Instructions for Submitting a Solicitation Response

The Missouri Department of Corrections is now posting all of its bid solicitation documents on the new MissouriBUYS Bid Board (https://www.missouribuys.mo.gov). MissouriBUYS is the State of Missouri's web-based statewide eProcurement system, which is powered by WebProcure, through our partner, Perfect Commerce.

Vendors now have the option of submitting their solicitation response either as an electronic response or as a hard copy response. As a means to save vendors the expense of submitting a hard copy response and to provide vendors both the ease and the timeliness of responding from a computer, vendors are encouraged to submit an electronic response. Both methods of submission are explained briefly below and in more detail in the step-by-step instructions provided at https://missouribuys.mo.gov/sites/missouribuys/files/How_To_Respond_To_A_Solicitation.pdf (This document is also on the Bid Board referenced above.).

Notice: The vendor is solely responsible for ensuring timely submission of their solicitation response, whether submitting an online response or a hard copy response. Failure to allow adequate time prior to the solicitation end date to complete and submit a response to a solicitation, particularly in the event technical support assistance is required, places the vendor and its response at risk of not being accepted on time.

- **ELECTRONIC RESPONSES:** To respond electronically to a solicitation, the vendor must first register with MissouriBUYS by going to the MissouriBUYS Home Page (https://missouribuys.mo.gov), clicking the “Register” button at the top of the page, and completing the Vendor Registration. Once registered the vendor should log back into MissouriBUYS and edit their profile by selecting the organizational contact(s) that should receive an automated confirmation of the vendor’s electronic bid responses successfully submitted to the state.

To respond electronically to a solicitation, the vendor must login to MissouriBUYS, locate the desired solicitation on the Bid Board, and, at a minimum, the vendor must read and accept the Original Solicitation Documents and complete pricing and any other identified requirements. In addition, the vendor should download and save all of the Original Solicitation Documents on their computer so that they can prepare their response to these documents. Vendors should upload their completed response to these downloaded documents (including exhibits, forms, and other information concerning the solicitation) as an attachment to the electronic solicitation response. Step-by-step instructions for how a registered vendor responds to a solicitation electronically are available on the MissouriBUYS system at: https://missouribuys.mo.gov/sites/missouribuys/files/How_To_Respond_To_A_Solicitation.pdf.

- Vendors are encouraged to submit their entire bid electronically; however in lieu of attaching exhibits, forms, pricing, etc. to the electronic solicitation response, a vendor may submit the exhibits, forms, pricing, etc. through mail or courier service. However, any such submission must be received prior to the solicitation’s specified end date and time. Be sure to include the solicitation/opportunity (OPP) number, company name, and a contact name on any hard copy solicitation response documents submitted through mail or courier service.

- In the event a registered vendor electronically submits a solicitation response and also mails hard copy documents that are not identical, the vendor should explain which response is valid for the Department’s consideration. In the absence of such explanation, the Department reserves the right to evaluate and award the response, which serves its best interest.

Addendum Document: If an addendum document is subsequently issued, please follow these steps to accept the addendum document(s).
1. If you have not accepted the original solicitation document, go to the Overview page, find the section titled, Original Solicitation Documents, review the solicitation document(s) then click on the box under Select, and then click on the Accept button.

2. To accept the addendum document, on the Overview page find the section titled Addendum Document, review the addendum document(s) then click on the box under Select, and then click on the Accept button.

Note: If you submitted an electronic response prior to the addendum date and time, you should review your solicitation response to ensure that it is still valid by taking into consideration the revisions addressed in the addendum document. If a revision is needed to your solicitation response and/or to indicate your acceptance of the addendum document, you will need to retract your response and re-submit your response by following these steps:

1. Log into MissouriBUYS.
2. Select the Solicitations tab.
3. Select View Current Solicitations.
4. Select My List.
5. Select the correct Opportunity Number (Opportunity No); the Overview page will display.
6. Click on Review Response from the navigation bar.
7. Click on Retract if your response needs to be revised.
8. A message will come up asking, “Are you sure you want to retract the Bid”. Click on Continue to confirm.
9. Click on Respond and revise as applicable.
10. Click on Review Response from the navigation bar and then click on Submit to submit your response.

- HARD COPY RESPONSES: Be sure to include the solicitation/opportunity (OPP) number, company name, and a contact name on any hard copy solicitation response documents.

*******END OF TABLE OF CONTENTS*******
1. INTRODUCTION AND GENERAL INFORMATION

This section of the IFB includes a brief introduction and background information about the intended acquisitions and/or services for which the requirements herein are written. The contents of this section are intended for informational purposes and do not require a response.

1.1 Purpose:

1.1.1 This document constitutes a request for competitive bids from prospective vendors for the Missouri Department of Corrections (hereinafter referred to as “Department”) to establish a contract for the purchase and delivery of custom file folders on an as needed basis in accordance with the requirements and provisions stated herein.

1.2 Questions Regarding the IFB:

1.2.1 IFB Questions - It is the vendor’s responsibility to ask questions, request changes or clarifications, or otherwise advise the Department if the vendor believes that any language, specifications, or requirements are: (1) ambiguous, (2) contradictory or arbitrary, or both, (3) violate any state or federal law or regulation, (4) restrict or limit the requirements to a single source, or (5) restrict or limit the vendor’s ability to submit a bid.

1.2.2 Except as may be otherwise stated herein, the vendor and the vendor’s agents (including subcontractors, employees, consultants, or anyone else acting on their behalf) must direct all of their questions or comments regarding the IFB, the solicitation process, the evaluation, etc., to the Buyer of Record indicated on the first page of this IFB. Inappropriate contacts to other personnel are grounds for suspension and/or exclusion from specific procurements. Vendors and their agents who have questions regarding this matter should contact the Buyer of Record.

1.2.3 All questions and issues should be submitted at least ten (10) working days prior to the due date of the bid. If not received prior to ten (10) working days before the bid due date, the Department may not be able to fully research and consider the respective questions or issues. Questions and issues relating to the IFB, including questions related to the competitive procurement process, must be directed to the Buyer of Record. It is preferred that questions be e-mailed to the Buyer of Record at Diana.fredrick@doc.mo.gov.

1.2.4 The Department will attempt to ensure that a vendor receives an adequate and prompt response to questions, if applicable. Upon the Department’s consideration of questions and issues, if the Department determines that changes are necessary, the resulting changes will be included in a subsequently issued IFB addendum(s); absence of such response indicates that the questions and issues were considered but deemed unnecessary for IFB addendum as the questions and issues did not provide further clarity to the IFB. All vendors will be advised of any change to the IFB’s language, specifications, or requirements by a formal addendum to the IFB.

NOTE: The only official position of the Department shall be that which is contained in the IFB and any addendums thereto.

1.3 Background Information:

1.3.1 Reception, Diagnostic and Correctional Centers custody consists of all security levels. Reception, Diagnostic and Correctional Centers are intake and classification centers that are responsible for assessing the physical and mental needs of offenders, it is during this period that offenders are assigned a custody level and permanent housing facility based on their assessed needs. Additional information about the Department of Corrections or the Reception, Diagnostic and Correctional Centers may be found on the internet at http://doc.mo.gov.
1.3.2 Although an attempt has been made to provide accurate and up-to-date information, the Department does not warrant or represent that the background information provided herein reflects all relationships or existing conditions related to the IFB.

1.4 General Information:

1.4.1 Terms and Conditions - It is recommended that all vendors review the Terms and Conditions governing this solicitation in its entirety, giving particular emphasis to examining those sections related to:

Response to this section by the vendor is requested in the Exhibit section of this IFB. The vendor’s response, whether responding to a mandatory requirement or a desired attribute will be binding upon the vendor in the event the bid is accepted by the Department.

2.1 General Requirements:

2.1.1 The contractor shall provide custom file folders as specified herein on an as needed basis as ordered by the Department. The contractor must comply with all mandatory requirements and specifications presented herein pertaining to the provision of the items and to the sole satisfaction of the Department. Items not conforming to the requirements stated herein, including approved substitutions shall not be accepted.

2.1.2 The contractor shall function as the single point of contact for all contract activities regardless of any subcontract arrangement for any product or service. This shall include assuming responsibilities and liabilities for any and all problems relating to all items and services provided.

The contractor must provide documentation from the manufacturer or supplier to substantiate the occurrence of any of these aforementioned situations.

2.3.2 The contractor shall be obligated to obtain a substitution to replace an awarded item that meets or exceeds the specifications of the item that was originally awarded at no additional cost to the Department. Substitutions must be approved in advance by a formal contract amendment.

2.3.3 The Department reserves the right to allow the contractor to substitute any new item offered by the contractor on all unshipped and future orders if quality is equal to or greater than the item under contract and if the price is equal to or less than the contract price. The Department shall be the final authority as to the acceptability of the proposed substitution.

2.3.4 Item Changes - The contractor must immediately notify the Department prior to the discontinuation of an awarded item, change in packaging, and/or size of an awarded item. Whenever possible, the contractor must accept orders for any item that is to be discontinued for a full thirty-(30) days following notice to the Department of such discontinuation.

a. No material change shall be made on any item awarded to the contractor without written approval by a formal contract amendment. The contractor must submit documentation from the manufacturer or supplier to verify any material change.

2.4 Minimum Orders:

2.4.1 There shall be no minimum order requirements for the item except the smallest unit of order (500 each).
2.5 Delivery Requirements:

2.5.1 Orders shall be placed by the institutions listed on Attachment 1. The contractor must begin accepting orders upon notice of award. Orders should be delivered to the ordering institution within twenty (20) business days upon receipt of an authorized purchase order or state purchasing card transaction notice. All orders received on the last day of the contract must be shipped at the contract price.

2.5.2 Delivery shall include unloading shipments at the Department dock or other designated unloading site(s) as requested by the Department. All orders must be shipped FOB Destination, Freight Prepaid and Allowed.

2.5.3 Deliveries shall be made as requested by the ordering institution. The contractor must coordinate its delivery schedule with the ordering institution. Any change in delivery schedule must be approved by the ordering institution a minimum of twenty-four (24) hours in advance prior to the implementation date of such change. Institutions have specific times that deliveries can be accepted. A delivery arriving during a time the institution does not accept deliveries will be delayed or refused. Any additional cost for delay or redelivery shall be the responsibility of the contractor.

a. Delivery must not be made on official state holidays. A list of official state holidays may be found on the State of Missouri web site at:

2.5.4 Delays in the Delivery Performance:

a. If at any time the contractor should encounter conditions impeding delivery of the awarded item, the contractor shall immediately notify the Department in writing of the fact of delay, its likely duration, and its cause(s). As soon as practicable after receipt of the contractor’s notice, the Department, at its sole discretion, shall evaluate the situation and may extend the contractor’s time for delivery.

b. A delay by the contractor in the performance of its delivery obligations shall render the contractor liable for additional costs incurred by the Department to obtain product from other sources, unless an extension of time is agreed upon pursuant to 2.5.4 a.

2.6 Invoicing and Payment Requirements:

2.6.1 The contractor shall accurately invoice per the price indicated on EXHIBIT A, Pricing Page and shall issue one invoice per order.

2.6.2 If the Department issues a purchase order, an itemized invoice shall be emailed to doc.payables@doc.mo.gov or mailed to:

    Jefferson City, MO 65102

2.6.3 Each invoice submitted must be specific to one purchase order number referenced on the invoice and must be itemized in accordance with items listed on the purchase order. Failure to comply with this requirement may delay processing of invoices for payment. Emailed invoices should contain the purchase order number in the subject line.

2.6.4 If the state purchasing card (Visa) will be used for payment, an itemized invoice reflecting the charged amount must be faxed or emailed to the institution within one business day.
2.6.5 The contractor's invoice should include any discount for prompt payment as indicated on EXHIBIT A, Pricing Page.

2.6.6 If the contractor maintains an e-commerce web application that enables Department staff to view and print invoices and invoice history, the contractor shall indicate on EXHIBIT A, Pricing Page the web site address where Department staff may access invoices. Upon award of contract, the contractor shall provide the Department with a customer number in order for Department staff to access invoices and invoice history.

2.6.7 Prior to any payments becoming due under the contract, the contractor must update their vendor registration with their ACH-EFT payment information at https://MissouriBUYS.mo.gov.

2.6.8 All payment terms shall be as stated in the terms and conditions of this contract. Payments will be processed based on final delivery, inspection, and acceptance of the item(s).

2.6.9 The contractor shall understand and agree the Department reserves the right to make contract payments to the contractor through Electronic Funds Transfer (EFT). Each contractor invoice must be on the contractor's original descriptive business invoice form and must contain a unique invoice number. The invoice number will be listed on the state's EFT addendum record to enable the contractor to apply state payments to invoices properly. The contractor must comply with all other invoicing requirements stated in the IFB.

2.6.10 The Department may choose to use the state purchasing card (Visa) in place of a purchase order to make purchases under this contract. Unless exception to this condition is indicated on EXHIBIT A, Pricing Page, the contractor agrees to accept the purchasing card as an acceptable form of payment and may not charge any additional fees related to the use of a purchasing card such as service fees, merchant fees, and/or handling charges. The state purchasing card shall not be charged until the items are received and accepted.

2.6.11 The Department does not pay state or federal sales tax. The Department shall not make additional payments or pay add-on charges.

2.6.12 Other than the payments specified above, no other payments or reimbursements shall be made to the contractor for any reason whatsoever including, but not limited to, taxes, lodging, per diem costs, shipping charges, insurance, interest, penalties, termination payments, attorney fees, liquidated damages, etc.

END OF SECTION 2: PERFORMANCE REQUIREMENTS
3. GENERAL CONTRACTUAL REQUIREMENTS:

This section of the IFB includes the general contractual requirements and provisions that shall govern the contract after IFB award. The contents of this section include mandatory provisions that must be adhered to by the Department and the contractor unless changed by a contract amendment. Response to this section by the vendor is not necessary, as all provisions are mandatory.

3.1 Contractual Requirements:

3.1.1 Contract - A binding contract shall consist of: (1) the IFB, addendums thereto, (2) the contractor’s response (bid) to the IFB, (3) clarification of the bid, if any, and (4) the Department’s acceptance of the response (bid) by “Notice of Award”. All Exhibits and Attachments included in the IFB shall be incorporated into the contract by reference.

a. A Notice of Award issued by the Department does not constitute an authorization for shipment of supplies or a directive to proceed with services. Before providing supplies for the Department, the contractor must receive a properly authorized purchase order or other form of authorization given to the contractor at the discretion of the Department.

b. The contract expresses the complete agreement of the parties and performance shall be governed solely by the specifications and requirements contained therein.

c. Any change to the contract, whether by modification and/or supplementation, must be accomplished by a formal contract amendment signed and approved by and between the duly authorized representative of the contractor and the Department prior to the effective date of such modification. The contractor expressly and explicitly understands and agrees that no other method and/or no other document, including correspondence, acts, and oral communications by or from any person, shall be used or construed as an amendment or modification to the contract.

3.1.2 Contract Period - The original contract period shall be as stated on the Notice of Award. The contract shall not bind, nor purport to bind, the Department for any contractual commitment in excess of the original contract period. The Department shall have the right, at its sole option, to renew the contract for two (2) additional one-year periods, or any portion thereof. In the event the Department exercises such right, all terms and conditions, requirements and specifications of the contract shall remain the same and apply during the renewal period pursuant to applicable option clauses of this document.

3.1.3 Renewal Periods - If the Department exercises its option for renewal, the contractor shall agree that the price for the renewal period(s) shall not exceed the maximum percentage increase quoted for the applicable renewal period as stated on EXHIBIT A, Pricing Page, of the contract.

a. If a renewal percentage is not provided, then the price during the renewal period shall be the same as during the original contract period.

b. The Department does not automatically exercise its option for renewal based upon the maximum percentage and reserves the right to offer or to request renewal of the contract at a percentage less than the maximum stated.

c. As stated on EXHIBIT A, Pricing Page, any increase shall be calculated against the original contract price. If a price increase was allowed as outlined in section 3.2 of this IFB, the increase will be added after the calculation of the renewal price has been determined.

EXAMPLE: Original Contract Price = $1.00, Maximum Increase = 2%. Economic Adjustment = 5%

Renewal Period Increase - $1.00 x 2% = $1.02
Economic Adjustment - $1.00 x 5% = $1.05
Renewal Period Price = $1.07 ($1.02 + $0.05)

3.1.4 Contract Price - The price shall be as stated on EXHIBIT A, Pricing Page. The Department shall not pay, nor be liable, for any other costs including, but not limited to, taxes, shipping charges, insurance, interest, penalties, termination payments, attorney fees, liquidated damages, etc.

a. Price shall include all packing, handling, shipping, and freight charges FOB Destination, Freight Prepaid and Allowed. The Department shall not make additional payments or pay add-on charges for freight or shipping unless specifically described and priced in the bid, or as otherwise specifically stated and allowed by the IFB.

3.1.5 Order Quantities - The quantities indicated in this IFB are estimates that pertain to the total aggregate quantities that may be ordered throughout the stated contract period. The estimates do not indicate single order amounts unless otherwise stated. The Department makes no guarantees about single order quantities or total aggregate order quantities.

3.1.6 Contract Audits - The Department reserves the right to investigate and/or audit the prices charged by the contractor to the Department, with or without notice to the contractor, at the expense of the Department. If it is determined that the contractor has charged prices to the Department in excess of those agreed upon in the contract, the Department shall consider this just cause for cancellation of the contract in its entirety, which may result in the contractor’s removal from the list of eligible vendors who may do business with the Department.

3.1.7 Termination - The Department reserves the right to terminate the contract at any time, for the convenience of the State of Missouri, without penalty or recourse, by giving written notice to the contractor at least thirty-(30) calendar days prior to the effective date of such termination. The contractor shall be entitled to receive compensation for services and/or supplies delivered to and accepted by the Department pursuant to the contract prior to the effective date of termination.

3.1.8 Contractor Liability - The contractor shall be responsible for any and all personal injury (including death) or property damage as a result of the contractor's negligence involving any equipment or service provided under the terms and conditions, requirements and specifications of the contract. In addition, the contractor assumes the obligation to save the Department, including its divisions, employees, and assignees, from every expense, liability, or payment arising out of such negligent act.

a. The contractor also agrees to hold the Department, including its divisions, employees, and assignees, harmless for any negligent act or omission committed by any subcontractor or other person employed by or under the supervision of the contractor under the terms of the contract.

b. The contractor shall not be responsible for any injury or damage occurring as a result of any negligent act or omission committed by the Department, including its divisions, employees, and assignees.

3.1.9 Insurance - The contractor shall understand and agree that the Department cannot save and hold harmless and/or indemnify the contractor or employees against any liability incurred or arising as a result of any activity of the contractor or any activity of the contractor's employees related to the contractor's performance under the contract. Therefore, the contractor must acquire and maintain adequate liability insurance in the form(s) and amount(s) sufficient to protect the State of Missouri, its agencies, its employees, its clients, and the general public against any such loss, damage and/or expense related to his/her performance under the contract.

3.1.10 Subcontractors - Any subcontracts for the products/services described herein must include appropriate provisions and contractual obligations to ensure the successful fulfillment of all contractual obligations agreed to by the contractor and the Department and to ensure that the Department is indemnified, saved, and held harmless from and against any and all claims of damage, loss, and cost (including attorney fees)
of any kind related to a subcontract in those matters described in the contract between the Department and
the contractor.

a. The contractor shall expressly understand and agree that it shall assume and be solely responsible for
all legal and financial responsibilities related to the execution of a subcontract.

b. The contractor shall agree and understand that utilization of a subcontractor to provide any of the
products/services in the contract shall in no way relieve the contractor of the responsibility for providing
the products/services as described and set forth herein.

3.1.11 Participation by Other Organizations - The contractor must comply with any Organization for the
Blind/Sheltered Workshop participation level committed to in the contractor’s awarded bid.

a. The contractor shall prepare and submit to the Department a report detailing all payments made by the
contractor to Organizations for the Blind/Sheltered Workshop participating in the contract for the
reporting period. The contractor must submit the report on a monthly basis, unless otherwise determined
by the Department.

b. The Department will monitor the contractor’s compliance in meeting the Organizations for the
Blind/Sheltered Workshop participation level committed to in the contractor’s awarded proposal. If the
contractor’s payments to the participating entities are less than the amount committed, the Department
may cancel the contract and/or suspend or debar the contractor from participating in future Department
procurements, or retain payments to the contractor in an amount equal to the value of the participation
commitment less actual payments made by the contractor to the participating entity. If the Department
determines that the contractor becomes compliant with the commitment, any funds retained as stated
above, will be released.

c. If a participating entity fails to retain the required certification or is unable to satisfactorily perform, the
contractor must obtain other organizations for the blind/sheltered workshops to fulfill the participation
requirements committed to in the contractor’s awarded bid.

1) The contractor must obtain the written approval of the Department for any new entities. This
approval shall not be arbitrarily withheld.

2) If the contractor cannot obtain a replacement entity, the contractor must submit documentation to
the Department detailing all efforts made to secure a replacement. The Department shall have sole
discretion in determining if the actions taken by the contractor constitutes a good faith effort to
secure the required participation, and whether the contract will be amended to change the
contractor’s participation commitment.

d. No later than 30 days after the effective date of the first renewal period, the contractor must submit an
affidavit to the Department. The affidavit must be signed by the director or manager of the participating
Organizations for the Blind/Sheltered Workshop verifying provision of products and/or services and
compliance of all contractor payments made to the Organizations for the Blind/Sheltered Workshops.
The contractor may use the affidavit available on the Division of Purchasing’s website at
https://www.oa.mo.gov/purchasing/vendor-information or another affidavit providing the same
information.

3.1.12 Contractor Status - The contractor is an independent contractor and shall not represent the contractor or
the contractor’s employees to be employees of the State of Missouri or an agency of the State of Missouri. The
contractor shall assume all legal and financial responsibility for salaries, taxes, FICA, employee fringe
benefits, workers compensation, employee insurance, minimum wage requirements, overtime, etc., and
agrees to indemnify, save, and hold the Department, its divisions, officers, agents, and employees, harmless
from and against, any and all loss; cost (including attorney fees); and damage of any kind related to such
matters.
3.1.13 Coordination - The contractor shall fully coordinate all contract activities with those activities of the Department. As the work of the contractor progresses, advice and information on matters covered by the contract shall be made available by the contractor to the Department or the Department’s Purchasing Section throughout the effective period of the contract.

3.1.14 Replacement of Damaged Product - The contractor shall be responsible for replacing any item received in damaged condition at no cost to the Department. This includes all shipping costs for returning non-functional items to the contractor for replacement.

3.1.15 Delivery Performance - The contractor and/or the contractor's subcontractor(s) shall deliver items in accordance with the contracted delivery times stated herein to the Department upon receipt of an authorized purchase order or P-card transaction notice. All orders must be shipped F.O.B. Destination, Freight Prepaid and Allowed. All orders received on the last day of the contract must be invoiced at the contract price.

3.1.16 Property of State - All documents, data, reports, supplies, equipment, and accomplishments prepared, furnished, or completed by the contractor pursuant to the terms of the contract shall become the property of the Department. Upon expiration, termination, or cancellation of the contract, said items shall become the property of the Department.

3.1.17 Confidentiality - The contractor shall agree and understand that all discussions with the contractor and all information gained by the contractor as a result of the contractor's performance under the contract shall be confidential and that no reports, documentation, or material prepared as required by the contract shall be released to the public without the prior written consent of the Department.

3.1.18 Liability - The contractor shall agree that the Department shall not be responsible for any liability incurred by the contractor or the contractor's employees arising out of the ownership, selection, possession, leasing, rental, operation, control, use, maintenance, delivery, return, and/or installation of equipment provided by the contractor, except as otherwise provided in the contract.

3.2 Economic Adjustment Clause:

3.2.1 In the event that the contractor's cost for the items covered in this IFB and resulting contract should increase 5% or more during the period of time in which the contract is in effect, the contractor may, upon submission of written proof of such increase and approval by the Department, be entitled to an adjustment in price accomplished by a formal contract amendment signed and approved by and between the duly authorized representative of the contractor and the Department. All prices shall remain firm for the first six (6) months of this contract.

3.2.2 Whenever possible, the contractor must submit a written request for price increases thirty (30) days prior to the effective date of increase to the Department's Purchasing Section. Requests and documentation must be submitted via US Mail. If the manufacturer provides a percentage increase, the claim for such adjustment must include a certification from the manufacturer or supplier verifying the contractor's cost at the time of the bid award, the new cost, and the effective date of the increase. If the manufacturer provides an actual dollar amount of increase, the claim for such adjustment must include a certification from the manufacturer or supplier verifying the increase and the effective date of the increase. Supporting documentation must clearly establish the increase is to all customers and not to the Department or this contract alone. Supporting documentation will be returned to the contractor once the Department's Purchasing Section has verified its validity and shall not become part of the contract record.

3.2.3 The increase will be allowed only on the cost of the item(s) to the contractor. No increase or change in the contractor's overhead, transportation costs, profit or other factors will be approved. The Department reserves the right to ask for invoices, published price lists, or any other evidence establishing the contractor's costs to support the increase. Failure to supply any requested documentation will be grounds to deny adjustment in price.
3.2.4 After receipt of the required documentation, and in the event a price change is authorized thereafter, no additional adjustments will be allowed for a term of six (6) months.

3.2.5 The Department further reserves the right to reject any proposed price increase, cancel the item(s) from the contract, and re-bid the item(s) if determined to be in the best interest of the Department.

3.2.6 The contractor shall neither delay nor stop deliveries pending price changes.

3.2.7 If a price increase is allowed through a formal contract amendment, no price increase shall be billed to the Department before the effective date of the increase. Billed price changes will only be accepted for payment on purchase orders dated on or after the effective price change date. Purchase orders dated prior to the effective price change date shall be billed at the contract price in existence before the amended price change regardless of when delivery is accepted.

3.2.8 In the event the contractor’s costs should decrease by more than 5% during the period of time that the contract is in effect, the contractor shall pass any manufacturer’s price decrease to the Department and such decreases shall become effective immediately upon notification by the contractor of the amount of the decrease. The contractor shall notify the Department of any such decrease.

END OF SECTION 3: GENERAL CONTRACTUAL REQUIREMENTS
4. BID SUBMISSION, EVALUATION AND AWARD INFORMATION

This section of the IFB includes instructions on bid submission, sample submission, information on how the bid will be evaluated, and award information. Response to this section by the vendor, as applicable to the vendor, is requested in the EXHIBIT section of this IFB.

4.1 Submission of Bids:

4.1.1 On-line Bid – All vendors must be registered vendors in order to respond to the IFB electronically. If a vendor is responding electronically through the MissouriBUYS System website, in addition to completing the on-line pricing, the vendor should submit completed exhibits, forms, and other information concerning the bid as an attachment to the electronic bid. The vendor is instructed to review the IFB submission provisions carefully to ensure it is providing all required pricing, including applicable renewal pricing. Instructions on how a vendor responds to a bid on-line are available on the MissouriBUYS System website at: https://missouribuys.mo.gov/bidboard.html.

a. The exhibits, forms, and Pricing Page(s) provided herein may be saved into a word processing document, completed by a vendor, and then sent as an attachment to the electronic submission. Other information requested or required may be sent as an attachment. Additional instructions for submitting electronic attachments are on the MissouriBUYS System website. Be sure to include the solicitation/opportunity (OPP) number, company name, and a contact name on any electronic attachments.

b. In addition, a vendor may submit the exhibits, forms, Pricing Page(s), etc., through mail or courier service. However, any such submission must be received prior to the specified end date and time on page 1.

b. If a vendor submits an electronic and hard copy bid response and if such responses are not identical, the vendor should explain which response is valid. In the absence of an explanation, the Department shall consider the response that serves its best interest.

4.1.2 Hard Copy Bid - If the vendor is submitting a bid via the mail, or a courier service, or is hand delivering the bid, the vendor should include completed exhibits, forms, and other information concerning the bid (including completed Pricing Page(s)) with the bid. The vendor is instructed to review the IFB submission provisions carefully to ensure they are providing all required pricing, including applicable renewal pricing.

a. The State of Missouri recognizes the limited nature of our resources and the leadership role of government agencies concerning the environment. Accordingly, the vendor is requested to print the bid double-sided using recycled paper, if possible, and minimize or eliminate the use of non-recyclable materials such as plastic report covers, plastic dividers, vinyl sleeves, and binding. Lengthy bids may be submitted in a notebook or binder.

4.1.3 Open Records – Pursuant to section 610.021, RSMo, the bid shall be considered an open record after the bids are opened. Therefore, the vendor is advised not to include any information that the vendor does not want to be viewed by the public, including personal identifying information such as social security numbers.

a. Additionally, after a contract is executed the contract will be available for viewing through the Internet at https://missouribuys.mo.gov/contractboard.

b. In preparing a bid, the vendor should be mindful of document preparation efforts for imaging purposes and storage capacity that will be required to image the bid and should limit bid content to items that provide substance, quality of content, and clarity of information.

4.1.4 Submission of Information – To facilitate the evaluation process, the vendor is encouraged to submit bid information by sections that correspond with the individual evaluation categories described herein. The
vendor is cautioned that it is the vendor’s sole responsibility to submit necessary information. The Department is under no obligation to solicit any information if it is not included with the bid. The vendor’s failure to submit information with the bid, including pricing and renewal information, may cause an adverse impact on the evaluation of the bid.

4.1.5 Contact – Any and all communication from vendors regarding specifications, requirements, competitive bid process, etc., related to the bid document must be referred to the Buyer of Record identified on the first page of this document. Such communication should be received at least ten (10) calendar days prior to the official bid end date.

4.1.6 Compliance with Terms and Conditions – The vendor is cautioned when submitting pre-printed terms and conditions or other type material to make sure such documents do not contain other terms and conditions that conflict with those of the IFB and its contractual requirements. The vendor agrees that in the event of conflict between any of the vendor’s terms and conditions and those contained in the IFB that the IFB shall govern. Taking exception to the Department’s terms and conditions may render a vendor’s bid non-responsive and remove it from consideration for award.

4.1.7 Preprinted Marketing Materials – The vendor may submit preprinted marketing materials with the bid. However, the vendor is advised that such brochures normally do not address the needs of the evaluators with respect to the technical evaluation process and the specific responses that have been requested of the vendor. The vendor is strongly discouraged from relying on such materials in presenting products and services for consideration by the Department.

4.1.8 Bid Detail Requirements and Deviations – It is the vendor’s responsibility to submit a bid that meets all mandatory specifications stated herein. The vendor should clearly identify any and all deviations from both the mandatory and desirable specifications stated in the IFB. Any deviation from a mandatory requirement may render the bid non-responsive. Any deviation from a desirable specification may be reviewed by the Department as to its acceptability and impact on competition.

4.2 Submission of Samples:

4.2.1 The Department requests the vendor to submit one (1) sample of the item bid for bid evaluation. The sample should be sent in a separate envelope/package from the bid. A vendor failing to submit a sample within ten (10) business days after the bid opening may not be considered for award. The sample shall be provided at no cost to the Department.

a. The sample submitted does not have to include printed tabs on the dividers.

b. All samples shall be clearly labeled with the vendor’s company name and contact name. If a sample cannot be identified as to the vendor’s company name and contact name, the sample may not be evaluated.

4.2.2 The sample must be submitted to the following address:

   Attn: Diana Fredrick, CPPB  
   IFB931Y19708143/Samples  
   Missouri Department of Corrections  
   FMU/Purchasing Section  
   2729 Plaza Drive  
   Jefferson City, MO 65109

4.2.3 At a minimum, the sample will be evaluated for meeting the required specifications as outlined herein and shall include testing to determine overall acceptability. Other considerations may include packaging and the condition of the packaging materials the sample products are contained in. If sample testing indicates
the product does not meet the required specifications, or is found otherwise unacceptable, award shall not be made to that vendor.

4.2.4 The sample submitted **must be the exact item bid** and it must conform to the mandatory IFB specifications. If awarded a contract, the vendor hereby agrees that the product provided under contract shall be the same as submitted for sample testing for the duration of the contract.

4.3 Organizations for the Blind and Sheltered Workshop Preference:

4.3.1 Pursuant to section 34.165, RSMo, and 1 CSR 40-1.050, a five to fifteen (5-15) bonus point preference shall be granted to vendors including products and/or services manufactured, produced or assembled by a qualified nonprofit organization for the blind established pursuant to 41 U.S.C. sections 46 to 48c or a sheltered workshop holding a certificate of approval from the Department of Elementary and Secondary Education pursuant to section 178.920, RSMo.

a. In order to qualify for the five to fifteen (5-15) bonus points, the following conditions must be met and the following evidence must be provided:

(1) The vendor must either be an organization for the blind or sheltered workshop or must be proposing to utilize an organization for the blind/sheltered workshop as a subcontractor and/or supplier in an amount that must equal, at a minimum, the greater of $5,000 or 2% of the total dollar value of the contract for purchases not exceeding $10 million.

(2) The services performed or the products provided by the organization for the blind or sheltered workshop must provide a commercially useful function related to the delivery of the contractually required service/product in a manner that will constitute an added value to the contract and shall be performed/provided exclusive to the performance of the contract. Therefore, if the services performed or the products provided by the organization for the blind or sheltered workshop are utilized, to any extent, in the vendor’s obligations outside of the contract, it shall not be considered a valid added value to the contract and shall not qualify as participation in accordance with this clause.

(3) If the vendor is proposing participation by an organization for the blind or sheltered workshop, in order to receive evaluation consideration for participation by the organization for the blind or sheltered workshop, the vendor must provide the requested information with the bid.

4) A sliding scale for the award of points shall range from a minimum of five (5) points to a maximum of fifteen (15) points. The award of the minimum five (5) points shall be based on the bid containing a commitment that the participating nonprofit organization or workshop is providing the greater of two percent (2%) or five thousand dollars ($5,000) of the total contract value of bids for purchases not exceeding ten (10) million dollars.

b. Where the commitment in the bid exceeds the minimum level set forth in section 34.165, RSMo to obtain five (5) points, the awarded points shall exceed the minimum five (5) points, up to a maximum of fifteen (15) points. As the statute sets out a minimum of five (5) points for a minimum two percent (2%) commitment, each percent of commitment is worth two and one-half (2.5) points. The formula to determine the awarded points for commitments above the two percent (2%) minimum shall be calculated based on the commitment in the bid (which in the formula will be expressed as a number [Vendor’s Commitment Number below], not as a percentage) times two and one-half (2.5) points:

\[
\text{Vendor’s Commitment Number} \times 2.5 \text{ points} = \text{Awarded Points}
\]

Examples: A commitment of three percent (3%) would be calculated as: 3 x 2.5 points = 7.5 awarded points. A commitment of five and one-half percent (5.5%) would be calculated as: 5.5 x 2.5 points = 13.75 awarded points. If, instead of a percentage, a vendor’s bid lists a dollar figure that is over the minimum amount, the dollar figure shall be converted into the percentage of the vendor’s total contract value for calculation of the awarded points. Commitments at or above six percent (6%) receive the maximum of fifteen (15) points.
• Participation Commitment - The vendor must complete EXHIBIT C, Participation Commitment, by identifying the organization for the blind or sheltered workshop, and the commercially useful products/services to be provided by the listed organization for the blind or sheltered workshop. If the vendor submitting the bid is an organization for the blind or sheltered workshop, the vendor must be listed in the appropriate table on the Participation Commitment Form.

• Documentation of Intent to Participate - The vendor must either provide a properly completed EXHIBIT D, Documentation of Intent to Participate form, signed and dated no earlier than the IFB issuance date by the organization for the blind or sheltered workshop proposed or must provide a recently dated letter of intent signed and dated no earlier than the IFB issuance date by the organization for the blind or sheltered workshop which: (1) must describe the products/services the organization for the blind/sheltered workshop will provide and (2) should include evidence of the organization for the blind/sheltered workshop qualifications (e.g. copy of certificate or Certificate Number for Missouri Sheltered Workshop).

If the bid does not include the completed EXHIBIT B and the documentation specified on EXHIBIT B in accordance with the instructions provided therein, no preference points will be applied.

4.5 Evaluation of Cost:

4.5.1 After determining that a bid satisfies the mandatory requirements stated in the IFB, the evaluator shall use objective analysis in conducting a comparative assessment of the bid(s). The contract shall be awarded to the lowest and best vendor.

4.5.2 The evaluation shall include the original contract period plus the renewal periods. The estimated quantity shall be taken into consideration to compute the total price for the original contract period and renewal periods for the line item.

4.5.3 Price shall be considered firm for the duration of the contract period indicated on the Notice of Award of a contract.
4.6 Evaluation of Cost:

4.6.1 Pricing - The vendor shall state a firm fixed price for Line Item 1 on EXHIBIT A, Pricing Page. The price shall be quoted FOB Destination Freight Prepaid and Allowed and include all costs in order to meet the requirements as stated herein.

a. The vendor should complete the “Terms” and the “Vendor’s Acceptance of the State Purchasing Card” sections on EXHIBIT A, Pricing Page.

4.6.2 The objective evaluation of cost shall be based on the firm fixed price stated on EXHIBIT A, Pricing Page for each potential contract period.

a. For evaluation purposes only, the initial contract period cost for the line item will be calculated by multiplying the individual firm fixed price each by the estimated quantity for the line item.

b. A cost for each renewal period will be calculated in the same manner as indicated in paragraph 4.6.2 a. The total cost of the initial contract period and each renewal period will be added together to arrive at the total bid price for the line item.

c. The vendor shall agree and understand that the quantity used in the evaluation of cost are provided solely to document how cost will be evaluated. The Department makes no guarantee regarding the accuracy of the quantity stated nor does the Department intend to imply that the figure used for the cost evaluation in any way reflect neither actual nor anticipated usage.

4.6.3 Cost evaluation points shall be determined from the result of the calculation stated above using the following formula:

\[
\text{Lowest Responsive Vendor's Price} \times \frac{\text{Maximum Cost Evaluation Points (100)}}{\text{Compared Vendor's Price}} = \text{Assigned Cost Points}
\]

NOTE: The prompt payment discount terms on contracts will not be used in any cost calculation.

4.7 Determination for Award:

4.7.1 The vendor shall understand and agree that in order to be considered for award, the vendor must be registered in MissouriBUYS (https://missouribuys.mo.gov/vendors).

4.7.2 The Department reserves the right to award to the vendor whose bid complies with all mandatory specifications and requirements and is the lowest and best vendor for the item.

4.7.3 Award for line item 1 shall be made to the vendor whose item meets specifications and who is the lowest responsive vendor for the line item.

4.7.4 Other factors that affect the determination of the lowest priced responsive vendor include consideration of the Organizations for the Blind/Sheltered Workshop and the Missouri Service-Disabled Veteran Business preferences explained in sections 4.3 and 4.4.

4.7.5 Determination of Lowest Priced Vendor including Consideration of Preferences - After completing the cost evaluation and determining preference bonus points, the vendor with the highest total points is considered the lowest vendor. Total points shall be computed as follows:

\[
\text{Lowest Responsive Total Evaluated Bid Price} \times \frac{100 + \text{earned preference points}}{\text{Compared Total Evaluated Bid Price}} = \text{Total Points}
\]

a. NOTE: The prompt payment discount terms on contracts will not be used in any cost calculation.
4.7.6 The Department reserves the right to reject any bid which is determined unacceptable for reasons which may include but are not necessarily limited to: 1) failure of the vendor to meet mandatory general performance specifications; and/or 2) failure of the vendor to meet mandatory technical specifications; and/or, 3) receipt of any information, from any source, regarding delivery of unsatisfactory product or service by the vendor within the past three years. As deemed in its best interests, the Department reserves the right to clarify any and all portions of any vendor’s offer.

(See below for definitions included in section 34.074, RSMo.)

DEFINITIONS:

Service-Disabled Veteran (SDV) is defined as any individual who is disabled as certified by the appropriate federal agency responsible for the administration of veterans' affairs.

Service-Disabled Veteran Business Enterprise (SDVE) is defined as a business concern:

STANDARDS:

The following standards shall be used by the Department of Corrections in determining whether an individual, business, or organization qualifies as a SDVE:

b. Having not less than fifty-one percent (51%) of the business owned by one (1) or more service-disabled veterans (SDVs) or, in the case of any publicly-owned business, not less than fifty-one percent (51%) of the stock of which is owned by one (1) or more SDVs.
c. Having the management and daily business operations controlled by one (1) or more SDVs;
d. Having a copy of the SDV's award letter from the Department of Veterans Affairs or a copy of the SDV's discharge paper (DD Form 214, Certificate of Release or Discharge from Active Duty) and a copy of the SDV's documentation certifying disability by the appropriate federal agency responsible for the administration of veterans' affairs; and
e. Possessing the power to make day-to-day as well as major decisions on matters of management, policy, and operation.

If a vendor meets the standards of a qualified SDVE as stated above, the vendor must provide the following with the bid in order to receive the Missouri SDVE preference of a three-point bonus over a non-Missouri SDVE unless previously submitted within the past five (5) years to a Missouri state agency or public university:

b. The Buyer of Record/authorized designee is the only person authorized to approve changes to any of the requirements of the contract.

4. OPEN COMPETITION/INVITATION FOR BID DOCUMENT

a. It shall be the vendor's responsibility to ask questions, request changes or clarification, or otherwise advise the Department if any language, specifications or requirements of an IFB appear to be ambiguous, contradictory, and/or arbitrary, or appear to inadvertently restrict or limit the requirements or evaluation process stated in the IFB to a single source. Any and all communication from vendors regarding specifications, requirements, competitive bid process, etc., must be directed to the Buyer of Record of the Department, unless the IFB specifically refers the vendor to another contact. Such communication should be received at least ten (10) calendar days prior to the official bid opening date.

b. Every attempt shall be made to ensure that the vendor receives an adequate and prompt response. However, in order to maintain a fair and equitable bid process, all vendors will be advised, via the issuance of an addendum to the IFB, of any relevant or pertinent information related to the procurement. Therefore, vendors are advised that unless specified elsewhere in the IFB, any questions received less than ten (10) calendar days prior to the IFB opening date may not be answered.

c. Vendors are cautioned that the only official position of the State of Missouri is that which is issued by the Department in the IFB or an addendum thereto. No other means of communication, whether oral or written, shall be construed as a formal or official response or statement.

d. The Department monitors all procurement activities to detect any possibility of deliberate restraint of competition, collusion among vendors, price-fixing by vendors, or any other anticompetitive conduct by vendors, which appears to violate state and federal antitrust laws. Any suspected violation shall be referred to the Missouri Attorney General's Office for appropriate action.

e. Some IFBs may be available for viewing and downloading on the Department's website or on the MissouriBUYS Statewide eProcurement System. For IFB's posted on MissouriBUYS, registered vendors are electronically notified of those bid opportunities that match the commodity codes for which the vendor registered in MissouriBUYS. If a registered vendor's e-mail address is incorrect, the vendor must update the e-mail address himself or herself on the state's MissouriBUYS Statewide eProcurement System at https://missouribuys.mo.gov/

f. The Department reserves the right to officially amend or cancel an IFB after issuance. It shall be the sole responsibility of the vendor to monitor the Department's website and the MissouriBUYS Statewide eProcurement System to obtain a copy of the addendum(s). Registered vendors who received e-mail notification of the bid opportunity when the IFB was established and registered vendors who have responded to the IFB online prior to an addendum being issued should receive e-mail notification of the addendum(s). Registered vendors who received e-mail notification of the bid opportunity when the IFB was established and registered vendors who have responded to the bid online prior to a cancellation being issued should receive e-mail notification of a cancellation issued prior to the exact end date and time specified in the IFB.

5. PREPARATION OF BIDS

a. Vendors must examine the entire IFB carefully. Failure to do so shall be at the vendor's risk.
b. Unless otherwise specifically stated in the IFB, all specifications and requirements constitute minimum requirements. All bids must meet or exceed the stated specifications and requirements.

c. Unless otherwise specifically stated in the IFB, any manufacturer names, trade names, brand names, information and/or catalog numbers listed in a specification and/or requirement are for informational purposes only and are not intended to limit competition. The vendor may offer any brand that meets or exceeds the specification for any item, but must state the manufacturer's name and model number for any such brands in the bid. In addition, the vendor shall explain, in detail, (1) the reasons why the proposed equivalent meets or exceeds the specifications and/or requirements and (2) why the proposed equivalent should not be considered an exception thereto. Bids which do not comply with the requirements and specifications are subject to rejection without clarification.

d. Bids lacking any indication of intent to bid an alternate brand or to take an exception shall be received and considered in complete compliance with the specifications and requirements as listed in the IFB.

e. In the event that the vendor is an agency of state government or other such political subdivision which is prohibited by law or court decision from complying with certain provisions of an IFB, such a vendor may submit a bid that contains a list of statutory limitations and identification of those prohibitive clauses. The vendor should include a complete list of statutory references and citations for each provision of the IFB that is affected by this paragraph. The statutory limitations and prohibitive clauses may be requested to be clarified in writing by the Department or be accepted without further clarification if statutory limitations and prohibitive clauses are deemed acceptable by the Department. If the Department determines clarification of the statutory limitations and prohibitive clauses is necessary, the clarification will be conducted in order to agree to language that reflects the intent and compliance of such law and/or court order and the IFB.

f. All equipment and supplies offered in a bid must be new, of current production, and available for marketing by the manufacturer unless the IFB clearly specifies that used, reconditioned, or remanufactured equipment and supplies may be offered.

g. Prices shall include all packing, handling and shipping charges, and shall be delivered to the Department's designated destination FOB destination, freight prepaid and allowed unless otherwise specified in the IFB.

h. Bids, including all pricing therein, shall remain valid for 90 days from the bid opening unless otherwise indicated. If the bid is accepted, the entire bid, including all prices, shall be firm for the specified contract period.

i. Any foreign vendor not having an Employer Identification Number assigned by the United States Internal Revenue Service (IRS) must submit a completed IRS Form W-8 prior to or with the submission of their bid in order to be considered for award.

6. SUBMISSION OF BIDS

a. Delivered bids must be sealed in an envelope or container, and received in the Department's Purchasing office located at the address indicated on the cover page of the IFB no later than the exact opening time and date specified in the IFB. For bids posted on the MissouriBUYS Statewide eProcurement System, registered vendors may submit bids electronically through the MissouriBUYS Statewide eProcurement System at https://missouribuys.mo.gov/. All bids must be submitted by a duly authorized representative of the vendor's organization, contain all information required by the IFB, and be priced as required. Vendors are cautioned that bids submitted via the USPS, including first class mail, certified mail, Priority Mail and Priority Mail Express, are routed through the Office of Administration Central Mail Services and the tracking delivery time and date may not be the time and date received by the Department's Purchasing office. Regardless of delivery method, it shall be the responsibility of the vendor to ensure their bid is in the Department's Purchasing office no later than the exact opening time and date specified in the IFB.

b. The sealed envelope or container containing a bid should be clearly marked on the outside with the official IFB number and the official opening date and time. Different bids should not be placed in the same envelope; however, copies of the same bid may be placed in the same envelope.

c. Telephone or telegraphic requests to modify a bid shall not be honored.
d. A bid submitted electronically by a registered vendor may be retracted on-line prior to the official end date and time. A bid that has been delivered to the Department's Purchasing office may only be withdrawn by a signed, written document on company letterhead transmitted via mail, e-mail, or facsimile that has been received by the Department's Purchasing office prior to the official opening date and time specified. A bid may also be withdrawn in person by the vendor or its authorized representative provided proper identification is presented before the official opening date and time. Telephone or telegraphic requests to withdraw a bid shall not be honored.

e. A bid may also be withdrawn after the bid opening through submission of a written request by an authorized representative of the vendor. Justification of a withdrawal decision may include a significant error or exposure of bid information that may cause irreparable harm to the vendor.

b. By virtue of statutory authority, a preference will be given to materials, products, supplies, provisions and all other articles produced, manufactured, made or grown within the State of Missouri and to all firms, corporations or individuals doing business as Missouri firms, corporations or individuals. Such preference shall be given when quality is equal or better and delivered price is the same or less.

9. EVALUATION/AWARD

a. Any clerical error, apparent on its face, may be corrected by the Buyer of Record before contract award. Upon discovering an apparent clerical error, the Buyer of Record shall contact the vendor and request clarification of the intended bid. The correction shall be incorporated in the notice of award. Examples of apparent clerical errors are: 1) misplacement of a decimal point; and 2) obvious mistake in designation of unit.

b. Any pricing information submitted by a vendor shall be subject to evaluation if deemed by the Department to be in the best interest of the State of Missouri.

d. Awards shall be made to the vendor(s) whose bid (1) complies with all mandatory specifications and requirements of the IFB and (2) is the lowest and best bid, considering price, responsibility of the vendor, and all other evaluation criteria specified in the IFB and (3) complies with sections 34.010 and 34.070 RSMo and Executive Order 04-09.

e. In the event all vendors fail to meet the same mandatory requirement in an IFB, the Department reserves the right, at its sole discretion, to waive that requirement for all vendors and to proceed with the evaluation. In

i. Any award of a contract shall be made by notification from the Department to the successful vendor. The Department reserves the right to make awards by item, group of items, or an all or none basis. The grouping of items awarded shall be determined by the Department based upon factors such as item similarity, location, administrative efficiency, or other considerations in the best interest of the State of Missouri.

j. All bids and associated documentation submitted on or before the official opening date and time will be considered open records pursuant to section 610.021 RSMo.

k. The Department maintains records of all bid file material for review. Vendors who include an e-mail address with their bid will be notified of the award results via e-mail if requested.

All Exhibits and Attachments included in the IFB shall be incorporated into the contract by reference.

c. A Notice of Award issued by the Department does not constitute an authorization for shipment of equipment or supplies or a directive to proceed with services. Before providing equipment, supplies and/or services for the Department, the contractor must receive a properly authorized purchase order or other form of authorization given to the contractor at the discretion of the Department.

d. The contract expresses the complete agreement of the parties and performance shall be governed solely by the specifications and requirements contained therein. Any change to the contract, whether by modification and/or supplementation, must be accomplished by a formal contract amendment signed and approved by and between the duly authorized representative of the contractor and the Department prior to the effective date of such modification. The contractor expressly and explicitly understands and agrees that no other method and/or no other document, including correspondence, acts, and oral communications by or from any person, shall be used or construed as an amendment or modification to the contract.

If a driver or carrier refuses to provide the appropriate information to conduct a MULES background check, or if information received from the background check prohibits the driver or carrier from entering the institution, the delivery will be refused. Additional delivery costs associated with re-deliveries or contracting with another carrier for delivery shall be the responsibility of the contractor.

c. Unless a pallet exchange is requested at the time of delivery, all pallets used in the delivery of equipment and supplies shall become property of the Department.

a. No equipment, supplies, and/or services received by the Department pursuant to a contract shall be deemed accepted until the Department has had reasonable opportunity to inspect said equipment, supplies, and/or services.

b. All equipment, supplies, and/or services which do not comply with the specifications and/or requirements, or which are otherwise unacceptable or defective, may be rejected. In addition, all equipment, supplies, and/or services which are discovered to be defective, or which do not conform to any warranty of the contractor upon inspection (or at any later time if the defects contained were not reasonably ascertainable upon the initial inspection), may be rejected.

a. In the event of material breach of the contractual obligations by the contractor, the Department may cancel the contract. At its sole discretion, the Department may give the contractor an opportunity to cure the breach or to explain how the breach will be cured. The actual cure must be completed within no more than ten (10) working days from notification, or at a minimum, the contractor must provide the Department within ten (10) working days from notification a written plan detailing how the contractor intends to cure the breach.
b. If the contractor fails to cure the breach, or if circumstances demand immediate action, the Department will issue a notice of cancellation terminating the contract immediately. If it is determined the Department improperly cancelled the contract, such cancellation shall serve as notice of termination for convenience in accordance with the contract.

20. TERMINATION OF CONTRACT
a. The Department reserves the right to terminate the contract at any time for the convenience of the Department, without penalty or recourse, by giving notice to the contractor at least thirty (30) calendar days prior to the effective date of such termination. The contractor shall be entitled to receive just and equitable compensation for services and/or supplies or equipment delivered to and accepted by the Department pursuant to the contract prior to the effective date of termination.
21. ASSIGNMENT OF CONTRACT

a. The contractor shall neither assign nor transfer any of the rights, interests, or obligations of the contract without the prior written consent of the Department.
