## 1. INTRODUCTION AND GENERAL INFORMATION

### 1.1 Introduction:

1.1.1 This document constitutes an invitation for competitive, sealed bids from prospective bidders to establish a contract for the purchase of exercise equipment for the Missouri Department of Corrections (hereinafter referred to as the "Department") in accordance with the requirements and provisions stated herein.

1.1.2 **Organization** - This document, referred to as an Invitation for Bid (IFB), is divided into the following parts:

Section 1. - Introduction and General Information	Exhibits A-G
Section 2. - Contractual Requirements	Terms and Conditions
Section 3. - Performance Requirements	
Section 4. - Bidder's Instructions	

### 1.2 General Information:

1.2.1 **Terms and Conditions** - It is recommended that all bidders review the Terms and Conditions governing this solicitation in its entirety, giving particular emphasis to examining those sections related to:

- Open Competition
- Preparation of Bids
- Submission of Bids
- Preferences
- Evaluation and Award

1.2.2 Expenditures from general revenue funds are not included in this contract. Canteen funds expended by this contract are not subject to appropriation by the General Assembly.

1.2.3 **Vendor Information Data Form** - The Department maintains a current vendor database. If the bidder has not submitted a Vendor Information Data form with a revision date of 04-09, this form can be downloaded at <http://doc.mo.gov/contracts.php> and submitted with the bid response, mailed, or faxed to the number indicated on the form, or emailed directly to [DOC.VendorInfo@doc.mo.gov](mailto:DOC.VendorInfo@doc.mo.gov).

## 2. CONTRACTUAL REQUIREMENTS

### 2.1 Contract Period:

2.1.1 The original contract period shall be as stated in the Invitation for Bid (IFB). The contract shall not bind, nor purport to bind, the state for any contractual commitment in excess of the original contract period. The Department shall have the right at its sole option, to renew the contract for four (4) additional 12 month periods, or any portion thereof. In the event the Department exercises such rights, all terms and conditions, requirements and specifications of the contract shall remain the same and apply during the renewal period, pursuant to applicable option clauses of the document.

### 2.2 Renewal Periods:

2.2.1 If the Department exercises its option for renewal, the contractor shall agree that the prices for the renewal period shall not exceed the maximum percentage increase or be less than the minimum percentage decrease quoted for the applicable renewal period as stated on EXHIBIT A, Pricing Page, of the contract.

- a. As stated on EXHIBIT A, Pricing Page, all increases or decreases shall be calculated against the ORIGINAL contract price and NOT against the previous year's price. If a price increase or

decrease was allowed as outlined in paragraph 2.5 of this IFB, the increase/decrease will be added/subtracted after the calculation of the renewal price has been determined.

**EXAMPLE:** Original Contract Price = \$1.00, Maximum Increase = 2%, Economic Adjustment = 5%

Renewal Period Increase -  $\$1.00 \times 2\% = \$1.02$

Economic Adjustment -  $\$1.00 \times 5\% = \$1.05$

Renewal Period Price -  $\$1.02 + \$0.05 = \$1.07$

- b. If renewal percentages are not provided, then the price during the renewal period shall be the same as during the original contract period.
- c. The Department does not automatically exercise its option for renewal based upon the maximum percentage and reserves the right to offer or to request renewal of the contract at a percentage less than the maximum stated.

### **2.3 Contract Prices:**

- 2.3.1 The prices shall be as stated on **EXHIBIT A, Pricing Page**. The Department shall not pay nor be liable for any other additional costs, including but not limited to, taxes, shipping charges, insurance, interest penalties, termination payments, attorney fees, liquidated damages, etc.

### **2.4 Point of Contact:**

- 2.4.1 The contractor must function as the single point of contact for the Department, regardless of any subcontract/distributor arrangements made for all products and services provided, including but not limited to, issues related to ordering, invoicing, delivery, defective merchandise, payment and warranty.

### **2.5 Economic Adjustment Clause:**

- 2.5.1 In the event that the contractor's cost for the items covered in this IFB and resulting contract should increase by more than 5% during the period of time in which the contract is in effect, the contractor may, upon submission of written proof of such increase and approval by the Department, be entitled to an adjustment in price accomplished by a formal contract amendment signed and approved by and between the duly authorized representative of the contractor and the Department. All prices shall remain firm for the first six (6) months of this contract.
- 2.5.2 The contractor must submit a written request for price increases to the Department's Purchasing Section. Whenever possible, the written request shall be submitted thirty (30) days prior to the effective date of increase. Requests and documentation must be submitted via US Mail. If the manufacturer or supplier provides a percentage increase, the claim for such adjustment must include a certification from the manufacturer or supplier verifying the contractor's cost at the time of the bid award, the new cost, and the effective date of the increase. If the manufacturer or supplier provides an actual dollar amount of increase, the claim for such adjustment must include a certification from the manufacturer or supplier verifying the increase and the effective date of the increase. Supporting documentation must be on original manufacturer's or supplier's letterhead, dated, signed, and clearly establish the increase is to all customers and not to the Department or this contract alone. Supporting documentation will be returned to the contractor once the Department's Purchasing Section has verified its validity and shall not become part of the contract record.
- 2.5.3 In the event a written request from the contractor does not allow for a thirty (30) day notice prior to the effective date of the increase, the effective date of the increase, if allowed by the Department, will be thirty (30) days from the date of the receipt of a written request by the Department's Purchasing Section.

- 2.5.4 The increase will be allowed only on the cost of the item(s) to the contractor. No increase or change in the contractor's overhead, transportation costs, profit or other factors will be approved. The Department reserves the right to ask for invoices, published price lists, or any other evidence establishing the contractor's costs to support the increase. Failure to supply any requested documentation will be grounds to deny adjustment in price.
- 2.5.5 After receipt of the required documentation, and in the event a price change is authorized thereafter, no additional adjustments will be allowed for a term of six (6) months.
- 2.5.6 The Department further reserves the right to reject any proposed price increase, cancel the item(s) from the contract, and re-bid if determined to be in the best interest of the Department.
- 2.5.7 Contractors shall not delay or stop deliveries pending price changes. If a price increase is allowed through a formal contract amendment, no price increase shall be billed to the Department before the effective date of the increase. Billed price changes will only be accepted for payment on purchase orders dated on or after the effective price change date. Purchase orders dated prior to the effective price change date shall be billed at the contract price in existence before the amended price change regardless of when delivery is accepted.
- 2.5.8 In the event the Department has granted the contractor a price increase, and the contractor's costs should *decrease* by more than 5% during the period of time that the contract is in effect, the contractor shall pass any manufacturer's price decrease to the Department and such decreases shall become effective immediately upon notification by the contractor of the amount of the decrease. The contractor shall notify the Department immediately of any such decrease.

**2.6 Invoicing and Payment Terms:**

- 2.6.1 All payment terms shall be as stated in the terms and conditions of this contract. Payments will be processed based on final delivery, inspection, and acceptance of the items. Payment terms should be Net 30 days unless otherwise stated in the IFB.
- 2.6.2 The contractor shall accurately invoice per the price indicated on **EXHIBIT A, Pricing Page**.
- 2.6.3 The Department may choose to use the canteen purchasing card (Visa) in place of a purchase order to make purchases under this contract. Unless exception to this condition is indicated on **EXHIBIT A, Pricing Page**, the contractor agrees to accept the canteen purchasing card as an acceptable form of payment and may not charge any additional fees related to the use of a purchasing card such as service fees, merchant fees, and/or handling charges.
- a. If the Department issues a purchase order, an itemized invoice shall be emailed to [DOC.CanteenPayables@doc.mo.gov](mailto:DOC.CanteenPayables@doc.mo.gov) or mailed to:
- Attn: Offender Financial Services  
Missouri Department of Corrections  
P.O. Box 1609  
Jefferson City MO 65102
- 2.6.4 Each invoice submitted must be specific to one purchase order number, referenced on the invoice, and must be itemized in accordance with items listed on the purchase order. Failure to comply with this requirement may delay processing of invoices for payment. Emailed invoices should contain the purchase order number in the subject line.

- a. If the canteen purchasing card (Visa) is used for payment, an itemized invoice reflecting the charged amount must be faxed or emailed to the institution within one business day. The canteen purchasing card shall not be charged until the items are received and accepted.
- 2.6.5 The contractor's invoice should include any discount for prompt payment as indicated on **EXHIBIT A, Pricing Page**.
  - 2.6.6 If the contractor maintains an e-commerce web application that enables Department staff to view and print invoices and invoice history, the contractor shall indicate on **EXHIBIT A, Pricing Page** the web site address where Department staff may access invoices. Upon award of contract, the contractor shall provide the Department with a customer number in order for Department staff to access invoices and invoice history.
- 2.7 Subcontractors:**
- 2.7.1 Any subcontract for the items/services described herein must include appropriate provisions and contractual obligations to ensure the successful fulfillment of all contractual obligations agreed to by the contractor and the Department and to ensure that the Department is indemnified, saved, and held harmless from and against any and all claims of damage, loss, and cost (including attorney fees) of any kind related to a subcontract in those matters described in the contract between the Department and the contractor. The contractor shall expressly understand and agree that he/she shall assume and be solely responsible for all legal and financial responsibilities related to the execution of a subcontract. The contractor shall agree and understand that utilization of a subcontractor to provide any of the items/services in the contract shall in no way relieve the contractor of the responsibility for providing the items/services as described and set forth herein. The contractor must obtain the approval of the Department prior to establishing any new subcontracting arrangements and before changing any subcontractors. The approval shall not be arbitrarily withheld.
- 2.8 Communications and Notices:**
- 2.8.1 Any notice to the contractor shall be deemed sufficient when e-mailed to the contractor at the e-mail address indicated in the contract, or transmitted by facsimile to the facsimile number indicated in the contract, or deposited in the United States mail, postage prepaid, and addressed to the contractor at the address indicated in the contract, or hand-carried and presented to an authorized employee of the contractor.
  - 2.8.2 If the contractor desires to receive written notices at a different e-mail address, facsimile number, or USPS address than what is indicated in the contract, the contractor must submit this request in writing upon notice of award.
- 3. PERFORMANCE REQUIREMENTS**
- 3.1 Specifications:**

3.2.2 The contractor shall offer, at a minimum, the manufacturer's standard warranty.

**3.3 Minimum Orders:**

3.3.1 There shall be no minimum order requirements for exercise equipment.

**3.4 Substitution of Product:**

3.4.1 Following award of the contract, no substitution of an awarded item will be permitted except in the case of natural disaster, item discontinuation by the manufacturer or supplier, or the inability of a manufacturer or supplier to ship. The contractor must provide documentation from the manufacturer or supplier to substantiate the occurrence of any of these aforementioned situations.

- a. The contractor is obligated per the terms and conditions of the contract to obtain a substitution to replace an awarded item that meets or exceeds the specifications of the item that was originally awarded at no additional cost to the Department.

3.4.3 The Department reserves the right to allow the contractor to substitute any new item offered by the contractor on all unshipped and future orders if quality is equal to or greater than the item under contract and if price is equal to or less than contract price. The Department shall be the final authority as to acceptability of the proposed substitution.

- a. Substitutions must be approved in advance by a formal contract amendment.

**3.5 Replacement of Damaged/Defective Product:**

3.5.1 The contractor shall be responsible for replacing any item received that is defective or in damaged condition at no cost to the Department. This includes all shipping costs for returning damaged or defective items to the contractor for replacement.

**3.6 Delivery Performance:**

3.6.1 Orders shall be placed by the institutions. The contractor must begin accepting orders upon notice of award. Initial delivery must be made within thirty (30) calendar days. All orders received on the last day of the contract must be shipped at the contract price.

3.6.2 Delivery shall include unloading shipments at the Department dock or other designated unloading site(s) as requested by the Department. All orders must be shipped *FOB Destination, Freight Prepaid and Allowed*.

3.6.3 The contractor must coordinate its delivery schedule with the ordering institution. Institutions may have specific times that deliveries can be accepted based on security procedures. - a. Pursuant to paragraph 12.b. in the Terms and Conditions of this IFB, a Missouri Uniform Law Enforcement System (MULES) background check may be required on the driver before allowing the vehicle to enter the facilities identified on **EXHIBIT A, Pricing Page**.
- b. Delivery must not be made on official state holidays. A list of official state holidays may be found on the State of Missouri website at <http://www.oe.mo.gov/pers/hoursofwork.htm>.

3.6.4 Delays in the Delivery Performance:

- a. If at any time the contractor should encounter conditions impeding delivery of the awarded item(s), the contractor shall immediately notify the Department in writing of the fact of delay, its likely duration, and its cause(s). As soon as practicable after receipt of the contractor's notice, the Department shall evaluate the situation and may, at its sole discretion, extend the contractor's time for delivery.
- b. A delay by the contractor in the performance of its delivery obligations shall render the contractor liable for additional costs incurred by the Department to obtain product from other sources, unless an extension of time is agreed as specified above.

### **3.7 Contractor's Employees**

- 3.7.1 All of the contractor's employees and agents providing service in the facility must be at least 21 years of age. A Missouri Uniform Law Enforcement System (MULES) or other background investigation may be required on the contractor's employees and agents before allowing entry into the institution. Such investigation shall be equivalent to investigations required of all personnel employed by the Department. The institution shall have the right to deny access into the institution for any of the contractor's employees or agents for any reason. Such denial shall not relieve the contractor of any requirements of the contract.
- 3.7.2 Contractor's employees and agents under active federal or state felony or misdemeanor supervision must receive written division director approval prior to performing services on a Department contract. Contractors/employees/agents with prior felony convictions and not under active supervision must receive written division director approval in advance.

Furthermore, the contractor, its agents or employees, shall not obstruct the Department nor any of its designated officials from performing their duties in response to court orders or in the maintenance of a secure and safe correctional environment. The contractor shall comply with the Department's policy and procedures relating to employee conduct.
  - a. The Department has a zero tolerance policy for any form of sexual misconduct to include staff/contractor/volunteer on offender or offender on offender sexual harassment, sexual assault, sexual abusive contact and consensual sex. Any contractor or contractor's employee or agent who witnesses sexual abuse or sexual harassment must immediately report it to the warden. **4.2 Compliance with Terms and Conditions:**

4.2.1 The bidder is cautioned when submitting pre-printed terms and conditions or other type material to make sure such documents do not contain other terms and conditions which conflict with those of the IFB and its contractual requirements. The bidder agrees that in the event of conflict between any of the bidder's terms and conditions and those contained in the IFB that the IFB shall govern. Taking exception to the Department's terms and conditions may render a bidder's bid non-responsive and may remove it from consideration for award.

**4.3 Bid Detail Requirements and Deviations:**

4.3.1 It is the bidder's responsibility to submit a bid that meets all mandatory specifications stated herein. The bidder should clearly identify detailed specifications for the product being offered and any deviations from both the mandatory and desirable specifications stated in the IFB on the pricing pages. Any deviation from a mandatory requirement may render the bid nonresponsive; any deviation from a desirable specification may be reviewed by the Department as to its acceptability and impact on competition. A deviation from a mandatory specification should be addressed by the bidder in detail sufficient to explain whether the deviation alternatively meets or exceeds the mandatory specification; said explanation shall be required of the bidder if requested by the Buyer of Record.

**4.4 EXHIBIT A, Pricing Page:**

4.4.1 The bidder must submit a **firm fixed price** for each line item bid on **EXHIBIT A, Pricing Page**.

4.4.2 Shipping charges **must** be included in the **firm fixed price** submitted for each line item.

- c. Line items 024-032 are grouped and one award will be made for all items within the group.
- d. A bid price must be stated for each item in the group.
- e. If any one item bid in a group is deemed non-responsive or unacceptable, or if a bidder is not able to supply or bid on one or more items in a group, the entire group will not be considered for award.

4.4.3 The bidder should complete the "Web Site", "Terms" and " Bidder's Acceptance of the Canteen Purchasing Card" section on **EXHIBIT A, Pricing Page**.

**4.5 Submission of Bids:**

4.5.1 The bidder is cautioned that **it is the bidder's sole responsibility to submit information** related to the evaluation categories and that the Department is under no obligation to solicit such information if it is not included with the bid. The bidder's failure to submit such information may cause an adverse impact on the evaluation of the bid.

4.5.2 Bids are due no later than the date and time as stated on the first page of this IFB.

**4.6 Preferences:**

4.6.1 **American Made:** In accordance with the Domestic Product Procurement Act (hereinafter referred to as the Buy American Act), sections 34-350 to 34.359 RSMo the bidder is advised that any goods purchased or leased by any public agency shall be manufactured or produced in the United States.

- a. Bidders who can certify that goods or commodities to be provided in accordance with the contract are manufactured or produced in the United States or imported in accordance with a qualifying treaty, law, agreement, or regulation shall be entitled to a ten percent (10%) preference over bidders whose products do not qualify.
- b. The requirements of the Buy American Act shall not apply if other exceptions to the Buy American mandate in section 34.353 RSMo are met.
- c. If the bidder claims there is only one line of the good manufactured or produced in the United States, section 34.353 (2) RSMo, or that one of the exceptions of section 34-353 (3) RSMo applies, the Executive Head of the Agency bears the burden of certification as required prior to the award of the contract.
- d. In accordance with the Buy American Act, the bidder must provide proof of compliance with section 34.353 RSMo. Therefore, the bidder should complete and return **EXHIBIT B**, certification regarding proof of compliance, with the bid. This document must be satisfactorily completed prior to an award of a contract.
- e. If the lowest priced bidder's products qualify as American-made, or in the event all of the bidders or none of the bidders qualify for the Buy American preference, no further calculation is necessary.
- f. **If any products and/or services offered under this IFB are being manufactured or performed at sites outside the United States, the bidder MUST disclose such fact and provide details with the bid.**

4.6.2 **Missouri Service-Disabled Veteran Business Enterprise Preference** - Pursuant to section 34.074 RSMo, and 1 CSR 40-1.050, a three (3) bonus point preference shall be granted to bidders who qualify as Missouri service-disabled veteran business enterprises and who complete and submit **EXHIBIT C, Missouri Service-Disabled Veteran Business Enterprise Preference** with the bid. If the bid does not include the completed **EXHIBIT C** and the documentation specified on **EXHIBIT C** in accordance with the instructions provided therein, no preference points will be applied.

4.6.3 If the lowest priced bid qualifies for the preference, or in the event no bidders qualify for the preference, no further calculation is necessary.

4.6.4 **Organization for the Blind and Sheltered Workshop:** Pursuant to 34.165 RSMo, and 1 CSR 40- 1.050, a ten (10) bonus point preference shall be granted to bidders including products and/or services manufactured, produced or assembled by a qualified nonprofit organization for the blind established pursuant to 41 U.S.C. sections 46 to 48c or a sheltered workshop holding a certificate of approval from the Department of Elementary and Secondary Education pursuant to section 178.920 RSMo.

- a. In order to qualify for the ten bonus points, the following conditions must be met and the following evidence must be provided:
  - 1) The bidder must either be an organization for the blind or sheltered workshop or must be proposing to utilize an organization for the blind/sheltered workshop as a subcontractor and/or supplier in an amount that must equal the greater of \$5,000 or 2% of the total dollar value of the contract for purchases not exceeding \$10 million.

- 2) The services performed or the products provided by the organization for the blind or sheltered workshop must provide a commercially useful function related to the delivery of the contractually-required service/product in a manner that will constitute an added value to the contract and shall be performed/provided exclusive to the performance of the contract. Therefore, if the services performed or the products provided by the organization for the blind or sheltered workshop is utilized, to any extent, in the bidder's obligations outside of the contract, it shall not be considered a valid added value to the contract and shall not qualify as participation in accordance with this clause.
- 3) If the bidder is proposing participation by an organization for the blind or sheltered workshop, in order to receive evaluation consideration for participation by the organization for the blind or sheltered workshop, the bidder must provide the following information with the bid:
  - **Participation Commitment** – The bidder must complete **EXHIBIT D, Participation Commitment**, by identifying the organization for the blind or sheltered workshop and the commercially useful products/services to be provided by the listed organization for the blind or sheltered workshop. If the bidder submitting the bid is an organization for the blind or sheltered workshop, the bidder must be listed in the appropriate table on the **Participation Commitment** form.
  - **Documentation of Intent to Participate** – The bidder must either provide a properly completed **EXHIBIT E, Documentation of Intent to Participate** form, signed and dated no earlier than the IFB issuance date by the organization for the blind or sheltered workshop proposed or must provide a recently dated letter of intent signed and dated no earlier than the IFB issuance date by the organization for the blind or sheltered workshop which: (1) must describe the products/services the organization for the blind/sheltered workshop will provide and (2) should include evidence of the organization for the blind/sheltered workshop qualifications (e.g. copy of certificate or Certificate Number for Missouri Sheltered Workshop).

NOTE: If the bidder submitting the bid is an organization for the blind or sheltered workshop, the bidder is not required to complete **EXHIBIT E, Documentation of Intent to Participate** form or provide a recently dated letter of intent.

- b. A list of Missouri sheltered workshops can be found at the following Internet address:

<http://www.dese.mo.gov/divspeced/shelteredworkshops/index.html>

- c. The websites for the Missouri Lighthouse for the Blind and the Alphonse Association for the Blind can be found at the following Internet addresses:

<http://www.lhindustries.com>

<http://www.alphapointe.org>

- a. **Commitment** – If the bidder's bid is awarded, the organization for the blind or sheltered workshop participation committed to by the bidder on **EXHIBIT D, Participation Commitment**, **shall be interpreted as a contractual requirement**.

4.6.5 The Blind/Sheltered Workshop Preference required under section 34.165 RSMo, and 1 CSR 40-1.050 allows for ten (10) bonus points to a qualifying vendor. If the lowest priced bidder qualifies for the preference, or in the event none of the bidders qualify for the preference, no further calculation is necessary.

**4.7 Evaluation and Award:**

4.7.1 The cost evaluation shall be calculated as indicated below.

- a. For group 1, the total cost points will be calculated by adding the firm fixed price for line items 001-015, stated on **EXHIBIT A, Pricing Page**, together to arrive at the total cost for the group.
- b. For group 2, the total cost points will be calculated by adding the firm fixed price for line items 016-023, stated on **EXHIBIT A, Pricing Page**, together to arrive at the total cost for the group.
- c. For group 3, the total cost points will be calculated by adding the firm fixed price for line items 024-032, stated on **EXHIBIT A, Pricing Page**, together to arrive at the total cost for the group.

4.7.2 Buy American Preference – for items bid not meeting proof of compliance with section 34.353 RSMo in accordance with the Domestic Product Procurement Act, sections 34-350-34.359 RSMo, the Buy American Preference shall be computed as follows:

$$\text{Total Bid Price} \times 1.10 = \text{Total Evaluated Bid Price}$$

4.7.3 Determination of Cost Points – Cost points shall be computed for each line item bid as follows:

$$\frac{\text{Lowest Responsive Total Evaluated Bid Price} \times 100 + \text{earned preference points}}{\text{Compared Total Evaluated Bid Price}} = \text{Total Cost Points}$$

**Note: The prompt payment discount terms on contracts will not be used in any cost calculation.**

4.7.4 Award shall be made on a per item basis, to the bidder whose exercise equipment meets specifications, is determined acceptable, and has the highest total cost points.

4.7.5 Other Considerations: The Department reserves the right to reject any bid which is determined unacceptable for reasons which may include but are not necessarily limited to: 1) failure of the bidder to meet mandatory general performance specifications; 2) failure of the bidder to meet mandatory technical specifications; and/or, 3) receipt of any information, from any source, regarding delivery of unsatisfactory product or service by the bidder within the past three years. As deemed in its best interests, the Department reserves the right to clarify any and all portions of any bidder's offering.

**4.8 Employee Bidding/Conflict of Interest:**

4.8.1 Bidders who are employees of the State of Missouri, a member of the General Assembly or a statewide elected official must comply with sections 105.450 to 105.458 RSMo regarding conflict of interest. If the bidder or any owner of the bidder's organization is currently an employee of the State of Missouri, a member of the General Assembly or a statewide elected official, please complete **EXHIBIT F, Miscellaneous Information**.

## 1. INTRODUCTION AND GENERAL INFORMATION

### 1.1 Introduction:

1.1.1 This document constitutes an invitation for competitive, sealed bids from prospective bidders to establish a contract for the purchase of exercise equipment for the Missouri Department of Corrections (hereinafter referred to as the "Department") in accordance with the requirements and provisions stated herein.

1.1.2 **Organization** - This document, referred to as an Invitation for Bid (IFB), is divided into the following parts:

Section 1. - Introduction and General Information	Exhibits A-G
Section 2. - Contractual Requirements	Terms and Conditions
Section 3. - Performance Requirements	
Section 4. - Bidder's Instructions	

### 1.2 General Information:

1.2.1 **Terms and Conditions** - It is recommended that all bidders review the Terms and Conditions governing this solicitation in its entirety, giving particular emphasis to examining those sections related to:

- Open Competition
- Preparation of Bids
- Submission of Bids
- Preferences
- Evaluation and Award

1.2.2 Expenditures from general revenue funds are not included in this contract. Canteen funds expended by this contract are not subject to appropriation by the General Assembly.

1.2.3 **Vendor Information Data Form** - The Department maintains a current vendor database. If the bidder has not submitted a Vendor Information Data form with a revision date of 04-09, this form can be downloaded at <http://doc.mo.gov/contracts.php> and submitted with the bid response, mailed, or faxed to the number indicated on the form, or emailed directly to [DOC.VendorInfo@doc.mo.gov](mailto:DOC.VendorInfo@doc.mo.gov).

## 2. CONTRACTUAL REQUIREMENTS

### 2.1 Contract Period:

2.1.1 The original contract period shall be as stated in the Invitation for Bid (IFB). The contract shall not bind, nor purport to bind, the state for any contractual commitment in excess of the original contract period. The Department shall have the right at its sole option, to renew the contract for four (4) additional 12 month periods, or any portion thereof. In the event the Department exercises such rights, all terms and conditions, requirements and specifications of the contract shall remain the same and apply during the renewal period, pursuant to applicable option clauses of the document.

### 2.2 Renewal Periods:

2.2.1 If the Department exercises its option for renewal, the contractor shall agree that the prices for the renewal period shall not exceed the maximum percentage increase or be less than the minimum percentage decrease quoted for the applicable renewal period as stated on **EXHIBIT A, Pricing Page**, of the contract.

- a. As stated on **EXHIBIT A, Pricing Page**, all increases or decreases shall be calculated against the ORIGINAL contract price and NOT against the previous year's price. If a price increase or

decrease was allowed as outlined in paragraph 2.5 of this IFB, the increase/decrease will be added/subtracted after the calculation of the renewal price has been determined.

**EXAMPLE:** Original Contract Price = \$1.00, Maximum Increase = 2%, Economic Adjustment = 5%

Renewal Period Increase -  $\$1.00 \times 2\% = \$1.02$

Economic Adjustment -  $\$1.00 \times 5\% = \$1.05$

Renewal Period Price -  $\$1.02 + \$0.05 = \$1.07$

- b. If renewal percentages are not provided, then the price during the renewal period shall be the same as during the original contract period.
- c. The Department does not automatically exercise its option for renewal based upon the maximum percentage and reserves the right to offer or to request renewal of the contract at a percentage less than the maximum stated.

### **2.3 Contract Prices:**

- 2.3.1 The prices shall be as stated on **EXHIBIT A, Pricing Page**. The Department shall not pay nor be liable for any other additional costs, including but not limited to, taxes, shipping charges, insurance, interest penalties, termination payments, attorney fees, liquidated damages, etc.

### **2.4 Point of Contact:**

- 2.4.1 The contractor must function as the single point of contact for the Department, regardless of any subcontract/distributor arrangements made for all products and services provided, including but not limited to, issues related to ordering, invoicing, delivery, defective merchandise, payment and warranty.

### **2.5 Economic Adjustment Clause:**

- 2.5.1 In the event that the contractor's cost for the items covered in this IFB and resulting contract should increase by more than 5% during the period of time in which the contract is in effect, the contractor may, upon submission of written proof of such increase and approval by the Department, be entitled to an adjustment in price accomplished by a formal contract amendment signed and approved by and between the duly authorized representative of the contractor and the Department. All prices shall remain firm for the first six (6) months of this contract.
- 2.5.2 The contractor must submit a written request for price increases to the Department's Purchasing Section. Whenever possible, the written request shall be submitted thirty (30) days prior to the effective date of increase. Requests and documentation must be submitted via US Mail. If the manufacturer or supplier provides a percentage increase, the claim for such adjustment must include a certification from the manufacturer or supplier verifying the contractor's cost at the time of the bid award, the new cost, and the effective date of the increase. If the manufacturer or supplier provides an actual dollar amount of increase, the claim for such adjustment must include a certification from the manufacturer or supplier verifying the increase and the effective date of the increase. Supporting documentation must be on original manufacturer's or supplier's letterhead, dated, signed, and clearly establish the increase is to all customers and not to the Department or this contract alone. Supporting documentation will be returned to the contractor once the Department's Purchasing Section has verified its validity and shall not become part of the contract record.
- 2.5.3 In the event a written request from the contractor does not allow for a thirty (30) day notice prior to the effective date of the increase, the effective date of the increase, if allowed by the Department, will be thirty (30) days from the date of the receipt of a written request by the Department's Purchasing Section.

- 2.5.4 The increase will be allowed only on the cost of the item(s) to the contractor. No increase or change in the contractor's overhead, transportation costs, profit or other factors will be approved. The Department reserves the right to ask for invoices, published price lists, or any other evidence establishing the contractor's costs to support the increase. Failure to supply any requested documentation will be grounds to deny adjustment in price.
- 2.5.5 After receipt of the required documentation, and in the event a price change is authorized thereafter, no additional adjustments will be allowed for a term of six (6) months.
- 2.5.6 The Department further reserves the right to reject any proposed price increase, cancel the item(s) from the contract, and re-bid if determined to be in the best interest of the Department.
- 2.5.7 Contractors shall not delay or stop deliveries pending price changes. If a price increase is allowed through a formal contract amendment, no price increase shall be billed to the Department before the effective date of the increase. Billed price changes will only be accepted for payment on purchase orders dated on or after the effective price change date. Purchase orders dated prior to the effective price change date shall be billed at the contract price in existence before the amended price change regardless of when delivery is accepted.
- 2.5.8 In the event the Department has granted the contractor a price increase, and the contractor's costs should *decrease* by more than 5% during the period of time that the contract is in effect, the contractor shall pass any manufacturer's price decrease to the Department and such decreases shall become effective immediately upon notification by the contractor of the amount of the decrease. The contractor shall notify the Department immediately of any such decrease.
- 2.6 Invoicing and Payment Terms:**
- 2.6.1 All payment terms shall be as stated in the terms and conditions of this contract. Payments will be processed based on final delivery, inspection, and acceptance of the items. Payment terms should be Net 30 days unless otherwise stated in the IFB.
- 2.6.2 The contractor shall accurately invoice per the price indicated on **EXHIBIT A, Pricing Page**.
- 2.6.3 The Department may choose to use the canteen purchasing card (Visa) in place of a purchase order to make purchases under this contract. Unless exception to this condition is indicated on **EXHIBIT A, Pricing Page**, the contractor agrees to accept the canteen purchasing card as an acceptable form of payment and may not charge any additional fees related to the use of a purchasing card such as service fees, merchant fees, and/or handling charges.
- a. If the Department issues a purchase order, an itemized invoice shall be emailed to [DOC.CanteenPayables@doc.mo.gov](mailto:DOC.CanteenPayables@doc.mo.gov) or mailed to:
- Attn: Offender Financial Services  
Missouri Department of Corrections  
P.O. Box 1609  
Jefferson City MO 65102
- 2.6.4 Each invoice submitted must be specific to one purchase order number, referenced on the invoice, and must be itemized in accordance with items listed on the purchase order. Failure to comply with this requirement may delay processing of invoices for payment. Emailed invoices should contain the purchase order number in the subject line.

- a. If the canteen purchasing card (Visa) is used for payment, an itemized invoice reflecting the charged amount must be faxed or emailed to the institution within one business day. The canteen purchasing card shall not be charged until the items are received and accepted.

2.6.5 The contractor's invoice should include any discount for prompt payment as indicated on **EXHIBIT A, Pricing Page**.

2.6.6 If the contractor maintains an e-commerce web application that enables Department staff to view and print invoices and invoice history, the contractor shall indicate on **EXHIBIT A, Pricing Page** the web site address where Department staff may access invoices. Upon award of contract, the contractor shall provide the Department with a customer number in order for Department staff to access invoices and invoice history.

## **2.7 Subcontractors:**

2.7.1 Any subcontract for the items/services described herein must include appropriate provisions and contractual obligations to ensure the successful fulfillment of all contractual obligations agreed to by the contractor and the Department and to ensure that the Department is indemnified, saved, and held harmless from and against any and all claims of damage, loss, and cost (including attorney fees) of any kind related to a subcontract in those matters described in the contract between the Department and the contractor. The contractor shall expressly understand and agree that he/she shall assume and be solely responsible for all legal and financial responsibilities related to the execution of a subcontract. The contractor shall agree and understand that utilization of a subcontractor to provide any of the items/services in the contract shall in no way relieve the contractor of the responsibility for providing the items/services as described and set forth herein. The contractor must obtain the approval of the Department prior to establishing any new subcontracting arrangements and before changing any subcontractors. The approval shall not be arbitrarily withheld.

## **2.8 Communications and Notices:**

2.8.1 Any notice to the contractor shall be deemed sufficient when e-mailed to the contractor at the e-mail address indicated in the contract, or transmitted by facsimile to the facsimile number indicated in the contract, or deposited in the United States mail, postage prepaid, and addressed to the contractor at the address indicated in the contract, or hand-carried and presented to an authorized employee of the contractor.

2.8.2 If the contractor desires to receive written notices at a different e-mail address, facsimile number, or USPS address than what is indicated in the contract, the contractor must submit this request in writing upon notice of award.

- a. The contractor is obligated per the terms and conditions of the contract to obtain a substitution to replace an awarded item that meets or exceeds the specifications of the item that was originally awarded at no additional cost to the Department.

3.4.3 The Department reserves the right to allow the contractor to substitute any new item offered by the contractor on all unshipped and future orders if quality is equal to or greater than the item under contract and if price is equal to or less than contract price. The Department shall be the final authority as to acceptability of the proposed substitution.

- a. Substitutions must be approved **in advance** by a formal contract amendment.

3.6.4 Delays in the Delivery Performance:

- a. If at any time the contractor should encounter conditions impeding delivery of the awarded item(s), the contractor shall immediately notify the Department in writing of the fact of delay, its likely duration, and its cause(s). As soon as practicable after receipt of the contractor's notice, the Department shall evaluate the situation and may, at its sole discretion, extend the contractor's time for delivery.
- b. A delay by the contractor in the performance of its delivery obligations shall render the contractor liable for additional costs incurred by the Department to obtain product from other sources, unless an extension of time is agreed as specified above.

### **3.7 Contractor's Employees**

- 3.7.1 All of the contractor's employees and agents providing service in the facility must be at least 21 years of age. A Missouri Uniform Law Enforcement System (MULES) or other background investigation may be required on the contractor's employees and agents before allowing entry into the institution. Such investigation shall be equivalent to investigations required of all personnel employed by the Department. The institution shall have the right to deny access into the institution for any of the contractor's employees or agents for any reason. Such denial shall not relieve the contractor of any requirements of the contract.
- 3.7.2 Contractor's employees and agents under active federal or state felony or misdemeanor supervision must receive written division director approval prior to performing services on a Department contract. Contractors/employees/agents with prior felony convictions and not under active supervision must receive written division director approval in advance.
- 3.7.3 The contractor, its employees, and others acting under the contractor's control, shall at all times observe and comply with all applicable state statutes, Department rules, regulations, guidelines, internal management policy and procedures, and general orders of the Department that are applicable, regarding operations and activities in and about all Department property. Furthermore, the contractor, its agents or employees, shall not obstruct the Department nor any of its designated officials from performing their duties in response to court orders or in the maintenance of a secure and safe correctional environment. The contractor shall comply with the Department's policy and procedures relating to employee conduct.
  - a. The Department has a zero tolerance policy for any form of sexual misconduct to include staff/contractor/volunteer on offender or offender on offender sexual harassment, sexual assault, sexual abusive contact and consensual sex. Any contractor or contractor's employee or agent who witnesses sexual abuse or sexual harassment must immediately report it to the warden. A contractor or contractor's employee or agent who engages in, fails to report, or knowingly condones sexual harassment or sexual contact with or between offenders shall be grounds for canceling the contract and may subject the contractor or contractor's employee or agent to criminal prosecution.
  - b. Any contractor, contractor's employee or agent who has engaged in sexual abuse in a prison, jail, lockup, community confinement facility, juvenile facility or other institution shall be denied access into the institution.
- 3.7.4 The contractor and/or contractor's employees and agents shall not interact with the offenders except as is necessary to perform the requirements of the contract. The contractor and/or contractor's employees and agents shall not give anything to nor accept anything from the offenders except in the normal performance of the contract.

## **4. BIDDERS INSTRUCTIONS**

### **4.1 Contact**

4.1.1 Bidders are cautioned not to contact any other employee of the Department concerning this procurement during the competitive procurement and evaluation processes except for the Buyer of Record. **Inappropriate contacts are grounds for exclusion from this or future bidding opportunities.**

#### 4.2 Compliance with Terms and Conditions:

4.2.1 The bidder is cautioned when submitting pre-printed terms and conditions or other type material to make sure such documents do not contain other terms and conditions which conflict with those of the IFB and its contractual requirements. The bidder agrees that in the event of conflict between any of the bidder's terms and conditions and those contained in the IFB that the IFB shall govern. Taking exception to the Department's terms and conditions may render a bidder's bid non-responsive and may remove it from consideration for award.

#### 4.3 Bid Detail Requirements and Deviations:

4.3.1 It is the bidder's responsibility to submit a bid that meets all mandatory specifications stated herein. The bidder should clearly identify detailed specifications for the product being offered and any deviations from both the mandatory and desirable specifications stated in the IFB on the pricing pages. Any deviation from a mandatory requirement may render the bid nonresponsive; any deviation from a desirable specification may be reviewed by the Department as to its acceptability and impact on competition. A deviation from a mandatory specification should be addressed by the bidder in detail sufficient to explain whether the deviation alternatively meets or exceeds the mandatory specification; said explanation shall be required of the bidder if requested by the Buyer of Record.

#### 4.4 EXHIBIT A, Pricing Page:

4.4.1 The bidder must submit a **firm fixed price** for each line item bid on **EXHIBIT A, Pricing Page**.

4.4.2 Shipping charges **must** be included in the **firm fixed price** submitted for each line item.

##### 4.4.3 Grouped Items:

a. Line items 001-015 are grouped and one award will be made for all items within the group.

b. Line items 016-023 are grouped and one award will be made for all items within the group.

c. Line items 024-032 are grouped and one award will be made for all items within the group.

d. A bid price must be stated for each item in the group.

e. If any one item bid in a group is deemed non-responsive or unacceptable, or if a bidder is not able to supply or bid on one or more items in a group, the entire group will not be considered for award.

4.4.3 The bidder should complete the "Web Site", "Terms" and " Bidder's Acceptance of the Canteen Purchasing Card" section on **EXHIBIT A, Pricing Page**.

#### 4.5 Submission of Bids:

4.5.1 The bidder is cautioned that **it is the bidder's sole responsibility to submit information** related to the evaluation categories and that the Department is under no obligation to solicit such information if it is not included with the bid. The bidder's failure to submit such information may cause an adverse impact on the evaluation of the bid.

4.5.2 Bids are due no later than the date and time as stated on the first page of this IFB.

**4.6 Preferences:**

- 4.6.1 **American Made:** In accordance with the Domestic Product Procurement Act (hereinafter referred to as the Buy American Act), sections 34-350 to 34.359 RSMo the bidder is advised that any goods purchased or leased by any public agency shall be manufactured or produced in the United States.
- a. Bidders who can certify that goods or commodities to be provided in accordance with the contract are manufactured or produced in the United States or imported in accordance with a qualifying treaty, law, agreement, or regulation shall be entitled to a ten percent (10%) preference over bidders whose products do not qualify.
  - b. The requirements of the Buy American Act shall not apply if other exceptions to the Buy American mandate in section 34.353 RSMo are met.
  - c. If the bidder claims there is only one line of the good manufactured or produced in the United States, section 34.353 (2) RSMo, or that one of the exceptions of section 34-353 (3) RSMo applies, the Executive Head of the Agency bears the burden of certification as required prior to the award of the contract.
  - d. In accordance with the Buy American Act, the bidder must provide proof of compliance with section 34.353 RSMo. Therefore, the bidder should complete and return **EXHIBIT B**, certification regarding proof of compliance, with the bid. This document must be satisfactorily completed prior to an award of a contract.
  - e. If the lowest priced bidder's products qualify as American-made, or in the event all of the bidders or none of the bidders qualify for the Buy American preference, no further calculation is necessary.
  - f. **If any products and/or services offered under this IFB are being manufactured or performed at sites outside the United States, the bidder MUST disclose such fact and provide details with the bid.**
- 4.6.2 **Missouri Service-Disabled Veteran Business Enterprise Preference** - Pursuant to section 34.074 RSMo, and 1 CSR 40-1.050, a three (3) bonus point preference shall be granted to bidders who qualify as Missouri service-disabled veteran business enterprises and who complete and submit **EXHIBIT C, Missouri Service-Disabled Veteran Business Enterprise Preference** with the bid. If the bid does not include the completed **EXHIBIT C** and the documentation specified on **EXHIBIT C** in accordance with the instructions provided therein, no preference points will be applied.
- 4.6.3 If the lowest priced bid qualifies for the preference, or in the event no bidders qualify for the preference, no further calculation is necessary.
- 4.6.4 **Organization for the Blind and Sheltered Workshop:** Pursuant to 34.165 RSMo, and 1 CSR 40- 1.050, a ten (10) bonus point preference shall be granted to bidders including products and/or services manufactured, produced or assembled by a qualified nonprofit organization for the blind established pursuant to 41 U.S.C. sections 46 to 48c or a sheltered workshop holding a certificate of approval from the Department of Elementary and Secondary Education pursuant to section 178.920 RSMo.
- a. In order to qualify for the ten bonus points, the following conditions must be met and the following evidence must be provided:
    - 1) The bidder must either be an organization for the blind or sheltered workshop or must be proposing to utilize an organization for the blind/sheltered workshop as a subcontractor and/or supplier in an amount that must equal the greater of \$5,000 or 2% of the total dollar value of the contract for purchases not exceeding \$10 million.

- 2) The services performed or the products provided by the organization for the blind or sheltered workshop must provide a commercially useful function related to the delivery of the contractually-required service/product in a manner that will constitute an added value to the contract and shall be performed/provided exclusive to the performance of the contract. Therefore, if the services performed or the products provided by the organization for the blind or sheltered workshop is utilized, to any extent, in the bidder's obligations outside of the contract, it shall not be considered a valid added value to the contract and shall not qualify as participation in accordance with this clause.
- 3) If the bidder is proposing participation by an organization for the blind or sheltered workshop, in order to receive evaluation consideration for participation by the organization for the blind or sheltered workshop, the bidder must provide the following information with the bid:
- **Participation Commitment** – The bidder must complete **EXHIBIT D, Participation Commitment**, by identifying the organization for the blind or sheltered workshop and the commercially useful products/services to be provided by the listed organization for the blind or sheltered workshop. If the bidder submitting the bid is an organization for the blind or sheltered workshop, the bidder must be listed in the appropriate table on the **Participation Commitment** form.
  - **Documentation of Intent to Participate** – The bidder must either provide a properly completed **EXHIBIT E, Documentation of Intent to Participate** form, signed and dated no earlier than the IFB issuance date by the organization for the blind or sheltered workshop proposed or must provide a recently dated letter of intent signed and dated no earlier than the IFB issuance date by the organization for the blind or sheltered workshop which: (1) must describe the products/services the organization for the blind/sheltered workshop will provide and (2) should include evidence of the organization for the blind/sheltered workshop qualifications (e.g. copy of certificate or Certificate Number for Missouri Sheltered Workshop).

NOTE: If the bidder submitting the bid is an organization for the blind or sheltered workshop, the bidder is not required to complete **EXHIBIT E, Documentation of Intent to Participate** form or provide a recently dated letter of intent.

- b. A list of Missouri sheltered workshops can be found at the following Internet address:

<http://www.dese.mo.gov/divspeced/shelteredworkshops/index.html>.

- c. The websites for the Missouri Lighthouse for the Blind and the Alphapointe Association for the Blind can be found at the following Internet addresses:

<http://www.lhbindustries.com>

<http://www.alphapointe.org>

- a. **Commitment** – If the bidder's bid is awarded, the organization for the blind or sheltered workshop participation committed to by the bidder on **EXHIBIT D, Participation Commitment**, **shall be interpreted as a contractual requirement.**

4.6.5 The Blind/Sheltered Workshop Preference required under section 34.165 RSMo, and 1 CSR 40-1.050 allows for ten (10) bonus points to a qualifying vendor. If the lowest priced bidder qualifies for the preference, or in the event none of the bidders qualify for the preference, no further calculation is necessary.

**4.7 Evaluation and Award:**

4.7.1 The cost evaluation shall be calculated as indicated below.

- a. For group 1, the total cost points will be calculated by adding the firm fixed price for line items 001-015, stated on **EXHIBIT A, Pricing Page**, together to arrive at the total cost for the group.
- b. For group 2, the total cost points will be calculated by adding the firm fixed price for line items 016-023, stated on **EXHIBIT A, Pricing Page**, together to arrive at the total cost for the group.
- c. For group 3, the total cost points will be calculated by adding the firm fixed price for line items 024-032, stated on **EXHIBIT A, Pricing Page**, together to arrive at the total cost for the group.

4.7.2 Buy American Preference – for items bid not meeting proof of compliance with section 34.353 RSMo in accordance with the Domestic Product Procurement Act, sections 34-350-34.359 RSMo, the Buy American Preference shall be computed as follows:

Total Bid Price x 1.10 = Total Evaluated Bid Price

4.7.3 Determination of Cost Points – Cost points shall be computed for each line item bid as follows:

$$\frac{\text{Lowest Responsive Total Evaluated Bid Price}}{\text{Compared Total Evaluated Bid Price}} \times 100 + \text{earned preference points} = \text{Total Cost Points}$$

**Note: The prompt payment discount terms on contracts will not be used in any cost calculation.**

4.7.4 Award shall be made on a per item basis, to the bidder whose exercise equipment meets specifications, is determined acceptable, and has the highest total cost points.

4.7.5 Other Considerations: The Department reserves the right to reject any bid which is determined unacceptable for reasons which may include but are not necessarily limited to: 1) failure of the bidder to meet mandatory general performance specifications; 2) failure of the bidder to meet mandatory technical specifications; and/or, 3) receipt of any information, from any source, regarding delivery of unsatisfactory product or service by the bidder within the past three years. As deemed in its best interests, the Department reserves the right to clarify any and all portions of any bidder's offering.

**4.8 Employee Bidding/Conflict of Interest:**

4.8.1 Bidders who are employees of the State of Missouri, a member of the General Assembly or a statewide elected official must comply with sections 105.450 to 105.458 RSMo regarding conflict of interest. If the bidder or any owner of the bidder's organization is currently an employee of the State of Missouri, a member of the General Assembly or a statewide elected official, please complete **EXHIBIT F, Miscellaneous Information**.

**EXHIBIT A**  
Pricing Page

The bidder must state **only one** firm, fixed price delivered FOB Destination Prepaid and Allowed for each item bid. If bidding multiple brands it is requested bidders make a copy of **EXHIBIT A, Pricing Page** to use for each alternate bid and clearly mark the pages "**alternate bid #1, alternate bid #2,**" etc. Prices quoted shall be considered firm and fixed throughout the contract period.

**MISSOURI SERVICE-DISABLED VETERAN BUSINESS ENTERPRISE PREFERENCE**

Pursuant to section 34.074, RSMo, and I CSR 40-1.050, the Department of Corrections has a goal of awarding three (3) percent of all contracts for the performance of any job or service to qualified service-disabled veteran business enterprises (SDVEs). (See below for definitions included in section 34.074, RSMo.)

**DEFINITIONS:**

**Service-Disabled Veteran (SDV)** is defined as any individual who is disabled as certified by the appropriate federal agency responsible for the administration of veterans' affairs.

**Service-Disabled Veteran Business Enterprise (SDVE)** is defined as a business concern:

- e. Possessing the power to make day-to-day as well as major decisions on matters of management, policy, and operation.

### 4. OPEN COMPETITION/INVITATION FOR BID DOCUMENT

- a. It shall be the bidder's responsibility to ask questions, request changes or clarification, or otherwise advise the Department if any language, specifications or requirements of an IFB appear to be ambiguous, contradictory, and/or arbitrary, or appear to inadvertently restrict or limit the requirements stated in the IFB to a single source. Any and all communication from bidders regarding specifications, requirements, competitive bid process, etc., must be directed to the Buyer of Record of the Department, unless the IFB specifically refers the bidder to another contact. Such communication should be received at least ten (10) calendar days prior to the official bid opening date.
- b. Every attempt shall be made to ensure that the bidder receives an adequate and prompt response. However, in order to maintain a fair and equitable bid process, all bidders will be advised, via the issuance of an amendment to the IFB, of any relevant or pertinent information related to the procurement. Therefore, bidders are advised that unless specified elsewhere in the IFB, any questions received less than ten (10) calendar days prior to the IFB opening date may not be answered.
- c. Bidders are cautioned that the only official position of the State of Missouri is that which is issued by the Department in the IFB or an amendment thereto. No other means of communication, whether oral or written, shall be construed as a formal or official response or statement.
- d. The Department monitors all procurement activities to detect any possibility of deliberate restraint of competition, collusion among bidders, price-fixing by bidders, or any other anticompetitive conduct by bidders which appears to violate state and federal antitrust laws. Any suspected violation shall be referred to the Missouri Attorney General's Office for appropriate action.
- e. Some IFBs are available for viewing and downloading on the Department's website.
- f. The Department reserves the right to officially amend or cancel an IFB after issuance.

### 5. PREPARATION OF BIDS

- a. Bidders **must** examine the entire IFB carefully. Failure to do so shall be at the bidder's risk.
- b. Unless otherwise specifically stated in the IFB, all specifications and requirements constitute minimum requirements. All bids must meet or exceed the stated specifications and requirements.
- c. Unless otherwise specifically stated in the IFB, any manufacturer names, trade names, brand names, information and/or catalog numbers listed in a specification and/or requirement are for informational purposes only and are not intended to limit competition. The bidder may offer any brand which meets or exceeds the specification for any item, but must state the manufacturer's name and model number for any such brands in the bid. In addition, the bidder shall explain, in detail, (1) the reasons why the proposed equivalent meets or exceeds the specifications and/or requirements and (2) why the proposed equivalent should not be considered an exception thereto. Bids which do not comply with the requirements and specifications are subject to rejection without clarification.
- d. Bids lacking any indication of intent to bid an alternate brand or to take an exception shall be received and considered in complete compliance with the specifications and requirements as listed in the IFB.

- e. The statutory limitations and prohibitive clauses may be requested to be clarified in writing by the Department or be accepted without further clarification if statutory limitations and prohibitive clauses are deemed acceptable by the Department. If the Department determines clarification of the statutory limitations and prohibitive clauses is necessary, the clarification will be conducted in order to agree to language that reflects the intent and compliance of such law and/or court order and the IFB.

Such preference shall be given when quality is equal or better and delivered price is the same or less.

## 9. EVALUATION/AWARD

- a. Any clerical error, apparent on its face, may be corrected by the Buyer of Record before contract award. Upon discovering an apparent clerical error, the Buyer of Record shall contact the bidder and request clarification of the intended bid. The correction shall be incorporated in the notice of award. - e. In the event all bidders fail to meet the same mandatory requirement in an IFB, the Department reserves the right, at its sole discretion, to waive that requirement for all bidders and to proceed with the evaluation. In addition, the Department reserves the right to waive any minor irregularity or technicality found in any individual bid.

All Exhibits and Attachments included in the IFB shall be incorporated into the contract by reference.

Before providing equipment, supplies and/or services for the Department, the contractor must receive a properly authorized purchase order or other form of authorization given to the contractor at the discretion of the Department.
- d. The contract expresses the complete agreement of the parties and performance shall be governed solely by the specifications and requirements contained therein. If a driver or carrier refuses to provide the appropriate information to conduct a MULES background check, or if information received from the background check prohibits the driver or carrier from entering the institution, the delivery will be refused. Additional delivery costs associated with re-deliveries or contracting with another carrier for delivery shall be the responsibility of the contractor.

- b. The contractor agrees and understands that the contract shall constitute an assignment by the contractor to the Department of all rights, title and interest in and to all causes of action that the contractor may have under the antitrust laws of the United States or the Department for which causes of action have accrued or will accrue as the result of or in relation to the particular equipment, supplies, and/or services purchased or procured by the contractor in the fulfillment of the contract with the Department.

**18. SEVERABILITY**

- a. If any provision of this contract or the application thereof is held invalid, the invalidity shall not affect other provisions or applications of this contract which can be given effect without the invalid provisions or application, and to this end the provisions of this contract are declared to be severable.

**19. CANCELLATION OF CONTRACT**

- a. In the event of material breach of the contractual obligations by the contractor, the Department may cancel the contract. - d. The contractor understands and agrees that if the funds required to fund the contract are appropriated by the General Assembly of the State of Missouri, the contract shall not be binding upon the Department for any contract period in which funds have not been appropriated, and the Department shall not be liable for any costs associated with termination caused by lack of appropriations.
- e. If the Department has reasonable cause to believe that the contractor has knowingly employed individuals who are not eligible to work in the United States in violation of federal law, the Department shall declare a breach and cancel the contract immediately without incurring any penalty.

**20. TERMINATION OF CONTRACT**

- a. The Department reserves the right to terminate the contract at any time for the convenience of the Department, without penalty or recourse, by giving notice to the contractor at least thirty (30) calendar days prior to the effective date of such termination. The contractor shall be entitled to receive just and equitable compensation for services and/or supplies or equipment delivered to and accepted by the Department pursuant to the contract prior to the effective date of termination.

Such causes may include, however are not restricted to: acts of God, fires, floods, epidemics, quarantine restrictions, strikes, and freight embargoes. In all cases, the failure to perform must be beyond the control of, and without the fault or negligence of, either the contractor or any subcontractor(s). The contractor shall take all possible steps to recover from any such occurrences.

**24. CONTRACT EXTENSION**

- a. In the event of an extended re-procurement effort and the contract's available renewal options have been exhausted, the Department reserves the right to extend the contract. If exercised, the extension shall be for a period of time as mutually agreed to by the Department and the contractor at the same terms, conditions, provisions, and pricing in order to complete the procurement process and transition to a new contract.

**25. INSURANCE**

- a. The State of Missouri cannot save and hold harmless and/or indemnify the contractor or its employees against any liability incurred or arising as a result of any activity of the contractor or the contractor's employees related to the contractor's performance under the contract. Therefore, the contractor must acquire and maintain adequate liability insurance in the form(s) and amount(s) sufficient to protect the State of Missouri, its agencies, its employees, its clients, and the general public against any such loss, damage, and/or expense related to his/her performance under the contract.

**26. BANKRUPTCY OR INSOLVENCY**
