract.
- 2.4.2 The contractor shall not be responsible for any injury or damage occurring as a result of any negligent act or omission committed by the State of Missouri, including its agencies, employees, and assignees.
- 2.4.3 Under no circumstances shall the contractor be liable for any of the following: (1) third party claims against the state for losses or damages (other than those listed above); (2) loss of, or damage to, the state's records or data; or (3) economic consequential damages (including lost profits or savings) or incidental damages, even if the contractor is informed of their possibility.

2.5 Independent Contractor:

- 2.5.1 The contractor is an independent contractor and shall not represent the contractor or the contractor's employees to be employees of the State of Missouri or an agency of the State of Missouri. The contractor shall assume all legal and financial responsibility for salaries, taxes, FICA, employee fringe benefits, workers compensation, employee insurance, minimum wage requirements, overtime, etc., and agrees to indemnify, save, and hold the State of Missouri, its officers, agents, and employees, harmless from and against, any and all loss; cost (including attorney fees); and damage of any kind related to such matters.

2.6 Coordination:

- 2.6.1 The contractor shall fully coordinate all contract activities with those activities of the state agency. As the work of the contractor progresses, advice and information on matters covered by the contract shall be made available by the contractor to the state agency or the Division of Purchasing throughout the effective period of the contract.

2.7 Estimated Quantities:

- 2.7.1 The quantities indicated in this Request for Proposal are estimates that pertain to the total aggregate quantities that may be ordered incrementally at multiple times throughout the stated contract period. The estimates do not indicate single order amounts unless otherwise stated. The State of Missouri makes no guarantees about single order quantities or total aggregate order quantities.

2.8 Insurance:

- 2.8.1 The contractor shall understand and agree that the State of Missouri cannot save and hold harmless and/or indemnify the contractor or employees against any liability incurred or arising as a result of any activity of the contractor or any activity of the contractor's employees related to the contractor's performance under the contract. Therefore, the contractor must acquire and maintain adequate liability insurance in the form(s) and amount(s) sufficient to protect the State of Missouri, its agencies, its employees, its clients, and the general public against any such loss, damage and/or expense related to his/her performance under the contract. General and other non-professional liability insurance shall include an endorsement that adds the State of Missouri as an additional insured. Self-insurance coverage or another alternative risk financing mechanism may be utilized provided that such coverage is verifiable and irrevocably reliable and the State of Missouri is protected as an additional insured.
- a. In the event any insurance coverage is canceled, the state agency must be notified within thirty (30) calendar days.

2.9 Termination:

- 2.9.1 The Division of Purchasing reserves the right to terminate the contract at any time, for the convenience of the State of Missouri, without penalty or recourse, by giving written notice to the contractor at least thirty (30) calendar days prior to the effective date of such termination. The contractor shall be entitled to receive compensation for services and/or supplies delivered to and accepted by the State of Missouri pursuant to the contract prior to the effective date of termination.

2.10 Payment Terms:

- 2.10.1 The contractor shall understand and agree the state reserves the right to make contract payments to the contractor through electronic funds transfer (EFT). Therefore, prior to any payments becoming due under the contract, the contractor must update their vendor registration with their ACH-EFT payment information at <https://MissouriBUYs.mo.gov>. Each contractor invoice must be on the contractor's original descriptive business invoice form and must contain a unique invoice number. The invoice number will be listed on the state's EFT addendum record to enable the contractor to properly apply state payments to invoices. The contractor must comply with all other invoicing requirements stated in the RFP.
- 2.10.2 The contractor may obtain detailed information for payments issued for the past 24 months from the State of Missouri's central accounting system (SAM II) on the Vendor Services Portal at <https://www.vendorservices.mo.gov/vendorservices/Portal/Default.aspx>.
- 2.10.3 All payment terms shall be as stated in the Terms and Conditions of the contract (see paragraph 10, "Invoicing and Payment") unless otherwise addressed in the RFP, or mutually agreed to by the state and

the contractor. Payment terms should be net 30 days unless otherwise stated in the RFP. No late charges shall be applied which are not in compliance with Chapter 34.055 RSMo. This statute may be found at <http://www.moga.mo.gov/mostatutes/ChaptersIndex/chaptIndex034.html>.

2.11 Participation by Other Organizations:

- 2.11.1 The contractor must comply with any Organization for the Blind/Sheltered Workshop participation levels committed to in the contractor's awarded proposal.
- 2.11.2 The contractor shall prepare and submit to the Division of Purchasing a report detailing all payments made by the contractor to Organizations for the Blind/Sheltered Workshops participating in the contract for the reporting period. The contractor must submit the report on a monthly basis, unless otherwise determined by the Division of Purchasing.
- 2.11.3 The Division of Purchasing will monitor the contractor's compliance in meeting the Organizations for the Blind/Sheltered Workshop participation levels committed to in the contractor's awarded proposal. If the contractor's payments to the participating entities are less than the amount committed, the state may cancel the contract and/or suspend or debar the contractor from participating in future state procurements, or retain payments to the contractor in an amount equal to the value of the participation commitment less actual payments made by the contractor to the participating entity. If the Division of Purchasing determines that the contractor becomes compliant with the commitment, any funds retained as stated above, will be released.
- 2.11.4 If a participating entity fails to retain the required certification or is unable to satisfactorily perform, the contractor must obtain other organizations for the blind/sheltered workshops to fulfill the participation requirements committed to in the contractor's awarded proposal.
 - a. The contractor must obtain the written approval of the Division of Purchasing for any new entities. This approval shall not be arbitrarily withheld.
 - b. If the contractor cannot obtain a replacement entity, the contractor must submit documentation to the Division of Purchasing detailing all efforts made to secure a replacement. The Division of Purchasing shall have sole discretion in determining if the actions taken by the contractor constitute a good faith effort to secure the required participation and whether the contract will be amended to change the contractor's participation commitment.
- 2.11.5 No later than 30 days after the first renewal period, the contractor must submit an affidavit to the Division of Purchasing. The affidavit must be signed by the director or manager of the participating Organizations for the Blind/Sheltered Workshop verifying provision of products and/or services and compliance of all contractor payments made to the Organizations for the Blind/Sheltered Workshops. The contractor may use the affidavit available on the Division of Purchasing website at <http://oa.mo.gov/sites/default/files/bswaffidavit.doc> or another affidavit providing the same information.

2.12 Contractor's Personnel:

- 2.12.1 The contractor shall only employ personnel authorized to work in the United States in accordance with applicable federal and state laws. This includes but is not limited to the Illegal Immigration Reform and Immigrant Responsibility Act (IIRIRA) and INA Section 274A.
- 2.12.2 If the contractor is found to be in violation of this requirement or the applicable state, federal and local laws and regulations, and if the State of Missouri has reasonable cause to believe that the contractor has knowingly employed individuals who are not eligible to work in the United States, the state shall have the right to cancel the contract immediately without penalty or recourse and suspend or debar the contractor from doing business with the state.

2.12.3 The contractor shall agree to fully cooperate with any audit or investigation from federal, state, or local law enforcement agencies.

2.13 Subcontractors:

2.13.1 Any subcontracts for the products/services described herein must include appropriate provisions and contractual obligations to ensure the successful fulfillment of all contractual obligations agreed to by the contractor and the State of Missouri and to ensure that the State of Missouri is indemnified, saved, and held harmless from and against any and all claims of damage, loss, and cost (including attorney fees) of any kind related to a subcontract in those matters described in the contract between the State of Missouri and the contractor. The contractor shall expressly understand and agree that he/she shall assume and be solely responsible for all legal and financial responsibilities related to the execution of a subcontract. The contractor shall agree and understand that utilization of a subcontractor to provide any of the products/services in the contract shall in no way relieve the contractor of the responsibility for providing the products/services as described and set forth herein. The contractor must obtain the approval of the State of Missouri prior to establishing any new subcontracting arrangements and before changing any subcontractors. The approval shall not be arbitrarily withheld.

2.14 Confidentiality and Security Documents:

2.14.1 If required by the state agency, the contractor and any required contractor personnel must sign specific documents regarding confidentiality, security or other similar documents upon request. Failure of the contractor and any required personnel to sign such documents shall be considered a breach of contract and subject to the cancellation provisions of this document.

2.15 Prison Rape Elimination Act (PREA) Requirements:

2.15.1 The Missouri Department of Corrections requires that all of the contractor's employees and agents providing service in the facility must be at least 18 years of age. A Missouri Uniform Law Enforcement System (MULES) or other background investigation may be required on the contractor's employees and agents before allowing entry into the institution. Such investigation shall be equivalent to investigations required of all personnel employed by the Department. The institution shall have the right to deny access into the institution for any of the contractor's employees or agents for any reason. Such denial shall not relieve the contractor of any requirements of the contract.

2.15.2 Contractor's employees and agents under active federal or state felony or misdemeanor supervision must receive written division director approval prior to performing services on a Department contract. Contractors/employees/agents with prior felony convictions and not under active supervision must receive written division director approval in advance.

2.15.3 The contractor, its employees, and others acting under the contractor's control, shall at all times observe and comply with all applicable state statutes, Department rules, regulations, guidelines, internal management policy and procedures, and general orders of the Department that are applicable, regarding operations and activities in and about all Department property. The contractor shall comply with the Department's policy and procedures relating to employee conduct.

- a. The Department has a zero tolerance policy for any form of sexual misconduct to include staff/contractor/volunteer on offender or offender on offender sexual harassment, sexual assault, sexual abusive contact and consensual sex. Any contractor or contractor's employee or agent who witnesses sexual abuse or sexual harassment must immediately report it to the warden. A contractor or contractor's employee or agent who engages in, fails to report, or knowingly condones sexual harassment or sexual contact with or between offenders shall be grounds for canceling the contract and may subject the contractor or contractor's employee or agent to criminal prosecution.

- b. Any contractor, contractor's employee or agent who has engaged in sexual abuse in a prison, jail, lockup, community confinement facility, juvenile facility or other institution shall be denied access into the institution.
- 2.15.4 The contractor and/or contractor's employees and agents shall not interact with the offenders except as is necessary to perform the requirements of the contract. The contractor and/or contractor's employees and agents shall not give anything to nor accept anything from the offenders except in the normal performance of the contract.

The Division of Purchasing shall be the final authority as to acceptability of any proposed substitution.
- 3.2.4 Any item substitution shall require a formal contract amendment authorized by the Division of Purchasing prior to the state acquiring the substitute item under the contract.
- 3.2.5 The state may choose not to compel an item substitution in the event requiring a substitution would be deemed unreasonable in the sole opinion of the State of Missouri. The contractor shall not be relieved of substituting a product in the event of manufacturer discontinuation or other reason simply for reasons of unprofitability to the contractor.

 - b. In addition, a registered vendor may submit the exhibits, forms, Pricing Page(s), etc., through mail or courier service. However, any such submission must be received prior to the specified end date and time.
 - c. If a registered vendor submits an electronic and hard copy proposal response and if such responses are not identical, the vendor should explain which response is valid. In the absence of an explanation, the State of Missouri shall consider the response which serves its best interest.
- 4.4.2 Hard Copy Proposal -- If the vendor is submitting a proposal via the mail or a courier service or is hand delivering the proposal, the vendor should include completed exhibits, forms, and other information concerning the proposal (including completed Pricing Page(s) with the proposal. The vendor is instructed to review the RFP submission provisions carefully to ensure they are providing all required pricing, including applicable renewal pricing.
- a. The proposal should be page numbered.
 - b. Recycled Products - The State of Missouri recognizes the limited nature of our resources and the leadership role of government agencies in regard to the environment. Accordingly, the vendor is requested to print the proposal double-sided using recycled paper, if possible, and minimize or eliminate the use of non-recyclable materials such as plastic report covers, plastic dividers, vinyl sleeves, and binding. Lengthy proposals may be submitted in a notebook or binder.
- 4.5 Confidentiality Materials:
- 4.5.1 Pursuant to section 610.021, RSMo, proposals and related documents shall not be available for public review until a contract has been awarded or all proposals are rejected.
- 4.5.2 The Division of Purchasing is a governmental body under Missouri Sunshine Law (chapter 610, RSMo). Section 610.011, RSMo, requires that all provisions be "liberally construed and their exceptions strictly construed" to promote the public policy that records are open unless otherwise provided by law.
- 4.5.3 Regardless of any claim by a vendor as to material being confidential and not subject to copying or distribution, or how a vendor characterizes any information provided in its proposal, all material submitted by the vendor in conjunction with the RFP is subject to release after the award of a contract in relation to a request for public records under the Missouri Sunshine Law (see chapter 610, RSMo). Only information expressly permitted to be closed pursuant to the strictly construed provisions of Missouri's Sunshine Law will be treated as a closed record by the Division of Purchasing and withheld from any public request submitted to Division of Purchasing after award. Vendors should presume information provided to Division of Purchasing in a proposal will be public following the award of the contract or after rejection of all proposals and made available upon request in accordance with the provisions of state law. The vendor's sole remedy for the state's denial of any confidentiality request shall be limited to withdrawal of their proposal in its entirety.
- 4.5.4 In no event will the following be considered confidential or exempt from the Missouri Sunshine Law:
- a. Vendor's entire proposal;
 - b. Vendor's pricing;

- c. Vendor's proposed method of performance including schedule of events and/or deliverables;
 - d. Vendor's experience information including customer lists or references;
 - e. Vendor's product specifications unless specifications disclose scientific and technological innovations in which the owner has a proprietary interest (see subsection 15 of section 610.021, RSMo).
- 4.5.5 On-line Proposal – If a registered vendor is responding electronically through the MissouriBUYS System website, in the event the registered vendor attaches information with their proposal that is allowed by the Missouri Sunshine Law to be exempt from public disclosure, such specific material of their proposal must be attached as a separate document and must have the box "Confidential" selected when attaching the document. If the "Confidential" box is not selected when attaching the document, the document must be clearly marked as confidential along with an explanation of what qualifies the specific material to be held as confidential pursuant to the provisions of section 610.021, RSMo. The vendor's failure to follow these instructions shall relieve the state of any obligation to preserve the confidentiality of the documents.
- 4.5.6 Hard Copy Proposal – If the vendor is submitting a proposal via the mail or a courier service or is hand delivering the proposal, in the event the vendor does submit information with their proposal that is allowed by the Missouri Sunshine Law to be exempt from public disclosure, such specific material of their proposal must be separated, sealed, and clearly marked as confidential along with an explanation of what qualifies the specific material to be held as confidential pursuant to the provisions of section 610.021, RSMo. The vendor's failure to follow this instruction shall relieve the state of any obligation to preserve the confidentiality of the documents.
- 4.5.7 Imaging Ready – Except for any portion of a proposal qualifying as confidential as determined by the Division of Purchasing as specified above, after a contract is executed or all proposals are rejected, all proposals are scanned into the Division of Purchasing imaging system. The scanned information will be available for viewing through the Internet from the Division of Purchasing Awarded Bid and Contract Document Search system. Therefore, the vendor is advised not to include any information in the proposal that the vendor does not want to be viewed by the public, including personal identifying information such as social security numbers. Also, in preparing a proposal, the vendor should be mindful of document preparation efforts for imaging purposes and storage capacity that will be required to image the proposal and should limit proposal content to items that provide substance, quality of content, and clarity of information.
- 4.6 Competitive Negotiation of Proposals:**
- 4.6.1 The vendor is advised that under the provisions of this Request for Proposal, the Division of Purchasing reserves the right to conduct negotiations of the proposals received or to award a contract without negotiations. If such negotiations are conducted, the following conditions shall apply:
- a. Negotiations may be conducted in person, in writing, or by telephone.
 - b. Negotiations will only be conducted with potentially acceptable proposals. The Division of Purchasing reserves the right to limit negotiations to those proposals which received the highest rankings during the initial evaluation phase. All vendors involved in the negotiation process will be invited to submit a best and final offer.
 - c. Terms, conditions, prices, methodology, or other features of the vendor's proposal may be subject to negotiation and subsequent revision. As part of the negotiations, the vendor may be required to submit supporting financial, pricing and other data in order to allow a detailed evaluation of the feasibility, reasonableness, and acceptability of the proposal.

- d. The mandatory requirements of the Request for Proposal shall not be negotiable and shall remain unchanged unless the Division of Purchasing determines that a change in such requirements is in the best interest of the State of Missouri.

4.7 Description of Product:

- 4.7.1 The vendor should present a detailed description of all products proposed in the response to this Request for Proposal. It is the vendor's responsibility to make sure all products proposed are adequately described in order to conduct an evaluation of the proposal to insure its compliance with mandatory technical specifications. It should not be assumed that the evaluator has specific knowledge of the products proposed; however, the evaluator does have sufficient technical background to conduct an evaluation when presented complete information.

4.8 Preprinted Marketing Materials:

- 4.8.1 The vendor may submit preprinted marketing materials with the proposal. However, the vendor is advised that such brochures normally do not address the needs of the evaluators with respect to the technical evaluation process and the specific responses which have been requested of the vendor. The vendor is strongly discouraged from relying on such materials in presenting products for consideration by the state.

4.9 Proposal Detail Requirements and Deviations:

- 4.9.1 It is the vendor's responsibility to submit a proposal that meets all mandatory specifications stated herein. The vendor should clearly identify any and all deviations from both the mandatory and desirable specifications stated in the RFP. Any deviation from a mandatory requirement may render the proposal non-responsive. Any deviation from a desirable specification may be reviewed by the state as to its acceptability and impact on competition.
- 4.9.2 Vendors should note: A descriptive brochure of the model proposed may not be acceptable as clear identification of deviations from the written specification.

4.10 Compliance with Terms and Conditions:

- 4.10.1 The vendor is cautioned when submitting pre-printed terms and conditions or other type material to make sure such documents do not contain other terms and conditions which conflict with those of the RFP and its contractual requirements. The vendor agrees that in the event of conflict between any of the vendor's terms and conditions and those contained in the RFP, that the RFP shall govern. Taking exception to the State's terms and conditions may render a vendor's proposal unacceptable and remove it from consideration for award.
- 4.10.2 Vendors are cautioned that the State of Missouri will not award a non-compliant proposal and, as a result, any vendor indicating non-compliance with any requirements, terms, conditions and provisions of the RFP will be eliminated from further consideration for award unless the State exercises its sole option to competitively negotiate the respective proposal(s) and the vendor resolves the noncompliant issues.

4.11 Firm, Fixed Percentage Discounts and Market Basket Pricing:

- 4.11.1 The vendor shall quote a firm, fixed percentage discount for one, some, or all locking hardware manufacturers stated in line items 1 through 7 on the Pricing Page of the RFP. The percentage discounts shall be applied to the current manufacturer's suggested retail price (MSRP) for all locking hardware items within the specific brand.

4.11.2 In addition, the vendor must quote a firm, fixed percentage discount for line item 8 that shall apply to the current MSRP for all other locking hardware manufacturers (which fall within the intent of this RFP) not listed elsewhere herein that the vendor provides.

- a. If the vendor does not intend to offer a discount on additional locking hardware manufacturers, the vendor should state "no bid" for line item 8.
- b. If line item 8 is left blank, the percentage shall be interpreted as zero (0) discount.
- c. Multiple percentage discounts shall be unacceptable.

4.11.3 The percentage discounts quoted shall remain the same throughout the duration of the contract, including renewals.

4.11.4 The percentage discounts shall include all packing, handling, shipping and freight charges FOB Destination, Freight Prepaid and Allowed. The State of Missouri shall not make additional payments or pay add-on charges for freight or shipping unless specifically described and priced in the proposal, or as otherwise specifically stated and allowed by the RFP.

4.11.5 Additionally, the vendor must complete the applicable line items in the Market Basket that are identified for the manufacturer(s) for which the vendor has quoted discounts. For example, vendors quoting a percentage discount on the manufacturer Best must also quote all identified Best Market Basket items, i.e. items 9 through 14. Only vendors proposing Best products will be compared with vendors proposing Best products, and so on. The price quoted for the item in the Market Basket must be the current MSRP list price for the item minus the quoted percentage discount from the respective manufacturer quoted in line items 1 through 7. The cost evaluation shall be based on the vendor's after-discount prices as stated in the Market Basket Survey.

4.12 Cost Evaluation:

4.12.1 A separate cost evaluation will be conducted for each identified manufacturer based on Market Basket pricing for the specifically identified manufacturer. The after-discount prices submitted for line items 9 through 42 on **Exhibit A** shall be multiplied by the respective estimated quantity for the specific line item. The subtotals for each manufacturer's unit price after-discount will be added together to determine the lowest grand total.

- a. **Exhibit A** is a separate Excel spreadsheet the vendor must download, complete, and then include with the vendor's response. If the vendor is using MissouriBUYS, **Exhibit A** must be uploaded and included with the online response.
- b. The percentage discount stated for line item 8 (firm, fixed percentage discount off all other locking hardware manufacturers) shall be applied to an arbitrary purchase amount of \$3,000.00 to arrive at a total price. It is the intent of the state agency to award line item 8 to all low bid vendors being awarded a contract for line items 1 through 7.
- c. Unit of Measure: If the unit of measure specified on the attached pricing pages is different than the manner in which the vendor offers that item, then the unit of measure being proposed by the vendor must be clearly identified on the pricing page. All mathematical conversions should be shown by the vendor, and must be provided upon specific request from the Buyer.
- d. In the cost evaluation, a unit price conversion will be done to fairly evaluate proposal prices. However, for any resulting contract, the unit of measure offered will be the unit of measure awarded. Vendors are encouraged to contact the Buyer **prior to** submission of their proposal to discuss anticipated unit modifications. The vendor is cautioned that the State of Missouri reserves the right to clarify the unit of measure modification or to disqualify the proposal for that line item if the unit of measure modification is not deemed appropriate or in the best interests of the State of Missouri.

- 4.12.2 The cost evaluation shall cover the original contract period. The cost evaluation shall include all mandatory requirements. However, the State of Missouri reserves the right to evaluate optional items, if deemed necessary.

NOTE: Pricing for Market Basket items is for cost evaluation purposes only. While the percentage discounts quoted in line items 1 through 8 are contractually binding, the calculated prices for the Market Basket shall not be interpreted as contractual pricing.

4.13 Determination for Award:

- 4.13.1 The award shall be made to the lowest priced responsive vendor. Other factors that affect the determination of the lowest price responsive vendor include consideration of the Domestic Product Procurement Act, the Blind/Sheltered Workshop Preference, and the Missouri Service Disabled Veterans Preference explained in the paragraphs that follow.

- 4.13.2 Other Considerations: The State of Missouri reserves the right to reject any proposal which is determined unacceptable for reasons which may include but are not necessarily limited to: 1) failure of the vendor to meet mandatory general performance specifications; and/or 2) failure of the vendor to meet mandatory technical specifications; and/or, 3) receipt of any information, from any source, regarding delivery of unsatisfactory product or service by the vendor within the past three years. As deemed in its best interests, the State of Missouri reserves the right to clarify any and all portions of any vendor's proposal.

4.14 Domestic Product Procurement Act:

- 4.14.1 In accordance with the Domestic Product Procurement Act (hereinafter referred to as the Buy American Act) sections 34.350 to 34.359, RSMo, the vendor is advised that any goods purchased or leased by any public agency shall be manufactured or produced in the United States.
- 4.14.2 Vendors who can certify that goods or commodities to be provided in accordance with the contract are manufactured or produced in the United States or imported in accordance with a qualifying treaty, law, agreement, or regulation shall be entitled to a ten percent (10%) preference over vendors whose products do not qualify.
- 4.14.3 The requirements of the Buy American Act shall not apply if other exceptions to the Buy American mandate in section 34.353, RSMo, are met.
- 4.14.4 If the vendor claims there is only one line of the good manufactured or produced in the United States, subsection 2 of section 34.353, RSMo, or that one of the exceptions of subsection 3 of 34.353, RSMo, applies, the Executive Head of the Agency bears the burden of certification as required prior to the award of a contract.
- 4.14.5 In accordance with the Buy American Act, the vendor must provide proof of compliance with section 34.353, RSMo. Therefore the vendor should complete and return **Exhibit B**, certification regarding proof of compliance, with the proposal. This document must be satisfactorily completed prior to an award of a contract.
- 4.14.6 If the lowest priced vendor qualifies as American-made or in the event all of the vendors or none of the vendors qualify for the Buy American preference, no further calculation is necessary. In the event the lowest priced vendor does not qualify for the Buy American Preference but other vendors do qualify, then the low vendor's price(s) is increased by 10% for those items not eligible for the Buy American Preference.

4.15 Executive Order 04-09, Offshore:

- 4.15.1 If any products and/or services offered under this RFP are being manufactured or performed at sites outside the United States, the vendor MUST disclose such fact and provide details with the proposal.

4.16 Preference for Organizations for the Blind and Sheltered Workshops:

- 4.16.1 Pursuant to section 34.165, RSMo, and 1 CSR 40-1.050, a ten (10) bonus point preference shall be granted to vendors including products and/or services manufactured, produced or assembled by a qualified nonprofit organization for the blind established pursuant to 41 U.S.C. sections 46 to 48c or a sheltered workshop holding a certificate of approval from the Department of Elementary and Secondary Education pursuant to section 178.920, RSMo.

- a. In order to qualify for the ten bonus points, the following conditions must be met and the following evidence must be provided:

- 1) The vendor must either be an organization for the blind or sheltered workshop or must be proposing to utilize an organization for the blind/sheltered workshop as a subcontractor and/or supplier in an amount that must equal the greater of \$5,000 or 2% of the total dollar value of the contract for purchases not exceeding \$10 million.
- 2) The services performed or the products provided by the organization for the blind or sheltered workshop must provide a commercially useful function related to the delivery of the contractually-required service/product in a manner that will constitute an added value to the contract and shall be performed/provided exclusive to the performance of the contract. Therefore, if the services performed or the products provided by the organization for the blind or sheltered workshop is utilized, to any extent, in the vendor's obligations outside of the contract, it shall not be considered a valid added value to the contract and shall not qualify as participation in accordance with this clause.
- 3) If the vendor is proposing participation by an organization for the blind or sheltered workshop, in order to receive evaluation consideration for participation by the organization for the blind or sheltered workshop, the vendor must provide the following information with the proposal:
 - **Participation Commitment** – The vendor must complete **Exhibit C**, Participation Commitment, by identifying the organization for the blind or sheltered workshop and the commercially useful products/services to be provided by the listed organization for the blind or sheltered workshop. If the vendor submitting the proposal is an organization for the blind or sheltered workshop, the vendor must be listed in the appropriate table on the Participation Commitment Form.
 - **Documentation of Intent to Participate** – The vendor must either provide a properly completed **Exhibit D**, Documentation of Intent to Participate Form, signed and dated no earlier than the RFP issuance date by the organization for the blind or sheltered workshop proposed or must provide a recently dated letter of intent signed and dated no earlier than the RFP issuance date by the organization for the blind or sheltered workshop which: (1) must describe the products/services the organization for the blind/sheltered workshop will provide and (2) should include evidence of the organization for the blind/sheltered workshop qualifications (e.g. copy of certificate or Certificate Number for Missouri Sheltered Workshop).

NOTE: If the vendor submitting the proposal is an organization for the blind or sheltered workshop, the vendor is not required to complete **Exhibit D**, Documentation of Intent to Participate Form or provide a recently dated letter of intent.

- b. A list of Missouri sheltered workshops can be found at the following Internet address:
<http://dese.mo.gov/special-education/sheltered-workshops/directories>
- c. The websites for the Missouri Lighthouse for the Blind and the Alphapointe Association for the Blind can be found at the following Internet addresses:
<http://www.lhbindustries.com>
<http://www.alphapointe.org>
- d. Commitment -- If the vendor's proposal is awarded, the organization for the blind or sheltered workshop participation committed to by the vendor on **Exhibit C**, Participation Commitment, shall be interpreted as a contractual requirement.
- 4.16.2 The Blind/Sheltered Workshop Preference required under section 34.165, RSMo, allows for ten (10) bonus points to a qualifying vendor. If the lowest priced vendor qualifies for the preference, or in the event none of the vendors qualify for the preference, no further calculation is necessary.
- 4.16.3 In the event the lowest priced vendor does not qualify for the preference but other vendors do, then the following evaluation point formula shall apply to determine cost evaluation points:

<u>Lowest Responsive Vendor's Price</u> Compared Vendor's Price	x	200 Maximum Cost Evaluation Points	=	Awarded Cost Evaluation Points
--	---	---------------------------------------	---	-----------------------------------

4.17 Missouri Service-Disabled Veteran Business Preference:

- 4.17.1 Pursuant to section 34.074, RSMo, and 1 CSR 40-1.050, a three (3) bonus point preference shall be granted to vendors who qualify as Missouri service-disabled veteran business enterprises and who complete and submit **Exhibit E**, Missouri Service-Disabled Veteran Business Enterprise Preference with the proposal. If the proposal does not include the completed **Exhibit E** and the documentation specified on **Exhibit E** in accordance with the instructions provided therein, no preference points will be applied.
- 4.17.2 If the lowest priced vendor qualifies for the preference, or in the event none of the vendors qualify for the preference, no further calculation is necessary.
- 4.17.3 In the event the lowest priced vendor does not qualify for the preference but other vendors do, then the following evaluation point formula shall apply to determine cost evaluation points:

<u>Lowest Responsive Vendor's Price</u> Compared Vendor's Price	x	200 Maximum Cost Evaluation Points	=	Awarded Cost Evaluation Points

MARKET BASKET
(See Exhibit A)

NOTE: Exhibit A is a separate Excel spreadsheet that must be downloaded.

The vendor must quote the **current MSRP** and an **after-discount price** (vendor to use current MSRP and then apply the applicable quoted percentage discount) for all Market Basket items for the manufacturer(s) the vendor intends to offer. The vendor's quoted percentage discount (see line items 1 through 7) must be applied to the current MSRP list/catalog to find the final after-discount cost for each manufacturer.

For example, vendors quoting a percentage discount on the manufacturer Best must also quote all identified Best Market Basket items, i.e. 9 through 14. Only vendors proposing Best products will be compared with vendors proposing Best products, and so on.

Example:

MSRP list/catalog is \$2.60

Discount is 5%

5% x \$2.60 = \$0.13, which is the percentage discount amount.

Subtract the discount amount (\$0.13) from the MSRP list/catalog Price (\$2.60) and the result is \$2.47.

NOTE: Market Basket pricing is for evaluation purposes only and shall not be construed as contractually binding pricing specific to the identified item. The listing of items shall not be construed to limit the state's locking hardware choices under the contract.

THE VENDOR MUST DOWNLOAD, COMPLETE AND SUBMIT EXHIBIT A. FAILURE TO DO SO SHALL RENDER THE VENDOR'S PROPOSAL NON-RESPONSIVE.

The desired delivery is fifteen (15) calendar days after receipt of a properly executed order. If the vendor's delivery is different, the vendor should state delivery in days after receipt of order: _____ calendar days ARO.

The vendor should state additional warranty terms, if the terms differ from the above requirements, (e.g., longer coverage, etc.):

1. TERMINOLOGY/DEFINITIONS

Whenever the following words and expressions appear in a Request for Proposal (RFP) document or any addendum thereto, the definition or meaning described below shall apply.

- a. Agency and/or State Agency means the statutory unit of state government in the State of Missouri for which the equipment, supplies, and/or services are being purchased by the Division of Purchasing (Purchasing). The agency is also responsible for payment.
- b. Addendum means a written, official modification to an RFP.
- c. Amendment means a written, official modification to a contract.
- d. Attachment applies to all forms which are included with an RFP to incorporate any informational data or requirements related to the performance requirements and/or specifications.
- e. Proposal End Date and Time and similar expressions mean the exact deadline required by the RFP for the receipt of sealed proposals.
- f. Vendor means the supplier, vendor, person, or organization that responds to an RFP by submitting a proposal with prices to provide the equipment, supplies, and/or services as required in the RFP document.
- g. Buyer means the procurement staff member of Purchasing. The Contact Person as referenced herein is usually the Buyer.
- h. Contract means a legal and binding agreement between two or more competent parties, for a consideration for the procurement of equipment, supplies, and/or services.
- i. Contractor means a supplier, vendor, person, or organization who is a successful vendor as a result of an RFP and who enters into a contract.
- j. Exhibit applies to forms which are included with an RFP for the vendor to complete and submit with the sealed proposal prior to the specified end date and time.
- k. Request for Proposal (RFP) means the solicitation document issued by Purchasing to potential vendors for the purchase of equipment, supplies, and/or services as described in the document. The definition includes these Terms and Conditions as well as all Pricing Pages, Exhibits, Attachments, and Addendums thereto.
- l. May means that a certain feature, component, or action is permissible, but not required.
- m. Must means that a certain feature, component, or action is a mandatory condition.
- n. Pricing Page(s) applies to the form(s) on which the vendor must state the price(s) applicable for the equipment, supplies, and/or services required in the RFP. The pricing pages must be completed and submitted by the vendor with the sealed proposal prior to the specified proposal end date and time.
- o. RSMo (Revised Statutes of Missouri) refers to the body of laws enacted by the Legislature which govern the operations of all agencies of the State of Missouri. Chapter 34 of the statutes is the primary chapter governing the operations of Purchasing.
- p. Shall has the same meaning as the word must.
- q. Should means that a certain feature, component and/or action is desirable but not mandatory.

2. APPLICABLE LAWS AND REGULATIONS

- a. The contract shall be construed according to the laws of the State of Missouri. The contractor shall comply with all local, state, and federal laws and regulations related to the performance of the contract to the extent that the same may be applicable.
- b. To the extent that a provision of the contract is contrary to the Constitution or laws of the State of Missouri or of the United States, the provisions shall be void and unenforceable. However, the balance of the contract shall remain in force between the parties unless terminated by consent of both the contractor and Purchasing.
- c. The contractor must be registered and maintain good standing with the Secretary of State of the State of Missouri and other regulatory agencies, as may be required by law or regulations.
- d. The contractor must timely file and pay all Missouri sales, withholding, corporate and any other required Missouri tax returns and taxes, including interest and additions to tax.
- e. The exclusive venue for any legal proceeding relating to or arising out of the RFP or resulting contract shall be in the Circuit Court of Cole County, Missouri.
- f. The contractor shall only employ personnel authorized to work in the United States in accordance with applicable federal and state laws and Executive Order 07-13 for work performed in the United States.

3. OPEN COMPETITION/REQUEST FOR PROPOSAL DOCUMENT

- a. It shall be the vendor's responsibility to ask questions, request changes or clarification, or otherwise advise Purchasing if any language, specifications or requirements of an RFP appear to be ambiguous, contradictory, and/or arbitrary, or appear to inadvertently restrict or limit the requirements stated in the RFP to a single source. Any and all communication from vendors regarding specifications, requirements, competitive proposal process, etc., must be directed to the buyer from Purchasing, unless the RFP specifically refers the vendor to another contact. Such e-mail, fax, or phone communication should be received at least ten calendar days prior to the official proposal end date.
- b. Every attempt shall be made to ensure that the vendor receives an adequate and prompt response. However, in order to maintain a fair and equitable procurement process, all vendors will be advised, via the issuance of an addendum to the RFP, of any relevant or pertinent information related to the procurement. Therefore, vendors are advised that unless specified elsewhere in the RFP, any questions received less than ten calendar days prior to the RFP end date may not be answered.
- c. Vendors are cautioned that the only official position of the State of Missouri is that which is issued by Purchasing in the RFP or an addendum thereto. No other means of communication, whether oral or written, shall be construed as a formal or official response or statement.
- d. Purchasing monitors all procurement activities to detect any possibility of deliberate restraint of competition, collusion among vendors, price-fixing by vendors, or any other anticompetitive conduct by vendors which appears to violate state and federal antitrust laws. Any suspected violation shall be referred to the Missouri Attorney General's Office for appropriate action.
- e. The RFP is available for viewing and downloading on the MissouriBUYS Statewide eProcurement System. Registered vendors are electronically notified of those proposal opportunities that match the commodity codes for which the vendor registered in MissouriBUYS. If a registered vendor's e-mail address is incorrect, the vendor must update the e-mail address themselves on the state's MissouriBUYS Statewide eProcurement System at <https://missouribuysoano.gov/>.
- f. Purchasing reserves the right to officially amend or cancel an RFP after issuance. It shall be the sole responsibility of the vendor to monitor the MissouriBUYS Statewide eProcurement System to obtain a copy of the addendum(s). Registered vendors who received e-mail notification of the proposal opportunity when the RFP was established and registered vendors who have responded to the RFP on-line prior to an addendum being issued should receive e-mail notification of the addendum(s). Registered vendors who received e-mail notification of the proposal opportunity when the RFP

was established and registered vendors who have responded to the proposal on-line prior to a cancellation being issued should receive e-mail notification of a cancellation issued prior to the exact end date and time specified in the RFP.

4. PREPARATION OF PROPOSALS

- a. Vendors must examine the entire RFP carefully. Failure to do so shall be at the vendor's risk.
- b. Unless otherwise specifically stated in the RFP, all specifications and requirements constitute minimum requirements. All proposals must meet or exceed the stated specifications and requirements.
- c. Unless otherwise specifically stated in the RFP, any manufacturer names, trade names, brand names, information and/or catalog numbers listed in a specification and/or requirement are for informational purposes only and are not intended to limit competition. The vendor may offer any brand which meets or exceeds the specification for any item, but must state the manufacturer's name and model number for any such brands in the proposal. In addition, the vendor shall explain, in detail, (1) the reasons why the proposed equivalent meets or exceeds the specifications and/or requirements and (2) why the proposed equivalent should not be considered an exception thereto. Proposals which do not comply with the requirements and specifications are subject to rejection without clarification.
- d. Proposals lacking any indication of intent to offer an alternate brand or to take an exception shall be received and considered in complete compliance with the specifications and requirements as listed in the RFP.
- e. In the event that the vendor is an agency of state government or other such political subdivision which is prohibited by law or court decision from complying with certain provisions of an RFP, such a vendor may submit a proposal which contains a list of statutory limitations and identification of those prohibitive clauses. The vendor should include a complete list of statutory references and citations for each provision of the RFP, which is affected by this paragraph. The statutory limitations and prohibitive clauses may (1) be requested to be clarified in writing by Purchasing or (2) be accepted without further clarification if the statutory limitations and prohibitive clauses are deemed acceptable by Purchasing. If Purchasing determines clarification of the statutory limitations and prohibitive clauses is necessary, the clarification will be conducted in order to agree to language that reflects the intent and compliance of such law and/or court order and the RFP.
- f. All equipment and supplies offered in a proposal must be new, of current production, and available for marketing by the manufacturer unless the RFP clearly specifies that used, reconditioned, or remanufactured equipment and supplies may be offered.
- g. Prices shall include all packing, handling and shipping charges FOB destination, freight prepaid and allowed unless otherwise specified in the RFP.
- h. Proposals, including all prices therein, shall remain valid for 90 days from proposal opening or Best and Final Offer (BAFO) submission unless otherwise indicated. If the proposal is accepted, the entire proposal, including all prices, shall be firm for the specified contract period.
- i. Any foreign vendor not having an Employer Identification Number assigned by the United States Internal Revenue Service (IRS) must submit a completed IRS Form W-8 prior to or with the submission of their proposal in order to be considered for award.

5. SUBMISSION OF PROPOSALS

- a. Registered vendors may submit proposals electronically through the MissouriBUYS Statewide eProcurement System at <https://missouriBuys.mo.gov/> or by delivery of a hard copy to the Purchasing office. Vendors that have not registered on the MissouriBUYS Statewide eProcurement System may submit proposals hard copy delivered to the Purchasing office. Delivered proposals must be sealed in an envelope or container, and received in the Purchasing office located at 301 West High St, Rm 630 in Jefferson City, MO no later than the exact end date and time specified in the RFP. All proposals must (1) be submitted by a duly authorized representative of the vendor's organization, (2) contain all information required by the RFP, and (3) be priced as required. Hard copy proposals may be mailed to the Purchasing post office box address. However, it shall be the responsibility of the vendor to ensure their proposal is in the Purchasing office (address listed above) no later than the exact end date and time specified in the RFP.
- b. The sealed envelope or container containing a proposal should be clearly marked on the outside with (1) the official RFP number and (2) the official end date and time. Different proposals should not be placed in the same envelope, although copies of the same proposal may be placed in the same envelope.
- c. A proposal submitted electronically by a registered vendor may be modified on-line prior to the official end date and time. A proposal which has been delivered to the Purchasing office may be modified by signed, written notice which has been received by Purchasing prior to the official end date and time specified. A proposal may also be modified in person by the vendor or its authorized representative, provided proper identification is presented before the official end date and time. Telephone or telegraphic requests to modify a proposal shall not be honored.
- d. A proposal submitted electronically by a registered vendor may be retracted on-line prior to the official end date and time. A proposal which has been delivered to the Purchasing may only be withdrawn by a signed, written document on company letterhead transmitted via mail, e-mail, or facsimile which has been received by Purchasing prior to the official end date and time specified. A proposal may also be withdrawn in person by the vendor or its authorized representative, provided proper identification is presented before the official end date and time. Telephone or telegraphic requests to withdraw a proposal shall not be honored.
- e. A proposal may also be withdrawn after the proposal opening through submission of a written request by an authorized representative of the vendor. Justification of withdrawal decision may include a significant error or exposure of proposal information that may cause irreparable harm to the vendor.
- f. When submitting a proposal electronically, the registered vendor indicates acceptance of all RFP requirements, terms and conditions by clicking on the "Accept" button on the Overview tab. Vendors delivering a hard copy proposal to Purchasing must sign and return the RFP cover page or, if applicable, the cover page of the last addendum thereto in order to constitute acceptance by the vendor of all RFP requirements, terms and conditions. Failure to do so may result in rejection of the proposal unless the vendor's full compliance with those documents is indicated elsewhere within the vendor's response.
- g. Faxed proposals shall not be accepted. However, faxed and e-mail no-bid notifications shall be accepted.

6. PROPOSAL OPENING

- a. Proposal openings are public on the end date and at the opening time specified on the RFP document. Only the names of the respondents shall be read at the proposal opening. All vendors may view the same proposal response information on the MissouriBUYS Statewide eProcurement System. The contents of the responses shall not be disclosed at this time.
- b. Proposals which are not received in the Purchasing office prior to the official end date and time shall be considered late, regardless of the degree of lateness, and normally will not be opened. Late proposals may only be opened under extraordinary circumstances in accordance with 1 CSR 40-1.050.

7. PREFERENCES

- a. In the evaluation of proposals, preferences shall be applied in accordance with chapter 34, RSMo, other applicable Missouri statutes, and applicable Executive Orders. Contractors should apply the same preferences in selecting subcontractors.
- b. By virtue of statutory authority, a preference will be given to materials, products, supplies, provisions and all other articles produced, manufactured, mined, processed or grown within the State of Missouri and to all firms, corporations or individuals doing business as Missouri firms, corporations or individuals. Such preference shall be given when quality is equal or better and delivered price is the same or less.

- c. In accordance with Executive Order 05-30, contractors are encouraged to utilize certified minority and women-owned businesses in selecting subcontractors.

8. EVALUATION/AWARD

- a. Any clerical error, apparent on its face, may be corrected by the buyer before contract award. Upon discovering an apparent clerical error, the buyer shall contact the vendor and request clarification of the intended proposal. The correction shall be incorporated in the notice of award. Examples of apparent clerical errors are: 1) misplacement of a decimal point; and 2) obvious mistake in designation of unit.
- b. Any pricing information submitted by a vendor shall be subject to evaluation if deemed by Purchasing to be in the best interest of the State of Missouri.
- c. The vendor is encouraged to propose price discounts for prompt payment or propose other price discounts that would benefit the State of Missouri. However, unless otherwise specified in the RFP, pricing shall be evaluated at the maximum potential financial liability to the State of Missouri.
- d. Awards shall be made to the vendor whose proposal (1) complies with all mandatory specifications and requirements of the RFP and (2) is the lowest and best proposal, considering price, responsibility of the vendor, and all other evaluation criteria specified in the RFP and any subsequent negotiations and (3) complies with chapter 34, RSMo, other applicable Missouri statutes, and all applicable Executive Orders.
- e. In the event all vendors fail to meet the same mandatory requirement in an RFP, Purchasing reserves the right, at its sole discretion, to waive that requirement for all vendors and to proceed with the evaluation. In addition, Purchasing reserves the right to waive any minor irregularity or technicality found in any individual proposal.
- f. Purchasing reserves the right to reject any and all proposals.
- g. When evaluating a proposal, the State of Missouri reserves the right to consider relevant information and fact, whether gained from a proposal, from a vendor, from vendor's references, or from any other source.
- h. Any information submitted with the proposal, regardless of the format or placement of such information, may be considered in making decisions related to the responsiveness and merit of a proposal and the award of a contract.
- i. Negotiations may be conducted with those vendors who submit potentially acceptable proposals. Proposal revisions may be permitted for the purpose of obtaining best and final offers. In conducting negotiations, there shall be no disclosure of any information submitted by competing vendors.
- j. Any award of a contract shall be made by notification from Purchasing to the successful vendor. Purchasing reserves the right to make awards by item, group of items, or on an all or none basis. The grouping of items awarded shall be determined by Purchasing based upon factors such as item similarity, location, administrative efficiency, or other considerations in the best interest of the State of Missouri.
- k. Pursuant to section 610.021, RSMo, proposals and related documents shall not be available for public review until after a contract is executed or all proposals are rejected.
- l. Purchasing posts all proposal results on the MissouriBUYS Statewide eProcurement System for all vendors to view for a reasonable period after proposal award and maintains images of all proposal file material for review. Vendors who include an e-mail address with their proposal will be notified of the award results via e-mail.
- m. Purchasing reserves the right to request clarification of any portion of the vendor's response in order to verify the intent of the vendor. The vendor is cautioned, however, that its response may be subject to acceptance or rejection without further clarification.
- n. Any proposal award protest must be received within ten (10) business days after the date of award in accordance with the requirements of 1 CSR 40-1.050 (9).
- o. The final determination of contract(s) award shall be made by Purchasing.

9. CONTRACT/PURCHASE ORDER

- a. By submitting a proposal, the vendor agrees to furnish any and all equipment, supplies and/or services specified in the RFP, at the prices quoted, pursuant to all requirements and specifications contained therein.
- b. A binding contract shall consist of: (1) the RFP, addendums thereto, and any Best and Final Offer (BAFO) request(s) with RFP changes/additions, (2) the contractor's proposal including any contractor BAFO response(s), (3) clarification of the proposal, if any, and (4) Purchasing's acceptance of the proposal by "notice of award" or by "purchase order." All Exhibits and Attachments included in the RFP shall be incorporated into the contract by reference.
- c. A notice of award issued by the State of Missouri does not constitute an authorization for shipment of equipment or supplies or a directive to proceed with services. Before providing equipment, supplies and/or services for the State of Missouri, the contractor must receive a properly authorized purchase order or other form of authorization given to the contractor at the discretion of the state agency.
- d. The contract expresses the complete agreement of the parties and performance shall be governed solely by the specifications and requirements contained therein. Any change to the contract, whether by modification and/or supplementation, must be accomplished by a formal contract amendment signed and approved by and between the duly authorized representative of the contractor and Purchasing or by a modified purchase order prior to the effective date of such modification. The contractor expressly and explicitly understands and agrees that no other method and/or no other document, including correspondence, acts, and oral communications by or from any person, shall be used or construed as an amendment or modification to the contract.

10. INVOICING AND PAYMENT

- a. The State of Missouri does not pay state or federal taxes unless otherwise required under law or regulation.
- b. The statewide financial management system has been designed to capture certain receipt and payment information. For each purchase order received, an invoice must be submitted that references the purchase order number and must be itemized in accordance with items listed on the purchase order. Failure to comply with this requirement may delay processing of invoices for payment.
- c. The contractor shall not transfer any interest in the contract, whether by assignment or otherwise, without the prior written consent of Purchasing.
- d. Payment for all equipment, supplies, and/or services required herein shall be made in arrears unless otherwise indicated in the RFP.
- e. The State of Missouri assumes no obligation for equipment, supplies, and/or services shipped or provided in excess of the quantity ordered. Any unauthorized quantity is subject to the state's rejection and shall be returned at the contractor's expense.
- f. All invoices for equipment, supplies, and/or services purchased by the State of Missouri shall be subject to late payment charges as provided in section 34.055, RSMo.
- g. The State of Missouri reserves the right to purchase goods and services using the state purchasing card.

11. DELIVERY

Time is of the essence. Deliveries of equipment, supplies, and/or services must be made no later than the time stated in the contract or within a reasonable period of time, if a specific time is not stated.

12. INSPECTION AND ACCEPTANCE

- a. No equipment, supplies, and/or services received by an agency of the state pursuant to a contract shall be deemed accepted until the agency has had reasonable opportunity to inspect said equipment, supplies, and/or services.
- b. All equipment, supplies, and/or services which do not comply with the specifications and/or requirements or which are otherwise unacceptable or defective may be rejected. In addition, all equipment, supplies, and/or services which are discovered to be defective or which do not conform to any warranty of the contractor upon inspection (or at any later time if the defects contained were not reasonably ascertainable upon the initial inspection) may be rejected.
- c. The State of Missouri reserves the right to return any such rejected shipment at the contractor's expense for full credit or replacement and to specify a reasonable date by which replacements must be received.
- d. The State of Missouri's right to reject any unacceptable equipment, supplies, and/or services shall not exclude any other legal, equitable or contractual remedies the state may have.

13. WARRANTY

- a. The contractor expressly warrants that all equipment, supplies, and/or services provided shall: (1) conform to each and every specification, drawing, sample or other description which was furnished to or adopted by Purchasing, (2) be fit and sufficient for the purpose expressed in the RFP, (3) be merchantable, (4) be of good materials and workmanship, and (5) be free from defect.
- b. Such warranty shall survive delivery and shall not be deemed waived either by reason of the state's acceptance of or payment for said equipment, supplies, and/or services.

14. CONFLICT OF INTEREST

- a. Elected or appointed officials or employees of the State of Missouri or any political subdivision thereof, serving in an executive or administrative capacity, must comply with sections 105.452 and 105.454, RSMo, regarding conflict of interest.
- b. The contractor hereby covenants that at the time of the submission of the proposal the contractor has no other contractual relationships which would create any actual or perceived conflict of interest. The contractor further agrees that during the term of the contract neither the contractor nor any of its employees shall acquire any other contractual relationships which create such a conflict.

15. REMEDIES AND RIGHTS

- a. No provision in the contract shall be construed, expressly or implied, as a waiver by the State of Missouri of any existing or future right and/or remedy available by law in the event of any claim by the State of Missouri of the contractor's default or breach of contract.
- b. The contractor agrees and understands that the contract shall constitute an assignment by the contractor to the State of Missouri of all rights, title and interest in and to all causes of action that the contractor may have under the antitrust laws of the United States or the State of Missouri for which causes of action have accrued or will accrue as the result of or in relation to the particular equipment, supplies, and/or services purchased or procured by the contractor in the fulfillment of the contract with the State of Missouri.

16. CANCELLATION OF CONTRACT

- a. In the event of material breach of the contractual obligations by the contractor, Purchasing may cancel the contract. At its sole discretion, Purchasing may give the contractor an opportunity to cure the breach or to explain how the breach will be cured. The actual cure must be completed within no more than 10 working days from notification, or at a minimum the contractor must provide Purchasing within 10 working days from notification a written plan detailing how the contractor intends to cure the breach.
- b. If the contractor fails to cure the breach or if circumstances demand immediate action, Purchasing will issue a notice of cancellation terminating the contract immediately. If it is determined Purchasing improperly cancelled the contract, such cancellation shall be deemed a termination for convenience in accordance with the contract.
- c. If Purchasing cancels the contract for breach, Purchasing reserves the right to obtain the equipment, supplies, and/or services to be provided pursuant to the contract from other sources and upon such terms and in such manner as Purchasing deems appropriate and charge the contractor for any additional costs incurred thereby.
- d. The contractor understands and agrees that funds required to fund the contract must be appropriated by the General Assembly of the State of Missouri for each fiscal year included within the contract period. The contract shall not be binding upon the state for any period in which funds have not been appropriated, and the state shall not be liable for any costs associated with termination caused by lack of appropriations.

17. COMMUNICATIONS AND NOTICES

Any notice to the vendor/contractor shall be deemed sufficient when deposited in the United States mail postage prepaid, transmitted by facsimile, transmitted by e-mail or hand-carried and presented to an authorized employee of the vendor/contractor.

18. BANKRUPTCY OR INSOLVENCY

- a. Upon filing for any bankruptcy or insolvency proceeding by or against the contractor, whether voluntary or involuntary, or upon the appointment of a receiver, trustee, or assignee for the benefit of creditors, the contractor must notify Purchasing immediately.
- b. Upon learning of any such actions, Purchasing reserves the right, at its sole discretion, to either cancel the contract or affirm the contract and hold the contractor responsible for damages.

19. INVENTIONS, PATENTS AND COPYRIGHTS

The contractor shall defend, protect, and hold harmless the State of Missouri, its officers, agents, and employees against all suits of law or in equity resulting from patent and copyright infringement concerning the contractor's performance or products produced under the terms of the contract.

20. NON-DISCRIMINATION AND AFFIRMATIVE ACTION

In connection with the furnishing of equipment, supplies, and/or services under the contract, the contractor and all subcontractors shall agree not to discriminate against recipients of services or employees or applicants for employment on the basis of race, color, religion, national origin, sex, age, disability, or veteran status unless otherwise provided by law. If the contractor or subcontractor employs at least 50 persons, they shall have and maintain an affirmative action program which shall include:

21. AMERICANS WITH DISABILITIES ACT

In connection with the furnishing of equipment, supplies, and/or services under the contract, the contractor and all subcontractors shall comply with all applicable requirements and provisions of the Americans with Disabilities Act (ADA).

22. FILING AND PAYMENT OF TAXES

The commissioner of administration and other agencies to which the state purchasing law applies shall not contract for goods or services with a vendor if the vendor or an affiliate of the vendor makes sales at retail of tangible personal property or for the purpose of storage, use, or consumption in this state but fails to collect and properly pay the tax as provided in chapter 144, RSMo. For the purposes of this section, "affiliate of the vendor" shall mean any person or entity that is controlled by or is under common control with the vendor, whether through stock ownership or otherwise. EXHIBIT A - MARKET BASKET SURVEY

The vendor must quote the current MSRP and an after-discount price (vendor to use current MSRP and then apply the applicable quoted percentage discount) for all Market Basket Items for the manufacturer(s) the vendor intends to offer. The vendor's quoted percentage discount (see line items 1 through 7) must be applied to the current MSRP list/catalog to find the final after-discount cost for the below manufacturers.

For example, vendors quoting a percentage discount on the manufacturer Best must also quote all identified Best Market Basket Items, i.e. Items 9 through 14. Only vendors bidding Best products will be compared with vendors bidding Best products, and so on.

Example :

MSRP list/catalog is \$2.60

Discount is 5%

5% x \$2.60 = \$0.13, which is the percentage discount amount.

Subtract the discount amount (\$0.13) from the MSRP list/catalog Price (\$2.60) and the result is \$2.47.

NOTE: Market Basket pricing is for evaluation purposes only and shall not be construed as contractually binding pricing specific to the identified item. The listing of items shall not be construed to limit the state's locking hardware choices under
