- 3.1.4 Subcontractors – Any subcontracts for the products/services described herein must include appropriate provisions and contractual obligations to ensure the successful fulfillment of all contractual obligations agreed to by the contractor and the State of Missouri and to ensure that the State of Missouri is indemnified, saved, and held harmless from and against any and all claims of damage, loss, and cost (including attorney fees) of any kind related to a subcontract in those matters described in the contract between the State of Missouri and the contractor. The contractor shall expressly understand and agree that he/she shall assume and be solely responsible for all legal and financial responsibilities related to the execution of a subcontract. The contractor shall agree and understand that utilization of a subcontractor to provide any of the products/services in the contract shall in no way relieve the contractor of the responsibility for providing the products/services as described and set forth herein. The contractor must obtain the approval of the State of Missouri prior to establishing any new subcontracting arrangements and before changing any subcontractors. The approval shall not be arbitrarily withheld.

- a. Pursuant to section 285.530 (1) RSMo, no contractor or subcontractor shall knowingly employ, hire for employment, or continue to employ an unauthorized alien to perform work within the State of Missouri. 4. OPEN COMPETITION/INVITATION FOR BID DOCUMENT

- a. It shall be the bidder's responsibility to ask questions, request changes or clarification, or otherwise advise the Department if any language, specifications or requirements of an IFB appear to be ambiguous, contradictory, and/or arbitrary, or appear to inadvertently restrict or limit the requirements or evaluation process stated in the IFB to a single source. Any and all communication from bidders regarding specifications, requirements, competitive bid process, etc., must be directed to the Buyer of Record of the Department, unless the IFB specifically refers the bidder to another contact. Such communication should be received at least ten (10) calendar days prior to the official bid opening date.
- b. Every attempt shall be made to ensure that the bidder receives an adequate and prompt response. However, in order to maintain a fair and equitable bid process, all bidders will be advised, via the issuance of an addendum to the IFB, of any relevant or pertinent information related to the procurement. Therefore, bidders are advised that unless specified elsewhere in the IFB, any questions received less than ten (10) calendar days prior to the IFB opening date may not be answered.
- c. Bidders are cautioned that the only official position of the State of Missouri is that which is issued by the Department in the IFB or an addendum thereto. No other means of communication, whether oral or written, shall be construed as a formal or official response or statement.
- d. The Department monitors all procurement activities to detect any possibility of deliberate restraint of competition, collusion among bidders, price-fixing by bidders, or any other anticompetitive conduct by bidders which appears to violate state and federal antitrust laws. Any suspected violation shall be referred to the Missouri Attorney General's Office for appropriate action.
- e. Some IFBs may be available for viewing and downloading on the Department's website or on the MissouriBUYs Statewide eProcurement System. For IFB's posted on MissouriBUYs, registered bidders are electronically notified of those bid opportunities that match the commodity codes for which the bidder registered in MissouriBUYs. If a registered bidder's e-mail address is incorrect, the bidder must update the e-mail address themselves on the state's MissouriBUYs Statewide eProcurement System at <https://missouribuy.mo.gov/>
- f. The Department reserves the right to officially amend or cancel an IFB after issuance. It shall be the sole responsibility of the bidder to monitor the Department's website and the MissouriBUYs Statewide eProcurement System to obtain a copy of the addendum(s). Registered bidders who received e-mail notification of the bid opportunity when the IFB was established and registered bidders who have responded to the IFB on-line prior to an addendum being issued should receive e-mail notification of the addendum(s). Registered bidders who received e-mail notification of the bid opportunity when the IFB was established and registered bidders who have responded to the bid on-line prior to a cancellation being issued should receive e-mail notification of a cancellation issued prior to the exact end date and time specified in the IFB.

5. PREPARATION OF BIDS

- a. Bidders **must** examine the entire IFB carefully. Failure to do so shall be at the bidder's risk.

- b. Unless otherwise specifically stated in the IFB, all specifications and requirements constitute minimum requirements. All bids must meet or exceed the stated specifications and requirements.
- c. Unless otherwise specifically stated in the IFB, any manufacturer names, trade names, brand names, information and/or catalog numbers listed in a specification and/or requirement are for informational purposes only and are not intended to limit competition. The bidder may offer any brand which meets or exceeds the specification for any item, but must state the manufacturer's name and model number for any such brands in the bid. In addition, the bidder shall explain, in detail, (1) the reasons why the proposed equivalent meets or exceeds the specifications and/or requirements and (2) why the proposed equivalent should not be considered an exception thereto. Bids which do not comply with the requirements and specifications are subject to rejection without clarification.
- d. Bids lacking any indication of intent to bid an alternate brand or to take an exception shall be received and considered in complete compliance with the specifications and requirements as listed in the IFB.
- e. In the event that the bidder is an agency of state government or other such political subdivision which is prohibited by law or court decision from complying with certain provisions of an IFB, such a bidder may submit a bid which contains a list of statutory limitations and identification of those prohibitive clauses. The bidder should include a complete list of statutory references and citations for each provision of the IFB which is affected by this paragraph. The statutory limitations and prohibitive clauses may be requested to be clarified in writing by the Department or be accepted without further clarification if statutory limitations and prohibitive clauses are deemed acceptable by the Department. If the Department determines clarification of the statutory limitations and prohibitive clauses is necessary, the clarification will be conducted in order to agree to language that reflects the intent and compliance of such law and/or court order and the IFB.
- f. All equipment and supplies offered in a bid must be new, of current production, and available for marketing by the manufacturer unless the IFB clearly specifies that used, reconditioned, or remanufactured equipment and supplies may be offered.
- g. Prices shall include all packing, handling and shipping charges, and shall be delivered to the Department's designated destination FOB destination, freight prepaid and allowed unless otherwise specified in the IFB.
- h. Bids, including all pricing therein, shall remain valid for 90 days from the bid opening unless otherwise indicated. If the bid is accepted, the entire bid, including all prices, shall be firm for the specified contract period.
- i. Any foreign bidder not having an Employer Identification Number assigned by the United States Internal Revenue Service (IRS) must submit a completed IRS Form W-8 prior to or with the submission of their bid in order to be considered for award.

6. SUBMISSION OF BIDS

- a. Delivered bids must be sealed in an envelope or container, and received in the Department's Purchasing office located at the address indicated on the cover page of the IFB no later than the exact opening time and date specified in the IFB. For bids posted on the MissouriBUYS Statewide eProcurement System, registered bidders may submit bids electronically through the MissouriBUYS Statewide eProcurement System at <https://missouribuys.mo.gov/>. All bids must be submitted by a duly authorized representative of the bidder's organization, contain all information required by the IFB, and be priced as required. Bidders are cautioned that bids submitted via the USPS, including first class mail, certified mail, Priority Mail and Priority Mail Express, are routed through the Office of Administration Central Mail Services and the tracking delivery time and date may not be the time and date received by the Department's Purchasing office. Regardless of delivery method, it shall be the responsibility of the bidder to ensure their bid is in the Department's Purchasing office no later than the exact opening time and date specified in the IFB.
- b. The sealed envelope or container containing a bid should be clearly marked on the outside with the official IFB number *and* the official opening date and time. Different bids should not be placed in the same envelope; however, copies of the same bid may be placed in the same envelope.
- c. A bid which has been delivered to the Department may be modified by a signed, written notice which has been received by the Department's Purchasing office prior to the official opening date and time specified. A bid may also be modified in person by the bidder or its authorized representative, provided proper identification is presented before the official opening date and time. Telephone or telegraphic requests to modify a bid shall not be honored.

- d. A bid submitted electronically by a registered bidder may be retracted on-line prior to the official end date and time. A bid which has been delivered to the Department's Purchasing office may only be withdrawn by a signed, written document on company letterhead transmitted via mail, e-mail, or facsimile which has been received by the Department's Purchasing office prior to the official opening date and time specified. A bid may also be withdrawn in person by the bidder or its authorized representative provided proper identification is presented before the official opening date and time. Telephone or telegraphic requests to withdraw a bid shall not be honored.
- e. A bid may also be withdrawn after the bid opening through submission of a written request by an authorized representative of the bidder. Justification of a withdrawal decision may include a significant error or exposure of bid information that may cause irreparable harm to the bidder.
- f. When submitting a bid electronically, the registered bidder indicates acceptance of all IFB requirements, terms and conditions by clicking on the "Accept" button on the Overview tab. Bidders submitting a hard copy must sign and return the IFB cover page or, if applicable, the cover page of the last addendum thereto in order to constitute acceptance by the bidder of all the IFB terms and conditions. Failure to do so may result in the rejection of the bid unless the bidder's full compliance with those documents is indicated elsewhere within the bidder's response.
- g. Faxed and e-mailed bids shall not be accepted; however, faxed and e-mail no-bid notifications shall be accepted.

7. BID OPENING

- a. Bid openings are public on the opening date and time specified in the IFB document. Names, locations, and prices of respondents shall be read at the bid opening. All bidders may view the same bid response information on the MissouriBUYS Statewide eProcurement System. The Department will not provide prices or other bid information via the telephone.
- b. Bids which are not received in the Department's Purchasing office prior to the official opening date and time shall be considered late, regardless of the degree of lateness, and normally will not be opened. Late bids may only be opened under extraordinary circumstances in accordance with 1 CSR 40-1.050.

8. PREFERENCES

- a. In the evaluation of bids, preferences shall be applied in accordance with Chapter 34 RSMo. Contractors should apply the same preferences in selecting subcontractors.
- b. By virtue of statutory authority, a preference will be given to materials, products, supplies, provisions and all other articles produced, manufactured, made or grown within the State of Missouri and to all firms, corporations or individuals doing business as Missouri firms, corporations or individuals. Such preference shall be given when quality is equal or better and delivered price is the same or less.

9. EVALUATION/AWARD

- a. Any clerical error, apparent on its face, may be corrected by the Buyer of Record before contract award. Upon discovering an apparent clerical error, the Buyer of Record shall contact the bidder and request clarification of the intended bid. The correction shall be incorporated in the notice of award. Examples of apparent clerical errors are: 1) misplacement of a decimal point; and 2) obvious mistake in designation of unit.
- b. Any pricing information submitted by a bidder shall be subject to evaluation if deemed by the Department to be in the best interest of the State of Missouri.
- c. The bidder is encouraged to propose price discounts for prompt payment or propose other price discounts that would benefit the Department. However, unless otherwise specified in the IFB, pricing shall be evaluated at the maximum potential financial liability to the Department.
- d. Awards shall be made to the bidder(s) whose bid (1) complies with all mandatory specifications and requirements of the IFB and (2) is the lowest and best bid, considering price, responsibility of the bidder, and all other evaluation criteria specified in the IFB and (3) complies with sections 34.010 and 34.070 RSMo and Executive Order 04-09.
- e. In the event all bidders fail to meet the same mandatory requirement in an IFB, the Department reserves the right, at its sole discretion, to waive that requirement for all bidders and to proceed with the evaluation. In

addition, the Department reserves the right to waive any minor irregularity or technicality found in any individual bid.

- f. The Department reserves the right to reject any and all bids.
- g. When evaluating a bid, the Department reserves the right to consider relevant information and fact, whether gained from a bid, from a bidder, from a bidder's references, or from any other source.
- h. Any information submitted with the bid, regardless of the format or placement of such information, may be considered in making decisions related to the responsiveness and merit of a bid and the award of a contract.
- i. Any award of a contract shall be made by notification from the Department to the successful bidder. The Department reserves the right to make awards by item, group of items, or an all or none basis. The grouping of items awarded shall be determined by the Department based upon factors such as item similarity, location, administrative efficiency, or other considerations in the best interest of the State of Missouri.
- j. All bids and associated documentation submitted on or before the official opening date and time will be considered open records pursuant to section 610.021 RSMo.
- k. The Department maintains records of all bid file material for review. Bidders who include an e-mail address with their bid will be notified of the award results via e-mail if requested.
- l. The Department reserves the right to request clarification of any portion of the bidder's response in order to verify the intent of the bidder. The bidder is cautioned, however, that its response may be subject to acceptance or rejection without further clarification.
- m. Any bid award protest must be received within ten (10) business days after the date of award in accordance with the requirements of 1 CSR 40-1.050 (9).
- n. The final determination of contract award(s) shall be made by the Department.

All Exhibits and Attachments included in the IFB shall be incorporated into the contract by reference.
- c. A notice of award issued by the Department does not constitute an authorization for shipment of equipment or supplies or a directive to proceed with services. Before providing equipment, supplies and/or services for the Department, the contractor must receive a properly authorized purchase order or other form of authorization given to the contractor at the discretion of the Department.
- d. The contract expresses the complete agreement of the parties and performance shall be governed solely by the specifications and requirements contained therein. Any change to the contract, whether by modification and/or supplementation, must be accomplished by a formal contract amendment signed and approved by and between the duly authorized representative of the contractor and the Department prior to the effective date of such modification. The contractor expressly and explicitly understands and agrees that no other method and/or no other document, including correspondence, acts, and oral communications by or from any person, shall be used or construed as an amendment or modification to the contract.

A valid Missouri driver's license is required from the driver to perform the MULES background check. If the driver does not have a valid Missouri driver's license, their social security number and date of birth are required. If a driver or carrier refuses to provide the appropriate information to conduct a MULES background check, or if information received from the background check prohibits the driver or carrier from entering the institution, the delivery will be refused. Additional delivery costs associated with re-deliveries or contracting with another carrier for delivery shall be the responsibility of the contractor.
- c. Unless a pallet exchange is requested at the time of delivery, all pallets used in the delivery of equipment and supplies shall become property of the Department.

13. INSPECTION AND ACCEPTANCE

- a. No equipment, supplies, and/or services received by the Department pursuant to a contract shall be deemed accepted until the Department has had reasonable opportunity to inspect said equipment, supplies, and/or services.
- b. All equipment, supplies, and/or services which do not comply with the specifications and/or requirements, or which are otherwise unacceptable or defective, may be rejected. In addition, all equipment, supplies, and/or services which are discovered to be defective, or which do not conform to any warranty of the contractor upon inspection (or at any later time if the defects contained were not reasonably ascertainable upon the initial inspection), may be rejected.
- c. The Department reserves the right to return any such rejected shipment at the contractor's expense for full credit or replacement and to specify a reasonable date by which replacements must be received.

The contractor expressly warrants that all equipment, supplies, and/or services provided shall: (1) conform to each and every specification, drawing, sample or other description which was furnished to or adopted by the Department, (2) be fit and sufficient for the purpose expressed in the IFB, (3) be merchantable, (4) be of good materials and workmanship, and (5) be free from defect.

15. CONFLICT OF INTEREST

- a. Elected or appointed officials or employees of the State of Missouri or any political subdivision thereof, serving in an executive or administrative capacity, must comply with sections 105.452 and 105.454 RSMo regarding conflict of interest.

16. CONTRACTOR STATUS

- a. The contractor represents itself to be an independent contractor offering such services to the general public and shall not represent itself to be an employee of the State of Missouri. Therefore, the contractor shall

- b. The contractor agrees and understands that the contract shall constitute an assignment by the contractor to the Department of all rights, title and interest in and to all causes of action that the contractor may have under the antitrust laws of the United States or the Department for which causes of action have accrued or will accrue as the result of or in relation to the particular equipment, supplies, and/or services purchased or procured by the contractor in the fulfillment of the contract with the Department.

18. SEVERABILITY

- a. If any provision of this contract or the application thereof is held invalid, the invalidity shall not affect other provisions or applications of this contract which can be given effect without the invalid provisions or application, and to this end the provisions of this contract are declared to be severable.

19. CANCELLATION OF CONTRACT

- a. In the event of material breach of the contractual obligations by the contractor, the Department may cancel the contract. At its sole discretion, the Department may give the contractor an opportunity to cure the breach or to explain how the breach will be cured. - c. If the Department cancels the contract for breach, the Department reserves the right to obtain the equipment, supplies, and/or services to be provided pursuant to the contract from other sources and upon such terms and in such manner as the Department deems appropriate and charge the contractor for any additional costs incurred thereby.
- d. The contractor understands and agrees that if the funds required to fund the contract are appropriated by the General Assembly of the State of Missouri, the contract shall not be binding upon the Department for any contract period in which funds have not been appropriated, and the Department shall not be liable for any costs associated with termination caused by lack of appropriations.
- e. If the Department has reasonable cause to believe that the contractor has knowingly employed individuals who are not eligible to work in the United States in violation of federal law, the Department shall declare a breach and cancel the contract immediately without incurring any penalty.

20. TERMINATION OF CONTRACT

- a. The Department reserves the right to terminate the contract at any time for the convenience of the Department, without penalty or recourse, by giving notice to the contractor at least thirty (30) calendar days prior to the effective date of such termination. The contractor shall be entitled to receive just and equitable compensation for services and/or supplies or equipment delivered to and accepted by the Department pursuant to the contract prior to the effective date of termination.

21. ASSIGNMENT OF CONTRACT

- a. The contractor shall neither assign nor transfer any of the rights, interests, or obligations of the contract without the prior written consent of the Department.

22. COMMUNICATIONS AND NOTICES

23. FORCE MAJEURE

- a. The contractor shall not be liable for any excess costs for delayed delivery of goods or services to the Department if the failure to perform the contract arises out of causes beyond the control of, and without the fault or negligence of, the contractor. Such causes may include, however are not restricted to: acts of God, fires, floods, epidemics, quarantine restrictions, strikes, and freight embargoes. In all cases, the failure to perform must be beyond the control of, and without the fault or negligence of, either the contractor or any subcontractor(s). The contractor shall take all possible steps to recover from any such occurrences.

24. CONTRACT EXTENSION

- a. In the event of an extended re-procurement effort and the contract's available renewal options have been exhausted, the Department reserves the right to extend the contract. If exercised, the extension shall be for a period of time as mutually agreed to by the Department and the contractor at the same terms, conditions, provisions, and pricing in order to complete the procurement process and transition to a new contract.

25. INSURANCE

- a. The State of Missouri cannot save and hold harmless and/or indemnify the contractor or its employees against any liability incurred or arising as a result of any activity of the contractor or the contractor's employees related to the contractor's performance under the contract. Therefore, the contractor must acquire and maintain adequate liability insurance in the form(s) and amount(s) sufficient to protect the State of Missouri, its agencies, its employees, its clients, and the general public against any such loss, damage, and/or expense related to his/her performance under the contract.

26. BANKRUPTCY OR INSOLVENCY

- a. Upon filing for any bankruptcy or insolvency proceeding by or against the contractor, whether voluntary or involuntary, or upon the appointment of a receiver, trustee, or assignee for the benefit of creditors, the contractor must notify the Department immediately.

If the contractor or subcontractor employs at least 50 persons, they shall have and maintain an affirmative action program which shall include:
